

October 6, 2014

Greetings, Prospective Magnet Students and Parents!

As principal of League Academy of Communication Arts, I would like to personally invite you to our Magnet Open House on October 28, 2014 from 5:30-7:00. We are excited to share our special school with you all! As an arts-focused school, we are proud to highlight many of our programs and initiatives. Students at League Academy have the opportunity to participate in a variety of arts programs including band, chorus, strings, dance, drama, creative use of technology and art. We offer advanced classes as well. In addition, students have the opportunity to work with teaching artists and become involved in the greater art community in Greenville County through The Peace Center for the Performing Arts and The Metropolitan Arts Council. We have an established relationship with The Fine Arts Center as well as with our feeder elementary and high schools.

At our magnet open house, you will have the opportunity to visit our school and learn more about the programs that we offer all of our students. Because the magnet open house is designed for prospective magnet students only, we will be hosting another open house for all of our rising 6th graders in January. Please visit our website and follow us on Twitter and Facebook!

We are looking forward to seeing all of you at our Magnet Open House!

Sincerely,

Mary Leslie Anderson
Principal
