

Eastside High School Athletic Department

The school district recommends that a child travel to and from activities on a school activity bus due to safety and liability concerns. If you plan to pick up your child concluding an away game, then this form must be completed and filed in the school office at least one day before game day.

Parents may only transport their own children.

Name of athlete _____

Date of Event _____

I understand that this form relinquishes school personnel and the school from the responsibility of transporting my child.

I want to pick up my child from the game.

Parents Signature _____

Date _____
