

# Soundzabound Quick Guide

Soundzabound is a database of copyright free music available to teachers and students to use in PowerPoints, photo slide shows, movie files, podcasts or any other classroom projects. <http://www.soundzabound.com>  
Use the log in on the left – there is one log in for the district, you can get the log in from your media specialist or by calling district media services:

You can browse volumes, or browse through the general categories:

There is also space to do a general keyword search in the bottom right hand corner:

Once on the song display screen, its easy to preview and play tracks, download individual tracks, or download entire albums to use offline.

A screenshot of the Soundz Abound website showing a song display screen for 'Volume 5: Disc 1'. The page features a navigation bar with links like 'Home', 'Licensing', 'Links', 'FAQ', 'Project Examples', 'Testimonials', 'About Us', and 'Pricing & Ordering'. A 'Download Album' button is prominently displayed at the top of the track list. The track list includes columns for Genre, Track, Title, Length, Play, and Download. Annotations with callout boxes point to specific elements: 'Click here to download the entire album' points to the 'Download Album' button; 'Click here to download individual tracks' points to the 'Download mp3' buttons for individual tracks; and 'Click here play/preview tracks' points to the play button icons. The page also includes a 'Users' section with a welcome message, a 'Guided search' section with categories, and a 'Browse Volumes' section on the right. A promotional banner for 'Volume 5 Top-Trax' is also visible.
