

**National PTA Reflections Program
2010 - 2011
Theme: "Together We Can"**

For those of you unfamiliar with Reflections, it is a nationwide arts recognition and achievement program in which all of our Northwood Middle students are eligible to participate. Although the program does follow a "contest" format, the main goal of the program is **participation**, not winning. It gives every student the opportunity to create a work of art based on a specific theme.

This year's theme is "Together We Can". There are six categories in which students may participate:

- Literature
- Musical Composition
- Photography
- Visual Arts
- Dance Choreography
- Film/Video Production

We would like to encourage every student to enter as many times as they would like. We will be offering a variety of incentives and prizes. There will be a small prize for everyone who turns in an entry by the due date.

For program rules go to the South Carolina PTA website <http://www.scpta.org> and click on Reflections Handbook in the bottom right-hand corner.

For school level judging, the short entry form below is all we need. **Please attach one per entry.**

Entries will be due ***in late October***. For any additional information please contact Mark Allen, Reflections Chair, at mallenscrowell@bellsouth.net.
