Sonja Howard 157 Honeysuckle Road Landrum, SC 29356 (864 895 8361)

Welcome to the Booster Club!

The Booster Club's intention is to enhance the athletic experience of your son or daughter while attending school and being an athlete at Blue Ridge. We do this by supplying uniforms for all teams on a rotation basis; this has been a long-standing honor of the BC for years.

The Booster Club recently accepted the care and maintenance of all fields and gym floors, we feel confident that in the years to come this will prove to be a constant enhancement to the programs offered at Blue Ridge and a source of pride for every student and family attached to this wonderful area of South Carolina.

There are several areas of service available and we need the help of our members to make this year successful. Please contact me to see where you can use your gifts to help the athletes of this great and good school.

With the monies raised, the Booster Club is able to meet these goals, your support financially and in volunteer time in the catalyst that moves Blue Ridge forward each and every year. We are looking forward to a great year in 11/12 and great moments to share with our family and friends.

Sincerely,

Robin Richardson
