In our efforts to improve our communication we are now offering families the option of viewing our Tiger Times newsletter in one of two different formats. You may now choose whether you would like to receive the newsletter as a paper copy or view the newsletter from your computer. If you choose the electronic option you will not receive a paper copy. Instead, you will receive an email with a link to the latest edition of the newsletter.

It is our goal to not only improve the quality of communication but also, to reduce the amount of wasteful spending on unnecessary printing.

Please return this form to your child's teacher as soon as possible.
