

LEAGUE ACADEMY PTA PRESIDENT – ANNE PETERSON

Dear League Parents,

I hope you will consider volunteering at League through your PTA. The school always has ways we can help. It is also a wonderful way to see what's going on at school and to get more involved in your child's school life.

There are some needs that are on-going, but there are also many ways you can help that require less than an hour of your time. Please consider helping! The rewards of your efforts are endless!

30 Minute Time Commitment – evenings: Greet parents and guests as they come into various concerts, performances, and open houses at the school and help sell League Spirit Wear. These are held in the evenings. You would need to be at the school around 6pm. Once the program begins you can leave or attend the program. Upcoming Dates: 12/6, 12/13, 1/10, 1/24, 2/23, 4/19, 4/24, 5/1, 5/4, 5/7. Call or email Anne Peterson (annepeterson1@charter.net or 864-346-3069).

1 Hour Time Commitment – Fridays during lunch time: We would like to sell ice tea to our students during lunch on Fridays as a little treat for them and a little fundraiser for us! We have all the items and equipment to make the tea. We are looking for someone to come in and make the tea (instructions provided), and people to sell tea outside cafeteria. You can work one lunch period or all three – your choice. What a fun way to meet our students!

Can Do At Home: We will be providing treats for our wonderful faculty and staff once a quarter. We need people who can cook goodies at home and send them to school. The next Teacher Appreciation day will be in February. Please call or contact Steffanie Martin (steffanie.martin@netzero.com or 864-236-5214).

Can Do At Home – Mixed Bag Fundraiser: This fundraiser kicks off in late March and will run for two weeks. We will need someone to enter the orders online once the order forms are turned in. Time commitment is a couple of hours and can be done at your convenience at home. Please contact Donna Coker (dbcoker@greenville.k12.sc.us or call her at the school, 351-8100).

Commitment of a little or a lot – “Techno-Tailgate Party Movie Night and Walk-a-thon”: We need committee members to help us plan and organize this fun new event which will be held March 23, 2012. How much time are we talking? We need everything from people to work a half hour shift at the event to committee members. In other words, we have a place for everyone! Please contact Anne Peterson (annepeterson1@charter.net or 864-346-3069).
