

How to register

This registration form must be completed and returned for each child who wishes to participate. Only children currently in 4th or 5th grades may take part in the classes. Due to district policy, parents and siblings will need to remain in the lobby during the classes.

An e-mail or letter will be sent to the contact information provided on the form to confirm your registration.

To register, return your form by
e-mail lthibode@greenville.k12.sc.us

or John Stover, Program Instructor, via e-mail
at jstover@greenville.k12.sc.us

Directions to Hughes Academy

From Downtown Greenville: Take Church Street (Hwy 29) to Augusta Street (Hwy 25). Turn left onto Augusta Street and head south towards I-85. Go about 2-1/2 miles and turn right onto Rice Street. School is about 1 mile on the right.

From I-85: Take Exit 46-SC 291/Mauldin Road/Pleasantburg Drive/Augusta Road exit and bear right at Exit 46-C. At the top of the exit ramp, turn towards Greenville. Continue straight and cross Pleasantburg Drive. At the next light, bear right onto Augusta Road. Go about 2 miles and turn left onto Rice Street. School is about 1 mile on the right.

Program Information

Join us for three exciting hands-on science activities at Hughes Academy of Science and Technology. All activities begin at 4:00 PM and end by 5:00 PM. There is no cost to participate. Parents will need to provide transportation. Snacks are provided for participants.

You may sign up for one, two or all three activities. Each activity is being offered twice-once on Tuesdays and once on Thursdays. Classes are limited to the first 26 students who register. Students on the waiting list will be notified as soon as possible if a slot opens up for a class. Please contact the school at 355-6224 as soon as possible if your child cannot attend.

Hughes Academy Magnet Program

If your child loves science and technology, contact us for a tour of our school. Call Lorie Thibodeaux at 355-6224 or email lthibode@greenville.k12.sc.us. The first round for magnet applications is November 1 through December 1, 2011.

Schedule of Activities

Activity #1 **PARACHUTE DROP**

Come prepared to use your engineering skills to design and build a parachute that not only catches the wind but also hits a specific target.

Activity #2 **SPOON CATAPULTS**

Get ready to hurl marshmallows at various targets using great skill, accuracy, and experimentation.

Activity #3 **GRAVITY SWING**

Explore the effects of centrifugal force as you design experiments that seem to defy the laws of gravity.

Please circle the day underneath each activity you wish to attend.

Activity #1 Parachute Drop
Tuesday, December 13, 2011
OR
Thursday, December 15, 2011

Activity #2 Spoon Catapults
Tuesday, January 10, 2012
OR
Thursday, January 12, 2012

Activity #3 Gravity Swing
Tuesday, February 7, 2012
OR
Thursday, February 9, 2012
