The number one priority for parents is their children's well-being. More than 30 years of research has proven that children do better when their parents are involved both at home and at school. Grades and test scores climb. Self-esteem grows. Schools improve.

The cost of an individual membership is \$4.00 per person. We encourage all mothers, fathers and legal guardians to join the PTA. Membership is also open to grandparents, friends, uncles, aunts, etc. Anyone who is concerned with the education of children and youth is eligible to become a PTA member. All members are welcome to attend PTA meetings; however, attending meetings is not necessary. Check our website and future publications for information on meeting times and other planned activities.

Some of the programs that Lake Forest PTA will sponsor this year are:

Family Skate Nights	Field Day
PTA Dinners	Grandparent's Day
Fit & Fun Day	Arts Fun Day
MVP Lunch	Science Fun Day
