Dear Parents and Guardians,

Preparing students who are Career Ready is an important responsibility of Greenville County Schools and the State of South Carolina. This year, 11th grade students in South Carolina will take the WIN Ready to Work (R2W) assessment. The SC Department of Education has defined 11th grade students as students in their third year in high school after initial enrollment in 9th grade.

The R2W test consists of four multiple-choice timed tests –Applied Mathematics, Reading for Information, Locating Information, and Essential Soft Skills. These tests measure real world skills that employers believe are critical to job success. Students may earn WIN’s career readiness credential and an Essential Soft Skills credential which is recognized by businesses and industries nationwide.
