

LIFELONG LEARNING CHILD CARE TRAINING CLASSES

SATURDAY, February 25, 2012

\$15 for each 2.5 hour class

HEALTH & SAFETY

BLOOD-BORNE PATHOGENS

HEALTH & SAFETY TRAINING FOR CHILD CAREGIVERS

This course is designed to meet the DSS requirement for yearly instruction on blood-borne pathogens. Workshop will include important facts on blood-borne pathogens and how to protect yourself and others. Other pertinent health and safety issues will be discussed.

Instructor: Wayne Mullen

All ages

CHILD GUIDANCE

PROMOTING POSITIVE CLASSROOM BEHAVIOR

This workshop will equip the early childhood professional to effectively support the emotional well-being of toddlers and preschoolers, reducing problem behaviors and enhancing social competencies. Learn how to teach children to identify and express emotions, solve problems peacefully, calm down and manage anger, and create a caring emotional environment in the classroom setting.

Instructor: Penny Seeber

Preschool

GROWTH & DEVELOPMENT

THEORY AND CHILD DEVELOPMENT

Early childhood teachers will become familiar with the educational and developmental theories of early childhood and how they inform your practice and understanding of children. Learn how to use this information to challenge children appropriately in the classroom using the tools of different theoretical perspectives.

Instructor: Jessica Sharp

All ages

TEN THINGS EVERY TEACHER SHOULD KNOW ABOUT AUTISM

Increase your understanding of autism and how to help children in your classroom. You will learn the various sensory disorders that affect children with autism and will leave with strategies to help these children succeed in a classroom environment.

Instructor: Nell Cooper

Preschool

CURRICULUM

COOL KIDS CUISINE – COOKING WITH CHILDREN

Turn your classroom into a kitchen while creating tasty, nutritious cooking projects to help children appreciate the fabulous food we enjoy everyday while improving their math, literacy and science skills.

Instructor: Nancy Weatherly

Preschool

PHYSICAL ACTIVITY AND FUN IN THE EARLY CHILDHOOD CURRICULUM

This workshop discusses the worrying trend of childhood obesity and methods to incorporate appropriate physical activities into the classroom. An array of games and ideas will be presented that can positively influence development and lead to lifelong participation in sports and activity.

Please wear something comfortable and learn how to build a happier and healthier class!

Instructor: Gary Lynch

Preschool

HEARING CHILDREN BENEFIT FROM SINGING & SIGNING

Come learn the benefits of signing for hearing children and the benefits of signing in the classroom. Using singing and signing with hearing children activates brain growth and development! Participating in singing and signing simple songs will build your confidence in using simple sign language in your classroom to benefit all children.

Instructor: Jan Peterson

All ages
