August 2011

Dear Athletes and Parents:

The School District of Greenville County has an All-Sports plan for all athletes participating in interscholastic activities in Middle School, High School, and Varsity Sports. This includes team managers and cheerleaders.

This is an excess insurance plan that pays after any other coverage you may have, according to the schedule of benefits, to a maximum of \$25,000 for each injury. If you have no other coverage, this plan pays primary according to the schedule of benefits.

Nationwide Life Insurance Company through K&K Insurance Group, Inc. will be providing this coverage and processing the claims.

High School premiums are **\$47.00** for the year and Middle School premiums are **\$27.00** for the year. You will only pay one premium regardless of the number of sports that you play. Checks should be made payable to the school where your son/daughter plays.

You are required to have this coverage if you participate in one or more sports. The coverage is for interscholastic sports only and does not take the place of school-time or 24-hour coverage for accidents unrelated to sporting events.

Coaches and Athletic Directors will be responsible for completing the school's portion of the claim form in the event of an injury. Once Part 1 of the claim form is completed parents are then responsible for having the remainder of the claim form completed by the attending physician, attaching the doctor's bill and submitting it to the address on the claim form. If you have claim questions please call **1-800-237-2917 Toll-Free**.

Thank you for your continued support.

**Parents are urged to keep this letter on file in the event of an injury during the year.**
