URBAN LEAGUE OF THE UPSTATE

### FREE SAT/ACT workshops!

**When: Saturday's 9:00 AM-12: 00 PM (See Schedule Below for Specific Dates)**

**Where: University Center - 225 South Pleasantburg Dr., Greenville, SC 29607**

Enter University Center from the North end of building near theater and bank. Proceed down sidewalk between University Center and Phillips Staffing. Enter building, turn left, go upstairs and turn to 200 quadrant to the right or left for the 500 quadrant. Proceed to **ROOM 514 for Classes**.

### About the Workshops:

The first Saturday in each workshop series, students complete a FREE diagnostic SAT or ACT. Designed to simulate the actual test, the diagnostic test is timed in the same manner and offers similar questions. Students should bring a calculator and pencils.

Three to four days after the diagnostic test, students will receive the results via email. They will also be enrolled in a FREE 30-day subscription to SylvanPrep Online. This website allows students to watch video demonstrations for each question and is a great tool to help students prepare!

The second Saturday in each workshop series, a Sylvan instructor reviews test results and explains testing strategies that will help students raise their scores on the tests.
