

Welcome to Hillcrest High School!

We are now pre-enrolling students for the 2014-2015 school year. If your child is currently attending a Greenville County school, you do not need to pre-enroll. Students not enrolled in Greenville County schools include students from private schools, state charter schools that are not associated with Greenville County Schools, homeschool, etc.

Steps to Pre-enroll:

1. Complete the New Student Enrollment Packet. This can be found on the HHS Guidance [website](#).
2. Call the Guidance Department at 355-3519 to set up an appointment.
3. When you come for your appointment, please bring all Required Documents (listed in the Enrollment Checklist in the New Student Enrollment Packet), the completed Registration Packet (also in the New Student Enrollment Packet), the most recent transcript (if available and it may be unofficial), and the most recent report card.
4. Final grade and course placement is contingent upon receipt of the official transcript from the last school attended. We do ask that once this school year is completed that you bring a copy of your child's final report card to the guidance office. We will request official records during the summer.
