

Sara Collins and the Greenville Community

Since it opened in 1964, Sara Collins Elementary has enjoyed strong community support. Our volunteers, businesses, and educational partners are an essential part of our school community.

Our PTA serves thousands of volunteer hours each year. Proceeds from Freaky Friday and other fundraising events provide students with additional technology, playground and facility enhancements, and classroom support, including instructional development and materials.

Volunteer tutors and speakers reinforce basic skills, and enhance and enrich the curriculum. Middle and high school students, along with adults, volunteer for Tuesday Tutoring by reading with students before school. Other volunteers aid teachers in developing supplementary materials for the classrooms and organize and staff special events.

Business partners donate their time, services, materials, and money to enrich the lives of students. These business partners include Palmetto Family Orthodontics, Southern First, Infinity Marketing, BiLo, Frodo's, Papa John's, Zoe's, Chick-Fil-A, Firehouse Subs, and Publix. Many community members volunteer for The Amazing Shake.

JL Mann and Greenville High Schools provide Teacher Cadets who spend time in classrooms helping teachers and students. USC Upstate, Converse, Furman, Anderson, Clemson, and Bob Jones Universities assign student teachers to develop their skills in teaching while assisting us in meeting our goals.

South Carolina Report Card Rating

Primary Years
Programme

International Baccalaureate Primary Years Program

Sara Collins Elementary School was authorized as the first IB PYP school in Greenville County in 2004. We completed the five-year self-study cycles in 2007, 2012, and 2017.

The Mission of the IB program is to “develop inquiring, knowledgeable and caring young people who help to create a better world through intercultural understanding and respect.” Students learn about their own culture and beliefs, and learn to recognize others’ perspectives.

Curriculum is organized under six large themes. Students are encouraged to take responsible action in response to their learning. Students reflect on and assess their role as learners using the attributes of the Learner Profile: Inquirers, Thinkers, Communicators, Risk-takers, Knowledgeable, Principled, Caring, Open-minded, Well-balanced, and Reflective.
