

# Summer Activity Calendar.....June

Monday	Tuesday	Wednesday	Thursday	Friday
2 Read a book and create a story map.	3 Use paper clips for measuring the length of your shoe, Now use a ruler. How many inches long is your shoe?	4 Go outside and look at the clouds. Make up a story about the shapes you see.	5 Find a box for collecting summer keepsakes. Choose your first keepsake and write about it in your journal.	6. Decorate your keepsake box.
9 Survey your family members about their favorite stories. Take turns retelling them.	10 Find these things in a newspaper: price of something to eat, a street address, a phone number, and a score of a baseball game.	11 Chart the weather and temperature for the next seven days.	12 Talk about the weather. How does it effect what we wear and do?	13 Create a human sundial. Stand outside in the same spot at least 4 different times during the day. Trace your shadow. Does it change? Why or why not?
16 How are flowers, bushes and trees alike and different? Place your findings on a "T" chart.	17 Is it likely or unlikely that it will snow tomorrow? Is it likely or unlikely that you will eat today?	18 Graph the weather from your chart. If you had a garden, would you need to water your garden more or less?	19 Look at family photos together. Take turns telling the story behind the photos.	20 Create a paper bag puppet with art materials. Invite friends to join you.
23 Write a script for a puppet show. Present the show to family and friends.	24 Look for a pattern. Find the missing numbers. 5, 10, 15, 20, __, __, __ 21, 19, 17, 15, __, __, __ 4, 8, 12, 16, __, __, __ 42, 35, 28, 21, __, __, __	25 Clean dirty pennies with mustard, mayonnaise, and ketchup. Which one cleans the best? Why?	26 Hide a treasure and draw a map of its location. Host a treasure hunt with friends and family.	27 Cut two dimensional shapes out of newspaper or construction paper. Create a scene using the shapes.
30 a e e u r r s t Make as many words as you can. Have a race with a member of your family. Do you know the big word?	<i>Keep a journal to record your summer fun. Also, visit your local library frequently.</i>			

# Summer Activity Calendar.....July

Monday	Tuesday	Wednesday	Thursday	Friday
 <p><b>Greenville County Schools</b></p>	<p>1 Estimate the following items: pickles in a jar, spoons in a drawer, socks in a drawer, and cookies in a box. Count the items to see how close you were.</p>	<p>2 Play outside and observe the birds around your house. Keep count of the number of birds you observe. Draw a picture in your journal and write 5 things you observed about them.</p>	<p>3 Tell someone about the birds you observed. Describe where they make their homes. What does that tell you about your neighborhood?</p>	<p>4 Collect sticks, straw, leaves, string and mud to make a bird nest.</p>
<p>7 Ask someone to read a story to you. Retell the story. It should have a beginning, middle and end.</p>	<p>8 Gather pennies, dimes, nickels, and quarters. How many ways can you make 72¢</p>	<p>9 Find 5 living and 5 non-living objects outside your house. Record your findings on a "T" chart.</p>	<p>10 Go on a walk with your family and collect natural materials. Create a map of where you found them.</p>	<p>11 Create a collage with the natural materials from your nature walk.</p>
<p>14 What book character would you like to have as a friend? Write a story about what you would do together.</p>	<p>15 Choose the correct symbol. { &lt; &gt; = } 13 ___ 25 98 ___ 98 45-5 ___ 17 14 +5 ___ 17</p>	<p>16 Plan a trip to the zoo. What materials will you need? What will you do first, second, third, etc.</p>	<p>17 Draw a fire escape map for your house or apartment.</p>	<p>18 Create a musical instrument from household items.</p>
<p>21 Write a song about a summer activity. Perform your song using your musical instrument.</p>	<p>22 Write each number. 6 tens 9 ones 4 tens 8 ones 2 hundreds 3 tens 1 ten 7 ones 8 tens 1 one</p>	<p>23 Take an assortment of beans, buttons, and small stones and sort them by color, size or shape.</p>	<p>24 Look around your house for labels on clothing, boxes, or bags. Find labels from 5 different countries. Locate these countries on a map.</p>	<p>25 Create a puzzle by cutting up a card, post card, or magazine cover in large pieces. Take it apart and put it back together.</p>
<p>28 Write these words in alphabetical order: tree, grass, dirt, sand, rocks</p>	<p>29 Show a way to add 32 + 41. Record your findings in your journal.</p>	<p>30 Get a bucket with water and paint brush. Paint a picture on the sidewalk. How long does the picture last?</p>	<p>31. Look at the newspaper. List three things you want and three things you need for going back to school.</p>	

**Summer Activity Calendar.....August**

Monday	Tuesday	Wednesday	Thursday	Friday
 <p data-bbox="205 370 491 440"><b>Greenville County Schools</b></p>				<p data-bbox="1591 152 1896 298">1 Create a new jump rope chant. Teach it to your friends.</p>
<p data-bbox="184 454 495 753">4 If the wolf blew the house of bricks down, what would happen to the Three Little Pigs? Write a new ending to the story.</p>	<p data-bbox="533 454 852 639">5 Flip a penny 20 times. Record the results with tally marks.</p>	<p data-bbox="877 454 1205 597">6 Find a recipe for cookies. Make them with an adult.</p>	<p data-bbox="1243 454 1562 678">7 Write a letter to a faraway friend or relative. Locate their town on a map.</p>	<p data-bbox="1587 454 1906 678">8 Pick a familiar song and create movements or hand motions to go with the song.</p>
<p data-bbox="184 769 495 974">11 How are lunch boxes and lunch bags alike and different? Make a "T" chart to record your findings.</p>	<p data-bbox="533 769 852 1146">12 Write and solve: On the way home from camp, 47 children were riding the bus. 12 children got off at the first stop. 5 more got off at the second stop. How many children were left on the bus?</p>	<p data-bbox="877 769 1205 1045">13 Trace your foot. How many rocks do you need to cover the outline of your foot? How many rocks do you need to fill the outline of your foot?</p>	<p data-bbox="1243 769 1562 899">14 Draw a map showing the way from your home to school.</p>	<p data-bbox="1587 769 1906 1006">15 Plan a picnic for your family. What materials will you need? What will you do first, second, third, etc.</p>
