How does the SUMMER CHALLENGE Work?

Please make sure the books are "just right" for your child!

1. Write the names of the books you read and get a parent to sign your form OR bring in your summer reading form from your local library.
2. Use a note card or half sheet of paper to create a postcard to Skyler telling him about one of your favorite books. Be sure to include the title and author of the book. You might want to draw a picture about your book too. Mrs. Bryan will display your postcards in the Media Center next year.
3. Bring your list and your postcard back to school by **August 29th**. This is the deadline! We will not accept any forms after **August 29th**.
4. We will celebrate with a special treat with Dr. Styles! Only students who have completed the challenge and returned their forms and postcard may participate.

SKYLAND'S SUMMER READING CHALLENGE *Summer 2014*

If you will read, you will succeed!
