Dear Dakota,

Do you think the Christmas parade will be fun? I really like your mask for the parade. I like how you added the volcano! It looks really great. I think you are a great mask-maker! I will see you at the Christmas parade on Saturday.

Dear Mrs. Gosnell,

I would love for you to visit us here at Heritage. This year our class got a new student. His name is Logan. I hope you have loads of fun when you are teaching your new class. Please come visit us here at Heritage again!

Dear Jake,

Can you please come over on Christmas break? We can play video games and Nerf wars. We can play Legos. You could bring some of your beyblades and I will use mine to battle. Why don't we shoot some basketball, also? We could play with my dogs and my cat. We can play football if you want. It will be really fun when you come over.

Dear Emily,

I really want you to come over to my house. I have awesome plans. First, we are going to play outside. Second, we are going to jump rope. Third, we will draw. Fourth, we will watch movies like the ... Polar Express and Santa Paws. While we are watching movies, we can eat popcorn and drink hot cocoa. Finally, we will wrap presents and go to bed. That is what we are going to do this weekend.

Dear Mom,

I love the third grade! We get to play a lot of games! We also go on many field trips! My favorite is going to be the Columbia field trip! I've always wanted to go to Columbia. It sounds so fun! I really miss you! I love third grade!

From,

Jake
