

Lawson FAQ: Requisition Center (RQC) Error - RQIB.1-Security Violation.

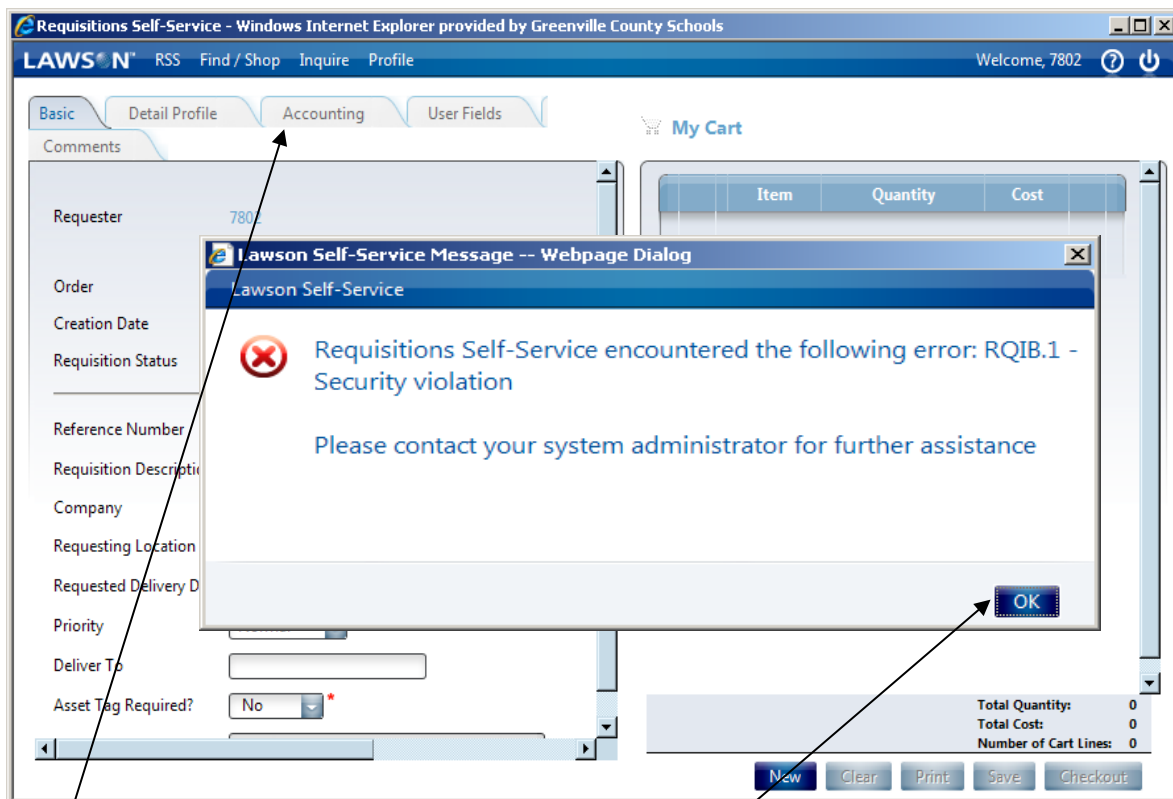

Requisition Center (RQC) Error: RQIB.1 – Security Violation.

When accessing Requisition Center → Shopping in Lawson, the user sometimes gets the following error message. This error is usually the result of an invalid/unauthorized Distribution Company and/or Accounting Unit. In order to proceed with creating the PO/Requisition, the user must do the following:

1. Click on the OK button – the error message will go away.
2. Click on the Accounting tab. Make sure that there is a valid/authorized value in the Accounting Unit and Distribution Company dropdowns.

NOTE: Even if the user simply needs to perform a Search under Find/Shop, there must be a value in the Accounting Unit dropdown.

The user can now proceed with creating the PO/Requisition.
