

# Greenville Senior High Academy of Law, Finance, and Business

## *Academic Assistance Plan Program*

The program provides opportunities for students to receive academic assistance in areas of concern/need. The program will begin Tuesday, October 6, 2009.

This program is facilitated by GHS faculty, and peer tutors are provided by several school clubs. Students will be given individual assistance from their peers as well as faculty members. They will be responsible for bringing the necessary materials to tutoring. The program will meet Tuesdays and Thursdays from 3:45-4:45 at the school.

Students are responsible for their own ride home after tutoring. Please make sure you have made arrangements prior to staying.

If you have any questions or concerns, please contact Meg Thompson at 355-5545 or Andrea Thomason at 355-5557.
