FROM THE PRINCIPAL'S PEN

So much has happened at Grove since our return from Christmas. Teachers and students are working very hard to prepare for the upcoming PASS test. Students are SOARING each day with excellent choices in learning and behavior.

Report cards for the second nine weeks have been sent home. Students have been recognized for their accomplishments with the Principal's Honor Roll Luncheon, Terrific Kids

Congratulations to our Volunteer of
the Month for December

Patti Barker

Mrs. Barker is not only a teacher at Grove, she is also a dedicated volunteer. Mrs. Barker started the year as the PTA school liaison. She volunteered for the fundraiser, worked at PTA meetings, and stepped in whenever needed. Mrs. Barker has now agreed to accept the position of President of the Grove PTA. Thank you Mrs. Barker for all that you do for our Grove family.
