

GHS After School Tutoring 2014-2015

Tutoring Days and Subject Specific Help

Mondays
English

Tuesdays
Math and Science

Thursdays
Math and Social Studies

Tutoring information:

Greenville High School is proud to offer FREE after school tutoring every Monday, Tuesday, and Thursday in the Media Center. Students can come for assistance in any subject, any day, but we will guarantee subject specific help with certified teachers on certain days (see schedule to the left). Students do not need to sign up in advance. Use of the media center computers for school related assignments is allowed. Tutoring begins September 15, 2014 and will continue through May.
