

Kaplan and Greenville High Academy want to help you realize your college dreams with the SAT. With these two events, you'll be better informed about both tests and learn such things as:

- What will I need to know for the SAT?
- How important is the SAT for college admissions?
- What are my strong areas and areas of opportunity?
- How can I prepare for the SAT?

Thanks to Greenville High's partnership with Kaplan, you can take our SAT Sample Test to see how you would do on Test Day! Plus, you and your parents can pick up results and answer these questions, and so much more, by attending our Giveback Workshop.

Events will take place at Greenville High Academy, located at 1 Vardry St. in Downtown Greenville.

SAT SAMPLE TEST: Saturday, February 18, 9AM - 1:30PM. Please bring calculator, pencil, and a snack/drink. A \$10 donation will be collected at the door. Check-in begins at 8:30AM.

GIVEBACK WORKSHOP: Monday, February 27, 5:30PM - 7PM. Parents and students invited. Scores from the Practice Test will be available at this time.

Space is limited! Register today by calling our 1-800 number or by visiting the website below. We look forward to seeing you!
