Course:

		A1
		A2
		A3

Course descriptions are available in the
online catalog at

<http://www.greenville.k12.sc.us/hillcrest/index.asp>.

Students without internet access may see
their counselor for a copy.

SPECIAL NOTES

Students and parents are urged to participate in the decision-making process for course selections.

The high school will make every attempt to honor students' requests; however, requesting a course does not ensure placement in that course.

Middle school students who have taken a course for high school credit may re-take the course in high school. The middle school grade will be removed from the transcript and replaced with the high school final grade, regardless of the grade earned.

Course change requests are only considered in extreme circumstances. A course change request form may be obtained from the student's counselor.

Parents are strongly encouraged to follow teacher recommendations. If a parent disagrees with a recommendation, he/she must first communicate with the teacher. If the parent wishes to pursue a course level change request, he/she may obtain an override form from the student's counselor.

Course and course level change requests will be considered before the published deadline and will be based on availability.
