

# SOUTH CAROLINA ALIVE AT 25.

May 25, 2010

Charles Mayfield  
JL Mann High School  
160 Fairforest  
Greenville, SC 29607

Dear Charles Mayfield,

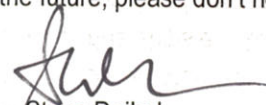

On behalf of the South Carolina National Safety Council we would like to take this opportunity to thank you for another outstanding year of partnering with you and your school. Since February 2007, South Carolina has seen a 67% reduction in teen fatalities and we attribute that directly to the partnerships established throughout our state. It is our hope, that you have experienced similar success in your own school and community.

We appreciate all your hard work, passion, and overall commitment to the issue of teen driving. As we move into the summer and another school year soon to follow, we'd like to highlight some policies that we have revamped in hopes of assisting you in handling your parent's questions in the new year.

- **Payment for Alive at 25** – Payment must be received prior to the class date to guarantee their slot in the class. Payments can be made in the form of a credit card online or by phone; otherwise money orders can be mailed to the SCNSC office.
- **Registration** – Parents/Students may register online or by phone. We close all registration at 3:00 pm the day prior to a class. At this time rosters are printed and sent to the Instructor. Walk-in's are allowed based on the availability of seats and material at the site. Anyone not registered for that date will be required to pay in order to enter.
- **Scholarships** – Students requesting assistance are asked to contact the SCNSC office, at which time they will be sent a scholarship form which must be completed and returned prior to the class date.

Once again, we applaud your efforts to date as we continue to challenge one another to do everything in our power to educate these young adults and make them aware of the dangers that face them every time they get behind the wheel. If there is anything we can do to further assist you in the future, please don't hesitate to contact us at anytime.

  
Brooke Russell  
Executive Director/COO

  
Steve Deibel  
Traffic Safety Coordinator/Alive at 25
