Introduction to J. L. Mann's School Portfolio

J. L. Mann High School's school portfolio was developed to document the changes and progress our school has made while working to continuously improve everything we do. The portfolio provides our staff with an ongoing means for self-assessment, communication, continuous improvement, and accountability.

The categories used in this portfolio are based upon the Education for the Future Initiative Continuous Improvement Continuums, which was adapted from the Malcolm Baldrige Award Program for quality business management and achievement. These categories were selected because we agree that the philosophies written into the continuums will lead to J. L. Mann High School becoming a higher quality school. Within each category is a brief summary of where we are as a school and our next steps for that category.

The categories utilized in this school portfolio are:

- Executive Summary
- School Profile
- Mission, Vision, and Beliefs
- Data Analysis
- Needs Assessment
- Action Plan

All public schools in Greenville County Schools are required to submit a yearly school portfolio, which contains demographic and statistical school data, along with the school improvement plans and strategies. The first district-mandated J. L. Mann High School portfolio was created and submitted during the year 2002-2003 regarding the data collected during 2001-2002. At that time, J. L. Mann High School created the following principal-appointed committees to work on the portfolio: Information and Analysis, Student Achievement, Quality Planning, Professional Development, Leadership, Partnership and Continuous Improvement and Evaluation.

The 2002-2003 committees were composed of teachers who researched and compiled information for their section of the portfolio. An administrator was assigned to compile all sections into a report. The completed report was not only submitted to the district office, but was also presented to the faculty in a faculty meeting, presented to PTSA at a PTSA meeting, and summarized in our Report to the Community document. A copy is kept in the school's front office for any who would like to see it. An updated version has been presented to all stakeholders every year since then.

The current school portfolio is a living document that describes J. L. Mann High School and includes evidence of our work. It describes who we are; our vision for the school; goals, plans, progress, and achievements in the context of client demographics and needs; and school partnerships. The portfolio also describes how we build and utilize our overall school plan for the purpose of increasing student learning – our ultimate outcome. It shows how all of the parts fit together to make our school a positive place for our students.

Currently, our Focus Teams - composed of teachers and other staff members - are involved in developing the portfolio. Much of the narrative content came from discussions among the staff and various Focus Teams in the process of evaluating our work. The Teams will continue to collect evidence of our progress

to show changes in our practices towards the effort of overall school improvement. The Focus Teams include the following:

- Student Achievement Focus Team
- Curriculum Focus Team
- School Culture Focus Team
- Guidance and Public Information Focus Team
- Transition Focus Team
- Instructional Initiatives Focus Team

In addition, our school's School Improvement Council (SIC) plays an important part in studying the school data and developing the direction for some school resources. J. L. Mann High School's SIC is composed of parents, students, community members, teachers and administrators.

The self-study process allows all stakeholders an opportunity to take a closer look at the kind of school J. L. Mann is and how it became that way. Interested stakeholders are given the opportunity to determine desired results for J. L. Mann, effectiveness of the programs at J. L. Mann, and input on the school improvement plan. Our faculty, staff, administration, parents, students, and community members are very proud of J. L. Mann, and all commit to continue working diligently on making our high school the best it can possibly be.

Please enjoy the reading of this portfolio, as it provides the story of who we are and how we work together to continuously improve what we do to prepare our students to become successful citizens and lifelong learners!

Executive Summary

As we continuously assess changing student needs and school challenges we have organized many responses for those needs and challenges over recent years. These program changes have, overall, increased student achievement, increased teacher and administrator quality, and improved school climate.

- Greenville County Schools last went through a SACS district accreditation process in 2013. This accreditation covers J. L. Mann High School, making it a SACS-accredited school.
- J. L. Mann High School became a *High Schools That Work* site in 2005. Our school-wide literacy emphasis began that year with all teachers setting the goal of incorporating at least 25 books a year into the curriculum for students. Students track the books they read through their English classes. We successfully passed our first HSTW Technical Assistance Visit in spring 2009. In response to feedback from the TAV evaluators we significantly improved our Advisory program by placing it within 4th Period instead of a separate time and providing the Guidance Focus Team time to plan for advisory lessons each month which were distributed to the staff each week.
- Our *HSTW* Curriculum Committee recommended a reading program to support the school's literacy emphasis and began *Drop Everything and Read* in spring, 2010. Ten extra minutes were placed in 4th Period classes and teachers began using that time to hold silent reading for all students.
- A *Project Lead the Way* program was begun in 2007 that has grown over the past four years. We are pleased to announce that J. L. Mann's *PLTW* program became fully certified in fall, 2010, which provides college credit for all students who pass *PLTW* engineering courses.
- Our magnet program curriculum was revised and implemented in 2008, making our high school more distinctive in its course offering emphasis. All magnet students, whether they are attendance area students or not, must meet all magnet requirements once they declare magnet status beginning in 2010 as part of a district-wide adjustment in magnet programs.
- A bus program was added in 2011 for students to use after they attend tutoring. In response to feedback from teachers and students that their largest barrier to attending after school tutoring was getting a ride home, Spirit Week funds were used to pay for three buses to take students home an hour after school was out every Monday, Tuesday, and Thursday that school was in session. Use of the buses has been heavy and many of our students have been able to get help with their homework that couldn't get help without the buses in place. The bus program, called Extra Mann Power, was successfully continued in 2012 by doubling the number of students served.
- Power of M (POM), a tutoring and re-testing program, was begun in 2012. CP-level freshmen courses were identified as POM courses and any student who scored less than a 77 on a major assessment in a POM course were required to come after school for tutoring and re-testing until the assessment was passed. Freshman failure rates decreased by 67% in the first year of the program.
- A project based learning program, NewTech, began in the 2013-2014 school year. The program began by accepting 150 incoming freshmen and will add 150 to the program each year.
- The AP Capstone Diploma program began in 2017-2018 with the addition of AP Seminar and AP Research in 2018-2019.

School Accomplishments:

Sports

- 2017-2018 Girls' Lacrosse Class AAAAA State Champions
- 2017-2018 Girls Soccer Class AAAAA State Champions
- 2017-2018 Girls 4 x 800 Relay Team AAAAA State Champions
- 2016-2017 Girls' Lacrosse Class AAAAA State Champions
- 2017 Softball Class AAAAA Region Champions
- 2014-2015 Girls Soccer AAAA State Champions
- 2017 Girls Soccer AAAAA State Champions
- 2015 Girls Track AAAA State Champions
- 2014-2015 Boys Soccer AAAA State Champions

Arts

Band

- CWEA Winter Guard: 2nd place in Circuit and division silver medal, 2018
- CWEA Winter Percussion Ensemble: Circuit Championship and division championship gold medal, 2017 and 2018
- Marching band: Excellent Rating at State Marching Championships
- Symphonic Band: Excellent Rating at Concert Performance Assessment
- 11 students invited to Greenville County Honor Band
- 6 students invited to SC Region Honor Band
- 2 students invited to SC All State Honor Band
- CWEA Winter Guard 3rd Place in Circuit 2017
- Marching Band performances at home football games and 5 local contests
- Symphonic Band performed 5 concerts throughout the year
- Fall Veteran's Day Concert
- Winter Concert
- Pre-Festival Concert
- State Concert Performance Assessment Concert
- Spring Pops Concert
- Began after school jazz program, with performance at Spring Concert

Art

- National Art Honors Society with over 70 student members per year
- NAHS Yearly Service projects at the Children's Hospital (murals painted on the indoor windows twice a year), Project Host soup kitchen, including the annual Empty Bowls dinner (80 ceramic bowls donated per year) and four mural panels for the dining room
- Annual Student Art Exhibition with 200+ works, judged by a local artist/professor
- 10+ works each year displayed at the Annual GCSD Art Exhibition at Artisphere; several awards each year
- 5+ Works accepted to the Converse Young Women in Art annual juried exhibition
- 10+ Student works and at least two instructor works displayed at the Southwest Region Annual Youth Art Month Show at the SCGSAH
- Multiple awards each year from entries in the Annual Upstate High School Art Exhibition at Greenville Technical College

Academic

- Palmetto's Finest Finalist 2017 - 2018
- 6th place in the 2017 South Carolina Science Olympiad State Finals Division C
- 1st place in Ecology Event at 2018 South Carolina Science Olympiad State Finals Division C
- First and Second Place at the 2016 Joseph Vaughn Oratorical Competition at Furman University
- Jessica Baker
 - Registered Nurse, BSN
 - Certified Emergency Nurse
 - American Heart Association First Aid and CPR Instructor
- QPR Gatekeeper Instructor for Suicide Prevention
- 1152 Certified Firefighter (previous)
- First Responder (previous)
- Ms. Jennifer Cook – 17-18 PTSA High School Teacher of the Year
- Ms. Tina Bishop – 17-18 GCSD Assistant Administrator of the Year
- Mr. Charles Mayfield – 17-18 GCSD Administrator of the Year
- Mr. Jeremy Bowen- 17-18 JL Mann Teacher of the Year and Top Ten Teacher in GCSD

School Profile

School Community History

J. L. Mann High School, Academy of Mathematics, Science and Technology is a 9th-12th grade high school originally built in 1965 that currently houses 1925 students and 192 faculty and staff members. It is one of 14 high schools in the district known as Greenville County Schools. J. L. Mann High School is located in Greenville, South Carolina.

J. L. Mann High School became a Select School in 1997. The school's name was changed to reflect our math, science and technology magnet status to J. L. Mann High School, Academy of Mathematics, Science and Technology, at that time. The Select Schools program in Greenville County Schools was designed to revitalize urban schools that had begun to decline in enrollment due to demographic changes in the community. Greenville County Magnet Schools share three common goals for their Magnet Programs:

1. Provide a unique or specialized curriculum or educational approach.
2. Improve achievement for all students participating in the magnet program.
3. Promote and maintain diversity.

Our magnet program allows us to be a “school of choice” for many of our students. In order to take advantage of our range of advanced math, science and technology courses prospective magnet students must apply to attend J. L. Mann High School. A rigorous magnet diploma can be earned, which includes a senior project. The Senior Project is a cumulative portfolio that the magnet student must complete in order to demonstrate proficiency in the student’s chosen area.

In 2005 J. L. Mann added an ESOL program to address the growing population of students enrolled that do not have English as the primary language in the home. More families were moving to the Greenville area from outside the United States and a need to help the new students develop strong English skills quickly became apparent.

J. L. Mann High School became a *High Schools That Work* site in 2005, which prompted the staff to focus on specific instructional areas in order to increase student achievement. Teachers have worked to incorporate literacy into all courses by adding reading requirements to coursework and providing reading time in class. All students are required to participate in the school’s *Drop Everything and Read* program, held once a week during the Advisory period. In addition, the staff has studied *Literacy Across the Curriculum*, a *HSTW* site development guide, and worked with each other through regular faculty meetings to implement the literacy strategies suggested in that guide.

Halfway through the 2007-2008 school year we moved into a brand new school building. The new J. L. Mann High School opened its doors on January 3, 2008. The 236,000 square foot facility gives students and teachers access to the latest in instructional technology, including Promethean Boards in every classroom, wireless laptop computers, a digital media production lab, and a computer-based language lab. The state-of-the-art auditorium highlights the school’s fine arts department, and the athletic department has access to multiple practice and competition gyms.

J. L. Mann High School is also a satellite school for students with handicapping conditions who need additional supportive services such as transliterators, interpreters, orderlies, aides, etc. The school building built in 2006 includes automatic doors, a fully-equipped life skills lab, and adapted classroom furniture. Our campus facilities were modified to accommodate these students, who have opportunities to participate in all the programs J. L. Mann offers.

Multiple programs including PLTW, Accelerate, NewTech@Mann, and AP Capstone Diploma have been added over the past 5-10 years. J. L. Mann also opened a new 400 seat addition built for project based learning in August 2017.

The school colors are red, white and Columbia blue; the school mascot is “The Patriot.”

Facilities

The newly built J. L. Mann High School building opened its doors on January 3, 2008. The 236,000 square foot facility gives students and teachers access to the latest in instructional technology, including Promethean Boards in every classroom, wireless laptop computers, a digital media production lab, and a computer-based language lab. The state-of-the-art auditorium highlights the school’s fine arts department, and the athletic department has access to multiple practice and competition gyms.

J. L. Mann High School, Academy of Mathematics, Science and Technology and Greenville County Schools are committed to having a safe and clean environment for learning. At the site level, there is an emergency preparedness plan. Planning for various potential emergencies is done in coordination with regional agencies and the school district. The school safety plan stresses safety for the students first.

- Specific safety concerns regarding buildings and grounds at the school are supervised by the plant engineer and conducted by the maintenance staff. Our professional staff of custodians perform basic cleaning and maintenance operations in every classroom daily.
- An in-service training on blood borne pathogens and universal precautions is provided for all faculty and staff annually. Records of this training are maintained in our school office and at the District Office.
- Traffic flow is monitored and controlled by the school resource officer and school personnel before and after school. In addition, a camera system is installed to help monitor the entire campus.
- Fire evacuation drills are performed with the students and staff monthly; bus evacuation drills are performed with the students and staff annually.
- Campus supervision is paramount to student safety, so every school faculty member is assigned a daily supervisory duty. This ensures that there are adults present before school, during class changes, during lunch, and after school.

J. L. Mann provides a disciplined but stimulating learning environment for students. The climate for learning at J. L. Mann is enhanced by involved parents. Parents are encouraged to become involved in school committees and councils, to help with homework, and to encourage and honor their child’s successes. Annually, on average, our school PTSA contributes approximately \$25,000 to school for instructional needs. They also provide PTSA mini-grants to our teachers to promote and support innovative ideas in curriculum and instruction. Furthermore, J. L. Mann parents volunteer on a daily basis to serve as receptionists in the main office and work in the school store. We have been pleased to recognize our parents as J. L. Mann has been awarded the National PTA School of Excellence Award for Parent Involvement for several years.

A major goal of the staff at J. L. Mann is to provide a positive climate for learning in order to assure student achievement, enhance self-esteem, and develop positive social behavior. To reach this goal, our school offers many opportunities for student participation and recognition. J. L. Mann offers a wide variety of extra-curricular activities both academically and athletically. Students are encouraged and expected to maintain appropriate behavior at all times because disruptions interfere with learning.

Student handbooks and other information about school and classroom rules are distributed at the beginning of the year and discussed on a regular basis.

Leadership

Site-based management allows for a hands-on approach to the management of certain school components such as curriculum, personnel, and budget. J. L. Mann High School uses the site-based approach to accomplish positive academic outcomes for all students. The plan works within the shared vision of the school and the framework of the district office. The decision-making structure of J. L. Mann's site-based approach could be said to be the "provisions for the visions." J. L. Mann views its level of autonomy as opportunity in that school policy is malleable and can change to better suit the needs of our student population.

A key component of shared decision-making is a principal with a facilitative approach to leadership. There is a willingness to hear all voices and consider all angles with regards to school decisions at J. L. Mann. Not only is input allowed, it is encouraged and supported.

The facilitative approach to leadership within a site-based school is not limited to the building administration. In order to maximize the success of the site-based model, there has to be a high level of commitment and flexibility demonstrated by district staff. Support and latitude are two key attributes within the district-shared vision. This allows the building level decision-making to have a great amount of impact on student performance. Schools in Greenville County can only achieve an excellent level of success and performance if there is a commitment to an evaluative and proactive decision-making process.

Issues for discussion by the faculty are usually raised on a leadership team level, either through the suggestion of an administrator or a member of the leadership team. Each leadership team includes a representative from each academic department in the school, ensuring that a variety of views are heard. The appropriate leadership team reaches a decision on the issue and makes a suggestion to the Student Achievement Leadership Team, which serves as an oversight committee.

The Student Achievement Leadership Team (SALT) then reviews the suggestion of the leadership team, at which point the opinions of administrators are also included. SALT will reach a consensus, or if SALT is divided, the issue can be tabled for full faculty discussion or redirected to the committees. As SALT minutes are issued to all faculty members, the faculty is included in the sharing of information. Some issues are raised in faculty meetings for open discussion. Decisions that will directly affect students are also frequently posed to the students and their parents through surveys, and if the feedback is mixed, the administrators will plan community meetings to provide a forum for further discussion.

The School Improvement Council (SIC), an advisory committee comprised of community members, parents, teachers and students, also plays a vital role in consensus building. As the voice of our school community, they offer a different view on issues being discussed and often suggest methods for school improvement from a community point of view. The SIC reports directly to the principal, and he brings their concerns to SALT for consideration.

The principal of J. L. Mann High School since 2009 is Charles Mayfield. Mr. Mayfield has served as a social studies teacher and assistant principal in Greenville County; most recently, he served as assistant principal and principal of Ware Shoals High School. The assistant principals are Cindy Alsip, Anthony Holland, Tina Bishop, Jeff Sartain, and Matthew Moore. The Instructional Coach is Regina Eudy.

The J. L. Mann School Improvement Council (SIC):

- Serves as liaison between the administration, the staff, faculty, and the community.
- Generates the school improvement plan.
- Maintains and enforces the SIC bylaws.

The J. L. Mann PTSA Executive Board:

- Provides support and assistance to the school as a whole.
- Organizes volunteers for testing and working in various school capacities.
- Maintains the school store.
- Funds mini-grants to teachers who use funds for innovative activities.
- Coordinates fundraising efforts for the school.
- Organizes and implements programs such as Mann Alive, Parent Night, and College Night.
- Works to beautify the school grounds through the landscaping of common areas.
- Publishes the school newsletter to keep parents informed of school events.
- Provides monetary teacher supplements for classroom supplies.
- Provides hospitality for the faculty and at school events.
- Keeps the community informed of school events and acts as a liaison between the administration and the community.
- Honors teachers and staff members through Teacher Appreciation activities.

Current School Community

J.L. Mann High School is a comprehensive, public high school located in northwest South Carolina, serving the towns of Greenville and Simpsonville. J.L. Mann is Greenville County Schools Magnet School for math, science and technology. The city of Greenville is the county seat of Greenville County and is home to Furman University, Bob Jones University and Greenville Technical College.

J.L Mann High School's Mission: The mission of J. L. Mann High School is to provide each student with the opportunity to become lifelong learners by nurturing students' individuality, guiding students' learning, and challenging students to think critically through the shared involvement of teachers, administrators, parents, and community members.

Our Common Purpose: To develop a student-centered learning community in which all students achieve their maximum ability through a rigorous curriculum, clearly defined standards of performance, and high expectations.

Our Values:

- Teamwork
- Respect
- Courage
- Honor
- Integrity
- Loyalty
- Duty
- Selfless service

J.L. Mann High School's administrative team is led by Charles Mayfield, our principal, who is serving his 10th year in this position. Dr. Cindy Alsip serves as Assistant Principal and Director of NewTech@Mann, our project-based learning program. Tina Bishop, Brad Griffith, Matt Moore and Jeff Sartain serve as Assistant Principals. Todd Tucker is our Athletic Director and Regina Eudy is our Instructional Coach.

J.L. Mann has a certified staff of 140 employees and each are a vital part of not only the everyday operation of the school, but also in the development of our school community. Each member sits on a

Focus Team and focus on various aspects of our community with the goal of increasing student learning – our ultimate outcome. Focus Teams then together to make our school a positive place for our students.

The Focus Teams include the following:

- Student Achievement Focus Team
- Curriculum Focus Team
- School Culture Focus Team
- Guidance and Public Information Focus Team
- Transition Focus Team
- Instructional Initiatives Focus Team

In addition, our school's School Improvement Council (SIC) plays an important part in studying the school data and developing the direction for some school resources. J. L. Mann High School's SIC is composed of parents, students, community members, teachers and administrators.

We are devoted to providing a challenging and rigorous curriculum for all students at J. L. Mann. We are also dedicated to meeting the individual learning needs of our students. Classes meet for 50 minutes, 5 days a week for 18 weeks each semester. One Carnegie unit of credit is awarded for each 50 minute class successfully completed each year. The school year is divided into two semesters followed by an optional 8-week virtual summer school program.

As we continuously assess changing student needs and school challenges we have organized many responses for those needs and challenges over recent years. These program changes have, overall, increased student achievement, increased teacher and administrator quality, and improved school climate.

- Greenville County Schools last went through a SACS district accreditation process in 2013. This accreditation covers J. L. Mann High School, making it a SACS-accredited school.
- J. L. Mann High School became a *High Schools That Work* site in 2005. Our school-wide literacy emphasis began that year with all teachers setting the goal of incorporating at least 25 books a year into the curriculum for students. Students track the books they read through their English classes. We successfully passed our first HSTW Technical Assistance Visit in spring 2009. In response to feedback from the TAV evaluators we significantly improved our Advisory program by placing it within 4th Period instead of a separate time and providing the Guidance Focus Team time to plan for advisory lessons each month which were distributed to the staff each week.
- Our *HSTW* Curriculum Committee recommended a reading program to support the school's literacy emphasis and began *Drop Everything and Read* in spring, 2010. Ten extra minutes were placed in 4th Period classes and teachers began using that time to hold silent reading for all students. Everyone within the school is also a part of our annual "Schoolwide Read."
- A *Project Lead the Way* program was begun in 2007 that has grown over the past four years. We are pleased to announce that J. L. Mann's *PLTW* program became fully certified in fall, 2010, which provides college credit for all students who pass *PLTW* engineering courses.
- Our magnet program curriculum was revised and implemented in 2008, making our high school more distinctive in its course offering emphasis. All magnet students, whether they are attendance area students or not, must meet all magnet requirements once they declare magnet status beginning in 2010 as part of a district-wide adjustment in magnet programs.
- Our school was honored to become a part of the College Board's National Program, AP Capstone, an innovative diploma program that allows students to develop skills that matter most for college success: research, collaboration and communication.

- A bus program was added in 2011 for students to use after they attend tutoring. In response to feedback from teachers and students that their largest barrier to attending after school tutoring was getting a ride home, Spirit Week funds were used to pay for three buses to take students home an hour after school was out every Monday, Tuesday, and Thursday that school was in session. Use of the buses has been heavy and many of our students have been able to get help with their homework that couldn't get help without the buses in place. The bus program, called Extra Mann Power, was successfully continued in 2012 by doubling the number of students served.
- Power of M (POM), a tutoring and re-testing program, was begun in 2012. CP-level freshmen courses were identified as POM courses and any student who scored less than a 77 on a major assessment in a POM course were required to come after school for tutoring and re-testing until the assessment was passed. Freshman failure rates decreased by 67% in the first year of the program.
- A project based learning program, NewTech, began in the 2013-2014 school year. The program began by accepting 150 incoming freshmen and will add 150 to the program each year.
- The newly redesigned advisory program, Mann Up!, is designed to keep students' soft skills honed and highlighted. Every semester, one of eight characteristics is taught during 4th period, the characteristics focused on are: health, integrity, work ethic, self-direction, citizenship, collaboration, perseverance, and empathy.

Community Partnerships

In addition to the support provided by the J. L. Mann PTSA, SIC, and leadership teams, J. L. Mann's success is greatly enhanced by local businesses which offer us support on a regular basis. SIC and our school's Booster Club are the bodies responsible for recruiting, coordinating, and planning business partnerships.

School Personnel

The 2018 - 2019 staff at J. L. Mann included 108 teachers, 2 media specialists, 8 guidance counselors, 1 instructional coach, 1 athletic director and 7 administrators. Our teachers work diligently to keep their skills up to date: 60.8% of J. L. Mann's teaching staff has advanced degrees and continued to work on increasing their teaching skills, using an average of 6.3 professional development days. The average teacher salary was \$51,585. The average attendance rate of our teachers was 93.4%. The percentage of teachers returning from the previous school year was up at a rate was 89.7%. Additionally, 83.3% of our teachers held continuing contracts.

Other personnel at our school include those working in school administration, the secretary, guidance and media clerks, a plant engineer, custodians and food service workers. Additional support personnel include the district psychologist, special education coordinators, mental health specialist, a speech and language specialist, two school nurses, and a tech specialist. J. L. Mann also has a school resource officer provided by the Greenville City Police Department.

2017-2018	1876
2018-2019	1925

J. L. Mann’s student attendance rate was 95.1%. Student retention rate decreased to 2.2% from 2.3%. The percentage of students living in poverty increased from 33.8% to 34.2%.

Student Enrollment by Gender, Grade, Ethnicity, and Free/Reduced Lunch Status

J. L. Mann High School currently serves 1925 students with 988 males and 937 females.

Grade Level	Total in Grade	Asian	Black or African American	Hispanic/Latino	American Indian or Alaska Native	Two or More Races	Native Hawaiian or Other Pacific Islander	White
9	521	27	159	47	4	25	2	257
10	569	28	132	59	1	12	3	334
11	424	20	97	42	0	17	2	246
12	411	14	104	39	4	14	0	236
Total	1925	89	492	187	9	68	7	1073

J. L. Mann High School currently serves 521 9th Graders, 569 10th Graders, 424 11th Graders and 411 12th Graders.

J. L. Mann High School currently has a 34% poverty index.

Student subgroups included in NCLB computations were All Students, Male Students, Female Students, White Students, African-American Students, Hispanic Students, Disabled Students, Limited English Proficient Students, and Subsidized Meals Students.

Special Education

J. L. Mann High School is a satellite school for students with handicapping conditions. We provide services for students with a wide range of handicaps including autistic, emotionally disabled, educable mentally disabled, hearing disabled, health impaired, learning disabled, orthopedically handicapped, trainable mentally disabled, visually disabled, multi-handicapped, and other-health impaired. Our special needs population (other than speech) makes up 11.2% of our whole school population.

School Programs

Academics

J. L. Mann distinguishes itself from other area schools by its two major school-within-a-school programs in addition to operating as a traditional high school.

- J. L. Mann serves as the districts magnet academy for the areas of Mathematics, Science, and Technology. Each of the magnet strands gives students opportunities to take specialized courses not necessarily available at other schools in the area. For example, to earn magnet distinction in technology, students may take courses such as Web Design, Computer Programming, and two Advanced Placement Computer Science courses. Students in the science magnet program are offered Marine Biology, Forensics Science and several AP Science courses. In the math program, students can take AP Statistics as well as both AP Calculus AB and BC. Earning magnet distinction also requires students to complete either a senior project or internship. Students living outside of Mann’s attendance area are invited to apply and pursue one of the three magnets. Attendance area students may also choose to take the magnet curriculum.
- NewTech@Mann offers students project-based learning, student-led culture, and one-on-one technology. Many core content areas are taught as combined classes at NewTech@Mann in order to support cross-disciplinary learning. For example, in the freshman year a student can expect to take English 1 with World Geography or English 2 with World History. In addition to the core content areas of English, mathematics, science and social studies, NewTech@Mann offers support courses which provide training for the technological skills students will need both for their projects and their future. Project-based learning (PBL), student-led culture, and one-on-one technology make NewTech@Mann very different from the traditional learning model.

Graduation Plus is a district-wide initiative to ensure all students are college and career ready upon graduation. Goals of the Graduation Plus initiative are for students to obtain significant progress toward a college major and/or two-year degree, completion of freshman level college courses, completion of postsecondary vocational and technical advanced certification, and/or completion of a vocational/technical certificate before graduation. J. L. Mann offers the following programs to help students meet these goals:

- Advanced Placement – We currently offer 22 AP courses including English Language and Composition, English Literature and Composition, Calculus AB, Calculus BC, Statistics, Human Geography, Psychology, European History, U.S. History, World History, Macroeconomics, Government, Physics 1, Physics 2, Environmental Science, Biology, Spanish Language and Culture, French Language and Culture, Computer Science A, Computer Science Principles, Art History, and Art- Drawing/2-D. J. L. Mann is also an AP Capstone school allowing students to earn an AP Capstone Diploma after completing AP Seminar and AP Research in addition to at least four other AP courses.
- Accelerate is a challenging, three-year program that utilizes a virtual learning environment of live video conferencing between teaching locations and partner schools across South Carolina. It provides advanced academic preparation, along with exposure to real-world engineering during the 10th, 11th and 12th grades. The ultimate goal of Accelerate is to prepare students, both in coursework content and pace, for a rigorous college engineering program. As many as 32 college credit hours toward an engineering degree may be earned during this unique three-year program.
- Early College Program – Dual Credit Courses offered are offered through Greenville Tech. Current offerings include English 101 and 102, Psychology, and Sociology.

- Project Lead the Way (PLTW) – Students earn this recognition in engineering by completing a combination of PLTW Engineering and Advanced Placement courses. At the end of engineering courses, students can earn college credit through Clemson University by passing the PLTW exam. PLTW courses are offered within NewTech and the traditional classrooms.
- Teacher Cadets is a yearlong course that offers dual credit, one Carnegie units on the honors level and three hours of college credit through Clemson University. During the course, students complete an 8 week practicum working with an assigned GCS teacher where they help with all classroom duties and teach 2 lessons. This class is for all students that have a definite interest in becoming teachers or who want a career working with young people.
- Satellite schools and career centers provide opportunities for students to obtain additional instruction in fine arts as well as vocational training and technical certifications while still taking core academic classes at J. L. Mann.

Student Support Services

J.L. Mann High School’s *Mann Up!* Advisory Program focuses on eight positive characteristics or life skills, six of which are included in Greenville County School District’s “Profile of the South Carolina Graduate*.” These qualities are Health, Integrity, Self-direction, Citizenship, Perseverance, Collaboration, Work Ethic, and Empathy.

An after-school tutoring program called *Extra Mann Power* provides all students the ability to stay after-school Monday, Tuesday, and Thursday and receive help from the teachers. Buses will then be available for students who need a ride home.

Power of M is a program primarily for ninth graders enrolled in a CP level courses. Students who fail to make a mastery grade on any major assessment will remediate with their teacher and then retake the assessment. Students can stay after school for remediation and retesting.

High Schools That Work has a literacy emphasis that has been placed in all courses through a special structure. Also, the students who struggled with reading and writing in middle school are identified through PASS and MAP scores and are placed in Accelerated Reading courses in an effort to help them strengthen basic skills. The Accelerated Reading course is taken in addition to a regular freshman English class.

The *Satellite Special Need Program* at J. L. Mann includes Occupational Orthopedic and TMD/Orthopedic as well as a Hearing Impaired and Visual program. The Special Needs Department includes Community Based Instruction (where students take skills and concepts learned in class and practice them in the community), Project Search (a Bon Secours program that takes 9 interns a year with the end goal of a permanent paid position), Job Olympics (simulated jobs for competition), Peer Tutors, Emerging Business Mann Made (Design and print products for sale - Heat Press and embroidery), and Occupational Credentials for Special Needs Students.

There is an emphasis to help all students through the focus of on *Common Planning*, especially for those teachers teaching an End-of-Course Placement Test. These teachers plan together throughout the year in

an effort to increase mastery of content and EOC passage rates. All teachers are expected to common plan a minimum of twice a month with EOC teachers common planning weekly.

Arts

J. L. Mann High School offers a strong Fine Arts program, including visual arts, band, strings, chorus, and drama. We offer a wide variety of visual arts courses, honors students are eligible for National Art Society, and all may join the Art Club. Students participate each year in a wide variety of community art shows and regularly participate in service projects. Chorus, concert band, marching band, percussion ensemble, color guard, and chamber ensemble all participate in a wide variety of school events and competitions. Honor Bands include Greenville County Honor Band, Region Honor Band, and All-State Honor Band. Our Drama program showcases high quality productions every semester. Students perform in a fall production and a spring musical production. Drama also sponsors Miss Talisman, Miss J. L. Mann, and Thespian Society.

Athletics

Our student athletes have performed all the way to the state level under the coaching of dedicated teachers and coaches and the school JROTC program provides students a way to earn college credit while still in high school. Our athletic teams have brought back several state championships to the school, including swimming, basketball, lacrosse, soccer and track. We had over 800 athletes participate on 39 different teams in 2017-2018.

Other Programs

Other outstanding programs and features available at J. L. Mann High School include:

- Adaptive Physical Education
- Advisor/Advisee Groups
- Connections (A club pairing regular education students with students with disabilities)
- DEAR
- ESOL
- High Schools That Work Site
- International Partnership with high school in Clermont-Ferrand, France
- Army JROTC
- Mann Nation (A spirit club)
- Mann Recycling Initiative
- Medical Leaders of Tomorrow (Club for investigation into careers in the healthcare field)
- Memorial Learning Garden
- Miss Talismann/Miss. Mann - Pageant
- Peer Tutoring
- Patriot Partners (Teacher/student mentoring)
- PTSA
- Robotics Team
- School Wide Book Read
- Science Olympiad
- Special Olympics
- Speech and Debate
- Student Council

- Supported Employment and Training
- Teen Achievers
- Youth in Government

James L. Mann High Academy of Math, Science and Technology

Our Mission

We develop opportunities for all students to achieve personal success and become college and career ready in order to become productive, responsible, and engaged citizens.

Our Vision

Making a Difference by inspiring, supporting, and preparing students for their next step in life.

Belief Statements

Students achieve best in a safe and inviting environment where they are engaged in learning.

Students must have highly competent and caring teachers, principals, and support staff.

Students must have equitable and high-quality educational opportunities that evolve and change to reflect the world around them.

A successful educational culture empowers students to communicate and collaborate effectively, solve problems competently, think critically and creatively, and act responsibly.

A successful educational culture develops students who are empathetic, respectful, resilient, and act with integrity.

Embracing diversity and inclusion leads to mutual respect and breaks down barriers.

Education is the shared responsibility of students, home, school, business, and community.

Curriculum and instruction must meet the needs of all students and prepare each student for success.

Early reading and mathematical thinking are the foundations for educational success.

Our educational organization prepares students to value learning and contribute to society, which has a lasting positive impact on our communities.

We Believe ... So We Are Providing!

We believe that each student is a valued **individual** with unique physical, social, emotional and intellectual needs.

Career Pathways

Teacher and Administrator Quality - Highly Qualified Teachers

J. L. Mann High School could not be effective for our students without qualified teachers and administrators in place. 100% of our teachers are highly qualified.

Advanced Degrees

A strong emphasis has been placed on all certified staff to pursue higher education. The majority of the staff has traditionally held advanced degrees. Currently, one teacher, one guidance counselor, and one administrator hold doctorates. The following table shows the percentage of teachers and administrators possessing advanced degrees:

J. L. Mann High School Teachers and Administrators with Advanced Degrees

2012-2013	2013-2014	2014-2015	2015-2016	2016-2017	2017-2018
68.4%	71.3%	71.7%	68.1%	63.2%	60.8%

To further strengthen the quality of our teaching and administrative staff common planning and professional development are ongoing and beneficial.

Professional Learning Communities

In order to implement common planning all teachers who teach EOC courses were placed together with common planning time in the school's master schedule. For example, all English I teachers were scheduled to have planning at the same time each day. The EOC courses included were English I, Algebra I, Biology, and US History. The teachers were expected to meet at least once a week to coordinate plans and assessments. By the end of the 2011-2012 year the teachers had common syllabi and common exams in place for each of these courses. All EOC teachers are expected to meet once a week and all other courses are expected to meet two times a month. Agendas and minutes are required to be posted in the Google Drive folder.

Professional Development

Professional development prepares teachers to address the identified gaps in our school and to improve student learning. Each year the Instructional Initiatives Focus Team develops a schedule of professional development opportunities.

J. L. Mann High School 2018-2019 Professional Development Plan

GOALS

1- STUDENT ACHIEVEMENT

- Facilitate training to learn about and implement change in regards to increasing student achievement and motivation in the classroom with a focus on student centered classrooms.
- Expand faculty and staff exposure to strategies that facilitate instruction that is not teacher-directed, to include Project Based Learning, simulations, and online collaboration.

- Focus on allowing student choice in assignments, while remaining within the content required by standards.
- Literacy team will lead PD with a focus on disciplinary literacy.
- Certified Faculty will be apprised of all opportunities to obtain Gifted & Talented certification, R2S endorsement, and technology proficiency as required by the state.

2- PROFESSIONAL LEARNING COMMUNITIES

- Teachers engage in a learning community with a student centered focus. The PLC should be driven by data and the sharing of best instructional practices.
- Data will be collected at the beginning of the year, evaluated at least twice during the year, and again at the end of the year. Teachers will provide a reflection on what they adapted based on results.

3- PERSONALIZED LEARNING

- Mann Under Construction PD plan
- Provide and support the technology necessary to engage students in the learning process.
- Promote technology integration throughout the curriculum to improve instruction, student engagement and achievement.

4- NEW TEACHER DEVELOPMENT

- Implement and continuously support new staff as a professional educator.
- A team of teacher leaders will be formed to provide an additional level of support for new teachers.
- All induction contract teachers will receive a state trained mentor as well as a buddy teacher to assist them throughout their first year teaching. Continuing contract teachers that are new to Mann will receive a buddy teacher.

REGULARLY SCHEDULED MEETINGS

- 1st Wednesday: Faculty Meetings (PD on a variety of topics; done virtually on occasion for extra PLC meetings)
- 2nd Wednesday: Teacher Leader PD or School Counselor PD at every Department Meeting
- 3rd Wednesday: HSTW Focus Team Meetings
- 4th Wednesday: SALT Leadership Committee

COMMUNICATION

MANN, WHAT'S GOING ON? (Bulletin Board)

IC maintains bulletin/display board in Teacher's Lounge at Front that showcases the content information or best practices and advertises for/highlight upcoming PD opportunities both at Mann and in the District.

COACH'S CORNER

The newsletter is published weekly by the IC highlighting important information about grades, professional development, testing, and other information of teachers. The newsletter will also present tech tips and updates regularly.

PROFESSIONAL DEVELOPMENT PROGRAMS

GOAL 1 - STUDENT ACHIEVEMENT

TEACHER LEADERS/LITERACY TEAM

One teacher from each department works with the Instructional Coach monthly to present professional development information to their fellow teachers in the Wednesday department meetings. The focus of this group will be disciplinary literacy strategies and district initiatives.

INSTRUCTIONAL PROTOCOL TRAINING

Professional development will be required monthly or more if needed to introduce and implement the elements of the district Instructional Protocol. PD may be held during planning periods or after school.

GOAL 2 - PROFESSIONAL LEARNING COMMUNITIES

PROFESSIONAL LEARNING COMMUNITIES- (teachers who have a course in common)

Each teacher in a cohort will share best practices or a favorite strategy on a rotating basis.

EOC Courses: Teachers will meet once a week during a common planning period to discuss strategies, pacing, develop common assessments, and analyze data from those assessments.

Non-EOC Courses: Teachers will meet at least twice a month, one of which may be a collaborative online meeting, to discuss strategies, pacing, develop common assessments, and analyze data from those assessments.

Minutes and norms are to be posted to the Google Drive by subject

GOAL 3 - PERSONALIZED LEARNING

MANN UNDER CONSTRUCTION

Personalized learning workshops are led by members of the DLC. Teachers are required to attend 2 MUC professional developments each month. Teachers are also provided opportunities to observe learning labs, complete implementation forms, and submit proposals to lead professional developments. The focus of the second year of MUC will be TIM and the SAMR model to use the tools learned in 17-18 to transform instruction in 18-19.

GOAL 4 - NEW TEACHER DEVELOPMENT

NEW TEACHER SUMMER WORKSHOP

Teachers new to J.L. Mann are invited to a half-day workshop at J.L. Mann prior to the required first-day for all staff to meet and greet their new colleagues, learn the ropes of a new setting, take a school tour, and participate in initial PowerTeacher and IMS training.

MANN, I'M NEW – (All New Teachers)

Meet every month with new teachers at Mann to check-in with how things are going, provide, support, cheer, and professional development; discuss PAS-T goals and performance standards to prepare for formal evaluation. Mentors/Buddies will be asked to attend for the first 15 minutes of each meeting to provide time for support. (If needed, this group will be broken down into induction and continuing contract teachers.)

NEW TEACHER SUPPORT TEAM (SOS Squad)

This group consists of teachers with a passion for working with induction teachers. The group will maintain a Google Classroom for the induction teachers that includes classroom management resources, tips and tricks of teaching, and monthly calendars highlighting events at Mann with an explanation of the event and the teacher responsibility at the event.

STARTING OUT STRONG (SOS) - Year 1

Highly structured intensive PD for induction teachers. Meetings will begin weekly and taper down throughout the school year.

STARTING OUT STRONG – Year 2 – (teachers in the second year undergoing formal evaluation)

Meet every month through first semester with 2nd year teachers going through PAS-T to support them and highlight PAS-T goals and performance standards. After first semester, meetings will be on an as needed basis. Meetings will provide time to discuss observation protocols and checkpoints for PAS-T notebooks.

STARTING OUT STRONG – Year 3

New program for 19-20 where year 3 teachers or those in their first year of their professional contract will undergo instructional cycles (coaching) with the Instructional Coach.

School Climate Needs Assessment - Student Attendance

After School Tutoring with Free Transportation for Students

To further support increased student achievement and improve school climate J. L. Mann began a structured tutoring program in 2009-2010. Two tutoring locations were established and all teachers were placed on a rotating schedule to tutor students. Tutoring was offered every Tuesday morning and Thursday afternoon. The teachers observed, however, that this was not the best way to offer tutoring. They found that the assigned teacher was not always the best teacher to address the study questions brought by every student and they found that four assigned teachers were often more than was needed for the number of students who came for tutoring. Teachers reported that they tutored more often on their own at times they set with their individual students and that the students who most needed tutoring could not stay outside of the classroom because of transportation.

In 2011-2012 Mr. Mayfield procured funding for school buses to take students home an hour after the regular buses left in order to provide time for tutoring for teachers to set up with their own students as their schedules allowed. The program was called Extra Mann Power and all teachers were required to make themselves available at least once a week for tutoring for their own students. Extra Mann Power runs buses every Monday, Tuesday, and Thursday that school is in session. The bus program has been very successful and will continue as long as funding can be procured.

Safety Surveys

Student Safety

Evaluations By Parents	Percent Agree/Strongly Agree	Total Responses
"My child feels safe at school."	85.00	104
"My child's teachers and school staff prevent or stop bullying at school."	59.80	104

		District Actual 80					

Students who took Foundations in Algebra in 9th grade, then took Intermediate Algebra in 10th grade were not considered to have completed Algebra I by the conclusion of their freshman year.

ACTION PLAN FOR STRATEGY #1:					EVALUATION
ACTIVITY	TIMELINE (Start and End Dates)	PERSON RESPONSIBLE	ESTIMATED COST	FUNDING SOURCE	INDICATORS OF IMPLEMENTATION
1. Power of M	August 2019 – June 2020	Teachers of freshman level courses	\$0	---	Student success in 9 th grade courses
2. Late buses	September 2019 – May 2020	Administration	\$15,000.00	---	Late bus student participation
3. Pairing of counselor an administration	August 2019 – June 2020	Administration and Counselors	\$0	---	Success of students graduation rate
4. Carnegie learning	August 2019 – June 2020	Algebra EOC	\$10,000.00	District funds	Student progress through program

Performance Goal Area: Student Achievement* Teacher/Administrator Quality* School Climate (Parent Involvement, Safe and Healthy Schools, etc.)* (* required) District Priority

Gifted and Talented Requires Gifted and Talented: Academic Gifted and Talented: Artistic Gifted and Talented: Social and Emotional *1 Academic Goal and 1 Additional Goal* Gifted and Talented: Other

PERFORMANCE GOAL: 12 Annually increase the percentage of high school Gifted and Talented Academic (GTA) students taking AP courses.

INTERIM PERFORMANCE GOAL: Annually increase the percentage of high school Gifted and Talented Academic (GTA) students taking AP courses.

DATA SOURCE(s):	AVERAGE BASELINE	2017-18	2018-19	2019-20	2020-21	2021-22	2022-23
PowerSchool	(2016-17) 100	School Projected	100	100	100	100	100
		School Actual 64					
PowerSchool	(2016-17) 52	District Projected	52	55	58	61	65
		District Actual 51					

The percentage represents the number of high school students that are coded A in the GT Qualified field in PowerSchool, coded as AP in the High Achieving field in PowerSchool, and enrolled in one or more AP or IB courses for the current school year out of the total high school students that are coded A in the GT Qualified field in PowerSchool.

ACTION PLAN FOR STRATEGY #1:					EVALUATION
ACTIVITY	TIMELINE (Start and End Dates)	PERSON RESPONSIBLE	ESTIMATED COST	FUNDING SOURCE	INDICATORS OF IMPLEMENTATION
1. IGP conferences – encouragement of GT students to enroll in AP courses	August 2019 – June 2020	Counselors	\$0	---	AP Enrollment
2. Enhanced AP course offerings – 23 course offerings as well as the AP Capstone Diploma Program	August 2019 – June 2020	AP Coordinator	\$0	---	AP enrollment and course offerings

Performance Goal Area: Student Achievement* Teacher/Administrator Quality* School Climate (Parent Involvement, Safe and Healthy Schools, etc.)* (* required) District Priority

Gifted and Talented Requires Gifted and Talented: Academic Gifted and Talented: Artistic Gifted and Talented: Social and Emotional

1 Academic Goal and 1 Additional Goal Gifted and Talented: Other

PERFORMANCE GOAL: 1 The school will have qualified, diverse teachers (gender and ethnicity) by 2023.

INTERIM PERFORMANCE GOAL: Meet annual targets below.

DATA SOURCE(s):	AVERAGE BASELINE	2017-18	2018-19	2019-20	2020-21	2021-22	2022-23
