Mission Statement:

The mission of J. L. Mann High School is to provide each student with the opportunity to become lifelong learners by nurturing students' individuality, guiding students' learning, and challenging students to think critically through the shared involvement of teachers, administrators, parents, and community members.

Patriots Lead the Way

Educational experiences abound at Mann even outside the classroom. Our 'Project Lead the Way' program received National certification allowing for college credits for PLTW courses. Our outstanding Art Department mobilized students to win the Greenville 'Open Studios Art Award' once again. The Patriot Memorial Learning Garden is finally a reality and is truly a collaborative effort between school and community. Mann's Mentoring Program has expanded and the support establishes a true community-based partnership. Teachers continue to seek avenues for professional development with the goal of improving academic achievement on all ability levels. Our Mann parents received a National PTA Award of Excellence for Parent Involvement. And the Mann Booster Club not only unveiled a new website, but an improved email newsletter.

Congratulations J. L. Mann Students!

Academically, JL Mann continues to advance the achievement of all our students. The Class of 2010 received \$5,623,757 in higher education scholarships, recognized 25 Palmetto Fellows, 4 National Merit Semi-Finalists, 8 Sistine Scholars, 5 Presidential Scholars, and 50 AP Scholars. The SC State Department of Education awarded Mann the “Magna Cum Laude” Award for excellent performance and rapid growth on the ACT/SAT. Our staff boasts 8 Nationally Board Certified Teachers with others pursuing this certification. A comprehensive new Extra Mann Power Tutoring Program was established this year offering assistance in core subjects. Also debuting is the AP Hall of Fame, which will recognize students’ outstanding achievement on AP exams each year.

J. L. Mann's Three Key Practices for 2010-2011

1. Setting High Expectations through Literacy
2. Providing a Structured System of Extra Help
3. Involving Students and Parents in a Guidance and Advisement System

*Each leadership committee is addressing specific topics related to the 3 key practices being addressed. Each committee is developing a plan for actions necessary to implement the key practices over the next three years.

In our first year of competition in the 4A classification the Patriots have continued the winning tradition established when we were in 3-A. The girls swim team won the school's first 4-A state championship in the fall, numerous other teams won conference championships, and finished deep in their respective playoffs. Several individuals represented the school in All-State and other honor teams and over 40 student athletes signed athletic scholarships to play collegiate level sports.

Spirit Week

The 2010-2011 student body truly exemplified Patriot Pride. Efforts during Spirit Week raised \$135,686.00 for the Shriner's Hospital, the Beach Ball Foundation and Mann S.P.E.C.I.A.L.S. All monies went directly to these charities, and were raised through a variety of student-directed activities.
