

GREENVILLE HOSPITAL SYSTEM
UNIVERSITY MEDICAL CENTER

Dear High School Student:

Greenville Hospital System (GHS) is happy to offer the 2011-2012 Medical Explorer Program for high school students! Knowing that you have an interest in a healthcare profession, we want to share the joys and rewards of a career in healthcare by inviting you to be a member of the Greenville Hospital System Medical Explorer Program.

A career in healthcare provides endless career possibilities and is one of the most broad-based service industries today. You can be a part of the services we provide to you, your families and your entire community and be part of this success right now by choosing healthcare as your career!

The purpose of our program is to give you the opportunity to learn more about health careers by participating in activities and projects with many of our own medical professionals.

We are pleased to invite you to join us at our Open House on September 22, 2011. Participating in the Greenville Hospital System Explorer Program can be a life changing decision.

When: Our **First-Night (Open House)** is **Thursday, September 22, 5:30 – 7:00 PM at the Employee Services Center located at the 701 Grove Road, Greenville Memorial Hospital campus location.**

The ***Employee Services Center building is immediately on your left corner.*** Come in main entrance and turn right from inside lobby down the hall to ***Classroom 3A/B.*** The number of members will determine room locations for future meetings.

The September meeting will acquaint you with this year’s program and give you details about future hands-on training, projects, and programs. What a great way to learn new skills and obtain educational information that just may be the first step to your life’s career!
