GREENVILLE COUNTY SCHOOLS DR. BURKE ROYSTER, SUPERINTENDENT

Scope of Action Plan: 2018-2019 through 2022-2023

School Renewal Plan Cover Page

SCHOOL NAME: Fountain Inn Elementary SCHOOL RENEWAL PLAN FOR YEARS 2018-19 through 2022-2023 (five years) SCHOOL RENEWAL ANNUAL UPDATE FOR 2019-2020 (one year)

Required Signature Page

The school renewal plan, or annual update, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) (S.C. Code Ann. §59-139-10 *et seq.* (Supp. 2004)), the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. §59-18-1300 *et seq.* (Supp. 2004)), and SBE Regulation 43-261. The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the chairperson of the School Improvement Council, and the School Read to Succeed Literacy Leadership team lead are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

Assurances for the School Renewal Plans

The assurance pages following this page have been completed and the district superintendent's and school principal's signature below attests that the school/district complies with all applicable assurances requirements including ACT 135 assurance pages.

Ye No	Developmental Screening The school ensures that the young child receives all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program normally is appropriate at primary and elementary schools, although screening efforts coultake place at any location.	
Ye No	The school provides half-day child development programs for four-year-olds (some districts fund full-day programs). The programs usually function at primary and elementary schools. However, they may be housed at locations with other grade levels or completely separate from schools.	ay

_		
0	Yes No N/A	Developmentally Appropriate Curriculum for PreK-3 The school ensures that the scope and sequence of the curriculum for PreK-3 are appropriate for the maturation levels of students. Instructional practices accommodate individual differences in maturation level and take into account the student's social and cultural context.
© C C	Yes No N/A	Parenting and Family Literacy The school provides a four component program that integrates all of the following activities: interactive literacy activities between parents and their children (Interactive Literacy Activities); training for parents regarding how to be the primary teachers for their children and how to be full partners in the education of their children (parenting skills for adults, parent education); parent literacy training that leads to economic self-sufficiency (adult education); and an age-appropriate education to prepare children for success in school and life experiences (early childhood education). Family Literacy is not grade specific, but is generally most appropriate for parents of children at the primary and elementary school levels and below as well as for secondary school students who are parents. Family Literacy program goals are to strengthen parental involvement in the learning process of preschool children ages birth through five years; to promote school readiness of preschool children; to offer parents special opportunities to improve their literacy skills and education; to provide parents a chance to recover from dropping out of school; and to identify potential developmental delays in preschool children by offering developmental screening.
© 0 0	Yes No N/A	Recruitment The district makes special and intensive efforts to recruit and give priority to serving those parents or guardians of children, ages birth through five years, who are considered at-risk of school failure. "At-risk children are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): parent without a high school graduation or equivalency, poverty, limited English proficiency, significant developmental delays, instability or inadequate basic capacity within the home and/or family, poor health (physical, mental, emotional) and/or child abuse and neglect.
000	Yes No N/A	Coordination of Act 135 Initiatives with Other Federal, State, and District Programs The district ensures as much program effectiveness as possible by developing a district-wide/school-wide coordinated effort among all programs and funding. Act 135 initiatives are coordinated with programs such as Head Start, First Steps, Title I, and programs for students with disabilities.

Introduction

Fountain Inn Elementary's Strategic Plan was developed to document the changes and progress our school has made while working to continuously increase student achievement, strengthen community relations, and offer purposeful staff development. The strategic plan provides our staff with an ongoing means for self-assessment, communication, continuous improvement, and accountability.

The categories in our strategic plan are:

- Introduction
- Executive Summary
- School Profile
- Mission, Vision and Beliefs
- Data Analysis and Needs Assessment
- Action Plan

Our strategic plan is a working document that describes Fountain Inn Elementary and includes evidence of our work. It describes our goals, plans, needs assessment based on results, and achievements. The strategic plan also describes how we build and utilize our overall school plan for the purpose of increasing student learning—our ultimate outcome.

Much of the narrative content came from evaluating our program through the AdvanceED Standards Assessment. We have continued these efforts through our Professional Learning Communities in grade level, faculty council, vertical, and leadership meetings.

All of our stakeholders have an investment in our success. With a continued focus on strong collaborative planning and excellence within the classroom, together teachers, students, and the community will continue to exceed our levels of expectation for excellence in the 21st century academic standards.

This portfolio is a reflection of who we are and how we work collaboratively for continuous improvement. We work to prepare our students to become successful citizens and productive participants in the future world!

The Staff of Fountain Inn Elementary

Executive Summary

Student Achievement Summary

Academic goals are the foundation for the delivery of instruction within the classroom. We make the necessary steps to ensure that all students are learning at their potential. After careful review of demographic data, survey questionnaire results, and student achievement data, an effective strategic plan for student achievement, complete with goals and objectives, was created. Benchmarks were identified for gains in both reading and math. Staff development activities, which include the implementation of various components of Balanced Literacy, our continual development as a PLC, are all focused on meeting students' various academic needs. The staff, Faculty Council, and SIC update the goals and objectives determined by the strengths and limitations of current data. Data is disaggregated, discussed, and priorities are established for the upcoming school year.

For the 2017-2018 school year, our school participated in SC READY testing in third through fifth grade. When looking at this data, 39.5% of students scored Met or Exemplary in English Language Arts and 53.5% of students scored Met or Exemplary in Math. The percentage of students scoring Met or Exemplary in Math exceeded the state average.

For the 2017-2018 school year, all fourth grade students participated in SCPASS Science and all fifth grade students participated in SCPASS Social Studies. In regards to the SCPASS test, 53.5% of all fourth grade students scored Met or Exceeding on Science and 74.1% of all fifth grade students scored Met or Exceeding on Social Studies. The percentage of students scoring Met or Exceeding in Social Studies was equal to the district average. The percentage of students scoring Met or Exceeding in Science and Social Studies exceeded the state average

Continual Steps Taken to Continually Improve:

Fountain Inn Elementary School continues to enhance instruction through effective program initiatives. These include:

- ❖ Working extensively with our Special Education team to create a stronger model for delivery of services including inclusive and resource services. We are working closely with the district to implement a program that will meet the needs of our special education students including ability grouping, direct teaching, and using a modified curriculum.
- ❖ Ongoing evaluation of technology. Promethean boards are located in every instructional classroom. All 2nd-5th grade students have a Chromebook for their Personalized Learning device. All kindergarten and first grade classrooms have Chromebook centers. All teachers also have an iPad with access for our students.
- ❖ Continual development of ourselves as an effective PLC, including the use of common assessments, common grading practices, and the use of effective instructional strategies in the classroom.
- ❖ A plan for purposeful, differentiated, and meaningful staff development.
- * Training and Implementation of specific components of the Balanced Literacy Program.
- Ongoing evaluation of the strategic five-year school plan.

Teacher and Administrator Quality Summary

Over half of our staff, 62%, holds advanced degrees. We have one teacher with National Board Certification. According to the 2018-2019 state report card, 100% of classes are taught by highly qualified teachers. Ongoing, quality staff development is utilized to maintain a strong Professional Learning Community. We have completed our eighth year striving to serve as a PLC. We will continue to participate in book studies, address issues pertaining to professionalism, develop common assessments, and analyze formative assessment data to guide instruction. Staff development is designed to help teachers maintain highly qualified certification and to continue to grow as a professional educator. Continued professional development focused on technology is provided to help teachers be "technology proficient" by the State Department.

School Climate Summary

According to our teacher, student, and parent survey data from the 2018 school report card, 92.3% of teachers, 82.8% of students and 88.3% of parents are satisfied with the learning environment. We will continue to provide and seek out ways to create a school culture that cultivates and celebrates student growth and learning. In regards to school-home relations, 76.9% of teachers are satisfied, which was the lowest percentage concerning our school climate. We will continue to work to improve communication, increase participation, and help parents be an integral part of their child's education.

Significant Challenges

One of our significant challenges from the past three years has continued to be reaching all abilities of the learning spectrum in the classroom. We strive to look for ways to lessen the gaps for our subgroups, as well as challenge our high-performing students. Standardized assessments, such as SC READY, SC PASS, and MAP testing, present challenges associated with maintaining and exceeding student past performance.

As of 2016-2017, we have identified two staff members, one at the primary level and one at the intermediate level, to serve as our building Literacy Mentors. These teachers will pave the foundation for building future school-wide reading practices. Additionally, we have hired a full-time Literacy Specialist and a part time RTI teacher to help support and grow literacy practices across classrooms. Additionally, all teachers are regularly meeting with leveled reading groups to meet individual student's literacy needs. Our staff is committed to continuous professional growth in order to improve reading instruction, which in turn will improve student performance within literacy and across all other content areas.

Another significant challenge is continuing to fund positions to support classroom instruction, such as a computer lab teacher and a full time RTI Interventionist. We continue to explore ways to use funding to support our students' learning. The ongoing need for technology upgrades, as well as current staff development in all aspects of the curriculum, pose significant challenges. We strive to grow professionally as life-long learners within a PLC. Though these challenges are present, we are

committed to excellence and providing the best environment for our students to grow and develop into productive citizens.

Awards and Accomplishments

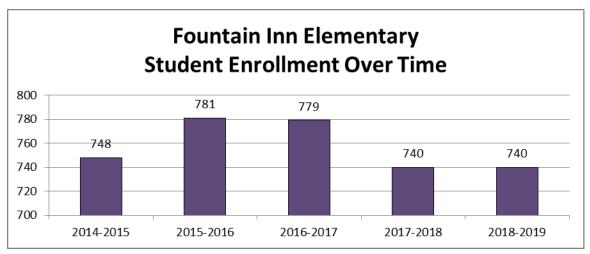

Fountain Inn Elementary has established itself as a Professional Learning Community where teachers are committed to a collaborative process for teaching and planning. Our staff is engaged in on-going staff development for increasing their level of effectiveness in the classroom. Collaborative planning and the use of common assessments are in place across all grade levels and curriculum areas. Data analysis assists our teachers in developing rigorous lessons that will support our high expectations for student growth.

Our students are positively influencing our community. Opportunities such as the National Junior BETA Club offer our students the ability to serve others inside and outside of our school. We maintain select Positive Behavior and Intervention Supports, along with utilizing our strong guidance department to build students of character. Fifth grade students have the opportunity to apply and interview to be a part of the FIE Morning News Show. This select group produces and directs the show live on a daily basis. Fourth and fifth grade students participate in leadership opportunities that are offered through our Student Council. Our school has also been recognized with the SC Safe Routes to School award, as well as the South Carolina Safe Kids School award.

School Profile

Fountain Inn Elementary and its Community:

Fountain Inn Elementary is a kindergarten through grade five public school built in 1998. It is one of fifty-two elementary schools in the School District of Greenville County. Fountain Inn Elementary is located in Fountain Inn, South Carolina. Fountain Inn Elementary serves a community of urban, rural, and agricultural areas. It has been fully accredited by the regional association and is a deregulated school. Originally built in 1939, the new facility was completed in 1998. There are forty-two classrooms, as well as two art rooms, music room, science lab, gymnasium, media center, and computer lab. Twelve additional classrooms and a multi-purpose room were added during the spring of 2007. Fountain Inn is now home to 740 students and fifty-three instructional staff members. This year, 2018-2019, is the seventy-ninth year of Fountain Inn Elementary's existence.

Fountain Inn Elementary has the following current enrollment configuration by grade level:

Grade K3 & K4 = 53

Grade K5 = 117

Grade 1 = 115

Grade 2 = 98

Grade 3 = 115

Grade 4 = 104

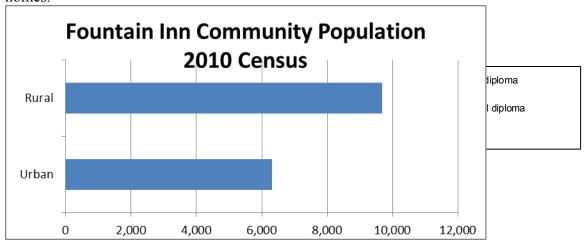

Grade 5 = 138

Total Students: 740

Our school population has stayed within 740-790 over the past five years. It is imperative that we are aware of the ongoing changes throughout Fountain Inn as the town continues the revitalization process in an effort to impact our students and community.

Fountain Inn Community

The Fountain Inn Community reflects the growing national trend toward an increase in the number of single-parent families, families where both parents are working, or families where neither parent is working. This has been further compounded by the current economic conditions. According to the 2010 census for the Fountain Inn zip code of 29644, the population of 15,980 people is divided into two areas: 6,308 from urban areas and 9,672 live in rural areas. The educational level of our community is quite diverse. Approximately 1.5% of the population does not have a high school diploma; 81.3% of the population only has a high school diploma; and only 17.2% of the population has a Bachelor's degree or higher. Approximately 25% of the population consists of single parent households. According to the 2010 Census, 13.5% of the households reported are living below the poverty level in Fountain Inn as shown in the graphs below. This affects the quality of educational resources available to students in their homes.

Local Leaders

Fountain Inn's Mayor, Sam Lee, is a Charleston native who moved to Simpsonville in 1993 and Fountain Inn in 2007. Mr. Lee is a licensed HVAC contractor, a licensed realtor, and member of the National Association of Realtors. He was elected to Fountain Inn City Council in November 2015. He, along with other city leaders, is presenting a progressive style of leadership that fully embraces the community of Fountain Inn to build it into the greatest city it can be.

Parental Involvement and Community Business Partners

School Improvement Council (SIC) meets monthly to review school decisions and policies and offer advice towards meeting our school goals. SIC includes the Principal, Assistant Principal, two teachers, a PTA representative, two parents, and two community/ business members. PTA Board meets monthly to discuss school improvement and projects for the school. The PTA Board includes the President & Vice-President, Treasurer & Secretary, Teacher Liaison, and Ways and Means Chair. Many in the business community have reached out to Fountain Inn Elementary for ways to help the school in meeting the needs of the students and teachers. They have offered incentives for both students and teachers as well as services to enhance the overall program.

School Leadership

Mrs. Stephanie Reese is in her first year as Principal of Fountain Inn Elementary School. This is her 18th year as a school administrator and her 26th year in education. She holds a Masters Degree in School Supervision.

Mrs. Sharon-Marie Smith is in her fifth year as Assistant Principal at Fountain Inn Elementary. This is her 20^{th} year as an educator. She holds an Honor's Degree in Elementary Education and a Master's in School Leadership and Administration.

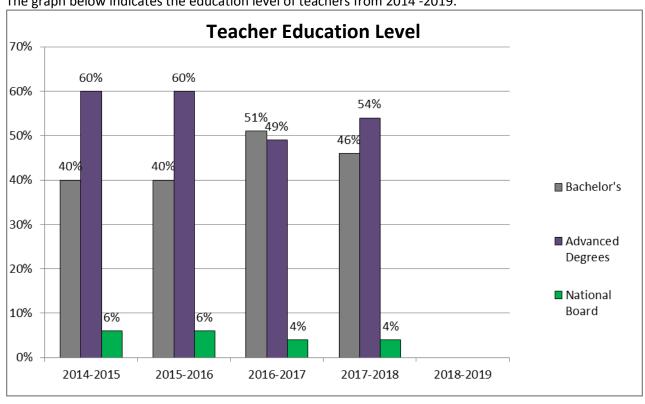

Fountain Inn Elementary and its Staff

The staff at Fountain Inn Elementary School includes: 1 principal, 1 assistant principal, 1 instructional coach, 1.5 guidance counselors, 1 mental health counselor, 36 classroom teachers, 2 self-contained special education teachers, 2 resource teachers, 1.5 speech teachers, 1 media specialist, .3 challenge teacher, 1 media clerk, 5 kindergarten aides, 2 K-3 aides, 2 K-4 aides, 4 special education resource self-contained aides, 1.2 music teachers, 1.2 physical education teachers, 1.2 art teachers, .5 RTI interventionist, and 1 Literacy Specialist. The number of years of teaching experience, by grade level, is shown below for Instructional Teaching Staff:

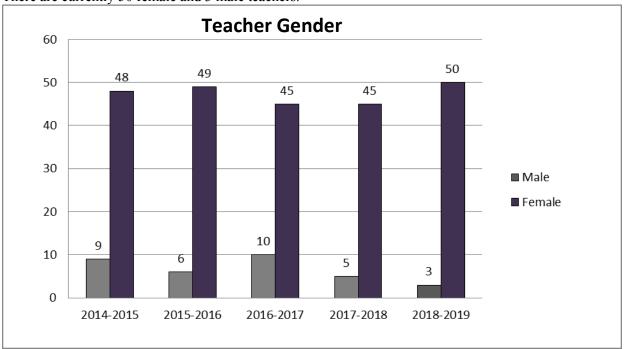

Years of Teaching Experience by Grade Level 2018-2019 School Year

	Years of Teaching Experience					
Grade Level	0-5	6-10	11-15	16-20	21-25	26+
Pre-K/K5		3	1	4		
1		2	3	1		
2				2		2
3		1	2		2	
4	1	1	1		1	
5	3	2				
Special Ed.	2	2				
Related Arts		2	2			
Support Services	1	2	3	1		1
Instructional Leadership			1	1	1	1

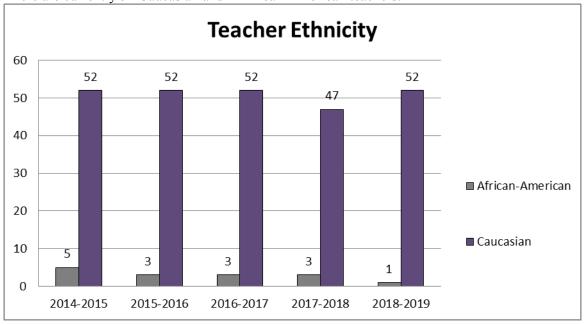

Fountain Inn Elementary is centrally located near numerous colleges and universities where continual educational programs are available and accessible. This accessibility provides teachers with the resources to enhance their professional knowledge, and continually upgrade their teaching throughout the year. Staff development programs are based on a review of data and survey results to determine the areas of instructional needs for our staff. The graph below indicates the education level of teachers from 2014 -2019.

There are currently 50 female and 3 male teachers.

There are currently 52 Caucasian and 1 African-American teachers.

Additional personnel include the secretary, two attendance clerks, six custodians, and six food services workers. Five bus drivers also provide services to students. Other support personnel available to assist in meeting the needs of Fountain Inn Elementary students include the district psychologist and two school nurses.

Counseling and Other Student Support Services

Students at Fountain Inn Elementary receive a high level of support services from an outstanding staff. Susan Pritchett and Julie Bridges, our school counselors, provide a comprehensive, developmental guidance program for all students. Direct services include classroom guidance lessons, small group sessions, and individual counseling. As needed, the counselor provides crisis intervention for members of the school community. Indirect services include consultation with parents, teachers, and administrators. The program assists students' growth in three major areas as defined by the state. They are: 1) Learning to learn (academic development), 2) Learning to work (career development), and 3) Learning to live (personal/social development).

Brenda Lipe, our school's site-based Mental Health Counselor, works daily with our school to increase partnerships within our school and community that promote emotional health. Her position is funded by the S.C. Department of Mental Health and has a mission of identifying and intervening at early points in emotional disturbances and assisting parents, teachers, and counselors in developing comprehensive strategies for resolving these disturbances. School-based services include individual, family, and group counseling as well as crises intervention and psychiatric consultation as needed. These programs are non-stigmatizing and easily accessible to children and their families in the Fountain Inn Community.

Safety, Cleanliness, and Adequacy of School Facilities

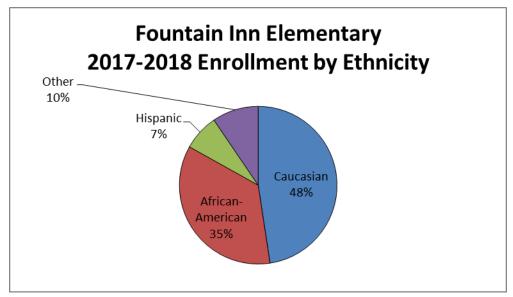

Fountain Inn Elementary and the district are both committed to having a safe and clean environment for learning. At the site level, there is an emergency preparedness plan. Regular fire and emergency drills are held. Planning for various potential emergencies is done in coordination with regional agencies, with the district, and school plans stressing student safety first.

Fountain Inn Elementary was provided with a community officer who have an office at FIE and work with staff to provide a safe environment for our students. Safety Patrol, originally sponsored by the police department, is now coordinated and supervised by adults in our building.

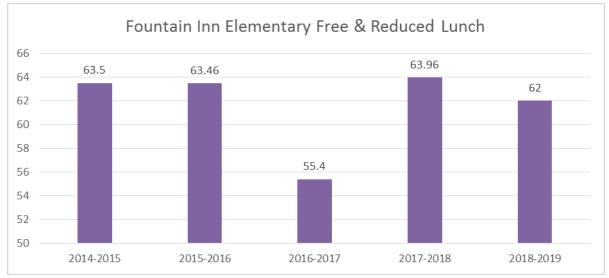

Specific safety concerns regarding buildings and grounds at the school site are handled by both the maintenance department and site custodians or utility workers assigned to site duties. Our professional staff includes one plant engineer and five custodians who perform basic cleaning operations in every classroom every day.

Fountain Inn Elementary and its Students:

The total enrollment of Fountain Inn Elementary School is 740. At present, the student enrollment at Fountain Inn Elementary is composed of 7.4 percent Hispanic, 47.6 percent Caucasian, 35.5 percent African-American, and 9.5 percent "Other", as shown in the pie chart below. The population served by Fountain Inn Elementary has remained consistent with no significant shifts in demographics of ethnic groups over the past years.

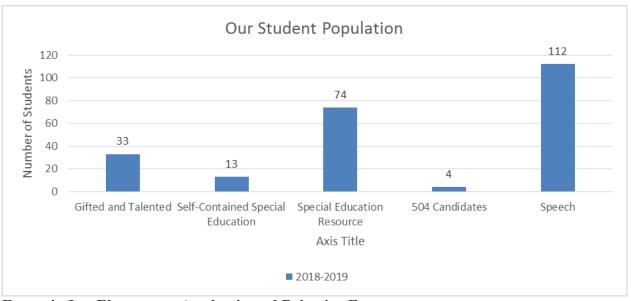

Fountain Inn Elementary currently has 62% of its students qualify for free and reduced priced meals. As shown in the graph below, the percentage of free and reduced lunch has remained relatively constant since 2014-2015.

The student population is comprised of students with 4 home languages. These languages, in order of student enrollment are English, Spanish, Micronesia, and Hmong. Fountain Inn Elementary has several funded programs which focus on helping "at risk" students and the special needs of all students. This assistance is provided by having specialized instruction during the school day.

Fountain Inn Elementary has identified 31.89% of its population this year as special needs students. There are 33 students in the gifted and talented program, 13 students assigned to self-contained special education classes, 74 students in special education resource classes, and 112 speech students. There are 4 students on a 504 plan.

Fountain Inn Elementary Academic and Behavior Features:

Fountain Inn Elementary School offers a variety of academic programs and accommodations to meet student needs. Data is utilized to determine needs of students and effectiveness of models. The following are academic and behavior features of FIE:

Measures of Academic Progress (MAP) - The Measures of Academic Progress (MAP) test is an additional resource for assessment in Greenville County. This computerized system of testing was administered once this year with second and fifth grade students in both reading and mathematics at Fountain Inn. MAP correlates with national and state curriculum standards, and is nationally norm-referenced. The difficulty of each test adjusts to each individual student's performance, meaning if a student answers a question correctly, the next question will be more difficult and vice-versa. After a student completes a test, the program reports the student's equal-interval RIT score. MAP results are regularly being used in the schools as one of several data sources for curriculum decisions, student placement, and parent conferences. As MAP testing continues, the results will increasingly be used to help assess students' academic achievement and in district planning.

Assistance Team (A-Team) - The A-Team, chaired by our Assistant Principal, meets monthly to address students with learning problems not resolved by classroom accommodations. Members may refer students for possible psychological evaluations. This purpose of this team is to explore interventions and strategies to put into place for the purpose of serving the student. If students qualify based on the psychological testing provided by our district, students will then enter into the inclusive resource program or self-contained resource program.

Reading Intervention - Reading instruction is supported in kindergarten through 3^{rd} grade with reading intervention utilizing three positions: one full-time RTI/Reading Recovery Teacher, one full-time Literacy Specialist, and one part-time RTI Teacher. All kindergarten and first grade students, as well as students deemed at-risk or below grade level in $2^{nd} - 5^{th}$ grade, are screened three times a year with FASTbridge. Students who score in the high-risk area are targeted and provided with 30 additional minutes of reading intervention daily. High-risk kindergarten students are supported through small

group intervention using Fountas and Pinnell's Leveled Literacy Intervention (LLI) orange literacy system. The lowest performing first graders receive support through Reading Recovery one-to-one intervention. The remaining first grade high-risk students receive small group instruction with the LLI green literacy system. Second and third grade students who have been identified as high risk receive small group instruction using the LLI blue literacy system. Fourth and fifth grade high-risk students receive small group instruction using the LLI red literacy system. Student progress is monitored through running records and FASTbridge every 2-3 weeks throughout the school year.

Fountas & Pinnell - All teachers have been trained to implement the Balanced Literacy Language Arts model in the classroom. This program measures proficiency in reading and promotes small group instruction. The Fountas and Pinnell Benchmark Assessment System is used to evaluate reading progression as students increase their reading achievement. A measurement is taken three times a year. All staff has successfully implemented the Fountas and Pinnell leveled reading groups within their classrooms. Teachers regularly meet with leveled reading groups to meet individual student's reading needs.

Character Education - The character education program is designed to increase positive behavior in the school. Included in Character Education is Terrific Kids (each nine weeks). Our program uses some components of the PBIS intervention program. This program teaches our students that "We are All on One Team." At Fountain Inn, We: Treat others with respect, Encourage others to do their best, Accept Responsibility, Make good choices. Whole classes are rewarded by earning puzzle pieces for a class incentive, while individual students are rewarded with Dojo points or with punches on their cards for individual incentives.

MVP – Five times per year, classroom teachers identify one student per class as their MVP. The teacher writes a special message about this student to share with administrators, as well as their family. The MVP students get to eat lunch with administrators, have their picture displayed in the school lobby, and listen to a positive phone call made to their parents by the Principal or Assistant Principal.

Lucy Calkins Writing - This writing program emphasizes the craft of writing through daily minilessons, and it encourages independent writers through Writers Workshop. Teachers also follow the provided district pacing guide to strengthen students' writing skills throughout the year.

Technology Integration - Instructional staff members (Kindergarten through fifth grade) are trained to utilize Promethean Boards, ActiveExpressions, ActiveVotes, iPads, ActiveSlates, and Hues to incorporate technology into daily instructional delivery and student engagement. Our staff has also participated in a series of Google Apps for Education training, Discovery Ed training, as well as other technology tools to assist with effectively utilizing Google Chromebooks to support and extend student learning. We began implementing Personalized Learning with Chromebooks in grades 2-5 during the 2017-2018 school year.

STEAM – We are striving to become a STEAM school. Our staff has participated in a series of professional development opportunities to effectively implement PBL practices. We continue to provide ongoing staff development to assist with effectively implementing STEAM strategies and practices to support and extend student learning.

Data Tracking - We continue to provide staff development focused on instruction strategies and best practices to implement within the classroom. As a school, we are tracking student's progress in setting goals for Fountas and Pinnell reading levels, MasteryConnect Benchmark assessments, FastBridge, and common formative assessments.

PLC (Professional Learning Community) - We continue to provide ongoing staff development for maintaining ourselves as a strong Professional Learning Community. Over the past nine years as a PLC, we have participated in numerous book studies, addressed issues pertaining to professionalism, developed common grade-level assessments, and utilized a consistent grading system for our school.

After-School Activities

Fountain Inn Elementary supports after-school programs that service many of the students attending the school. These programs include: Good News Club, Junior Beta Club, Safety Patrol, Chorus, and the After-Care Program. FIKE is also a local free after-school and mentoring center for our students in the community of Fountain Inn.

Classroom Discipline/Learning

Fountain Inn Elementary provides a disciplined, but stimulating, learning climate for students. This climate for learning is enhanced with parental involvement. Parents are encouraged to become involved in school communities and councils, to help with homework, and to encourage and honor their child's successes. Daily instruction directly aligns with our state academic standards and district curriculum support.

Student discipline is the responsibility of all Fountain Inn Elementary staff members. A major goal is to provide a positive climate for learning in order to assure student achievement, enhance self-esteem, and develop positive social behaviors. To reach this goal, Fountain Inn Elementary offers many opportunities for student participation and recognition. Our school's Positive Behavior Intervention Support (PBIS) strategies assist us in promoting positive behaviors and minimizing negative outcomes.

At Fountain Inn Elementary, "We are all on one TEAM." "TEAM" stands for <u>Treat Others with Respect, Encourage Others to do Their Best, Accept Responsibility, and Make Good Choices.</u>
Expectations are clear throughout the school and home. School rules and consequences are posted in every room and additional areas throughout the school. Students are rewarded for following the "TEAM" acronym individually and as a class. Students are encouraged and expected to maintain appropriate behavior at all times because disruptions interfere with learning. Student handbooks and other information about school and classroom rules are distributed and discussed on a regular basis.

Mission, Vision, and Beliefs

The Mission of Fountain Inn Elementary:

Illuminating minds. Unlocking potential. Orchestrating greatness.

The Vision of Fountain Inn Elementary:

Fostering a community that Flourishes, Inspires, and Excels.

The Beliefs of Fountain Inn Elementary:

- A positive community of learners and leaders
- All community members can and will learn
- Professional learning community
- Collaborative learning environment
- High expectations aligned with rigorous instruction
- Data driven instruction
- Student centered learning
- Foster empathy and mutual respect in all relationships

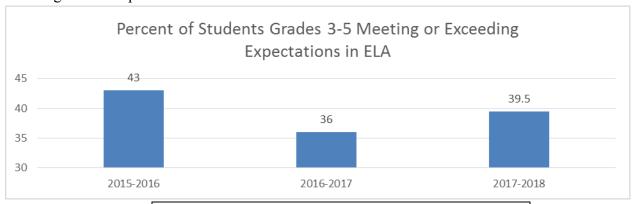

Data Analysis and Needs Assessment

Student Achievement Needs Assessment:

Data Source: SDE School Report Card Website

SC READY Analysis for 2017-2018

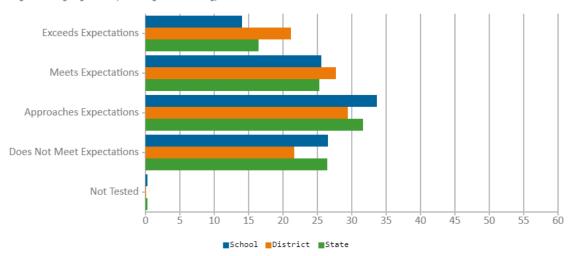

Each year, students in third through fifth grades at the elementary level took this standardized assessment. The scoring categories included the following SC READY Levels: Exceeds Expectations, Meets Expectations, Approaches Expectations, Does Not Meet Expectations. School performance, as well as grade level performance is below.

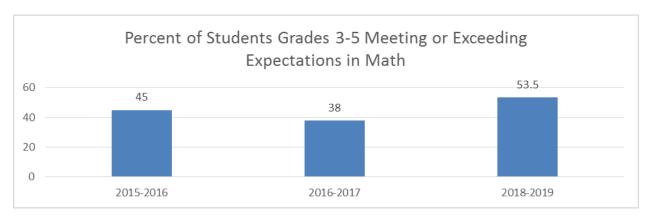

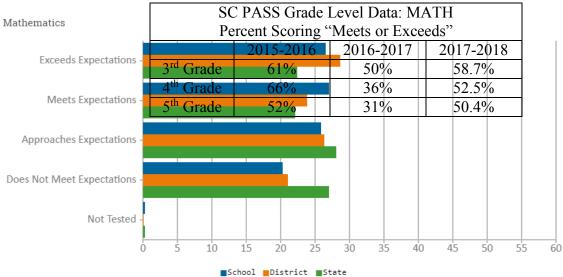

SC PASS Grade Level Data: ELA						
Percent Scoring "Meets or Exceeds"						
	2015-2016 2016-2017 2017-2018					
3 rd Grade	51%	36%	39.4%			
4 th Grade	51%	38%	43.4%			
5 th Grade	38%	33%	37%

SC PASS Analysis for 2017-2018

Each year, fourth and fifth grade students take the South Carolina Palmetto Test of State Standards (SC PASS). This standardized test measures the students' achievement with regards to our state standards. Students can exceed the standard, meet the standard, or not meet the standard. The graphs below show the percentage of students at Fountain Inn Elementary that either met or exceeded the standard in Science and Social Studies for the past three years.

SC PASS Grade Level Data: SCIENCE						
Percent Scoring "Meets or Exceeds"						
2015-2016 2016-2017 2017-201						
4 th Grade 60.8% 43.2% 53.5%

Science	%	%	%	%			
Social Studies	%	%	%	0/0			

Student Achievement Summary

What the Data Tells Us:

Since the 2017-2018 SC READY data serves as baseline data, we can only compare our performance to Greenville County schools, elementary schools like ours, and statewide. In comparison to these three areas in ELA, we performed below Greenville County Schools, similar to schools like ours, and slightly below the state. We performed above in all three areas in Math.

The review of SCPASS 2017-2018 data shows an increase in the percentage of students scoring met or above in science and in Social Studies. We performed slightly below the district in science, but above the state. We performed equally with the district in social studies and above the state.

With the continued implementation of MAP testing, Measurements of Academic Progress, we will disaggregate and identify specific weaknesses in student's learning and develop strategies for enhancing instructional practices through differentiated instruction and spiral review of concepts.

Next Steps:

In order to increase student achievement, we will plan to----

- continue to examine and monitor student progress and results as identified through MAP and
- standardized testing.
- continue to implement quality tools and best practices such as the use of the Learning
- Continuum associated with MAP Testing.
- provide ongoing, quality staff development based on our needs assessment.
- implement Lucy Calkins writing program K-5, offering additional support to all instructional
- staff in the process of writing.
- align our yearly goals to reflect on assessment data.
- facilitate Personalized Learning with one to one devices in grades 2-5
- give priority scheduling for Special Ed students.
- continue to offer intervention support in reading in grades K-5.
- utilize district supported curriculum with all students.
- support teachers in the implementation of the Fountas & Pinnell Balanced Literacy Program.
- provide support to teachers in the use of state standards.
- learn and implement research-based instructional practices as mentioned in Robert Marzano's work

Teacher and Administrator Quality

Greenville County Schools uses the Performance Assessment for Teachers (PAS-T) as the model for our teacher evaluation. The PAS-T model is a South Carolina State Department approved model of teacher evaluation and is a modified form of ADEPT. This model provides assurance that schools are staffed with competent professionals who possess the knowledge and skills necessary to meet the needs of all students. ADEPT stands for Assisting, Developing, and Evaluating Professional Teachers and is the state regulation for supporting and evaluating teachers at all contract levels. In the ADEPT/PAS-T system, there are different levels of support and evaluation. These levels are based on the contract the

teacher holds. There are three types of contracts issued to teachers: induction, annual, and continuing. First year teachers are given Induction Contracts.

Teachers can also be issued an Annual or Annual Diagnostic Assistance (ADA) Contract. Teachers holding an Annual Diagnostic Assistance contract are in many cases those teachers who have never taught in South Carolina before and come to Greenville County Schools with at least two years of successful experience from out of state. Some teachers are given an ADA contract because they may need an additional year of support prior to a formal evaluation year. Teachers in their second year of teaching or those teachers, who held an ADA contract the previous year, are formally evaluated using the PAS-T model for Teacher Evaluation. In this formal evaluation process, a three person team works together to evaluate the Annual Contract Teacher. Continuing Contract teachers are placed by their administrator in a cycle of evaluation. Continuing Contract teachers in cycles one and two are informally evaluated using the PAS-T model. Teachers in cycle three receive a summative evaluation of their performance at the end of their cycle three year.

In compliance with the state, all teachers are participating in goal-setting through creating Student Learning Objectives (SLOs). They track data, progress monitor through formative assessments, and reflect on each individual student's performance and growth.

Overview of the Performance Assessment System for Teachers (PAS-T)

The PAS-T System has 8 Performance Standards. Each Performance Standard contains Performance Indicators that identify the key points in each of the standards.

- 1. Knowledge of Curriculum, Subject Content, and Developmental Needs
- 2. Instructional Planning
- 3. Instructional Delivery
- 4 Assessment
- 5. Learning Environment
- 6. Communication
- 7. Professionalism
- 8. Student Achievement

Each Performance Standard is rated on a four-point scale.

- Exemplary: High quality performance that exceeds the requirements contained in the job description as expressed in the evaluation criteria.
- Proficient: High quality performance that meets the requirements contained in the job description as expressed in the evaluation criteria
- Needs Improvement: Minimal performance which requires assistance in order to produce high quality results
- Unsatisfactory: Performance has not met the requirements contained in the job description as expressed in the evaluation criteria

We believe in providing teachers and staff members with quality professional development to support school goals. Our professional development plan is developed with input from all stakeholders in order to promote a community of professional learners. Our professional development calendar consists of workshops, book studies, small group sessions based on interest/need, and grade level trainings with the instructional coach and administration. The district requires each teacher to participate in a minimum of

24 hours of professional development per year. At the school level, we provide teachers with a minimum of 12 of those hours.

Professional Development Calendar For School Year 2018-2019

Instructional Coach at Fountain Inn Elementary School

Title	Presenter	Description	Date	Time	Number Attended	Targeted Group	Correlation to School Goals
PLC Collaboration	Reese Smith West Lawlor	Grade level collaborations focused on instructional practices, academic updates, instructional strategies, and student data	Weekly	During PLC	40	FIE Staff	Goal 1,2,&3

School Climate Needs Assessment

Data Source: SDE School Report Card Website

SCHOOL PERCEPTIONS

The survey data below is recorded from the Annual School Report Card from the State of South Carolina. Evaluations are presented from teachers, fifth grade students, and parents of fifth grade students. School climate is recognized as a significant factor related to student achievement. Survey results from 2018 are recorded below.

Survey Data from the Annual Report Card Survey – Teachers								
	2014	2015	2016	2017	2018			
Satisfied with learning environment	89.1	98	100	92.3				
Satisfied with social and physical environment	95.5	98	92.6	92.3				
Satisfied with home-school relations	86.9	96	96.3	76.9				

Survey Data from the Annual Report Card Survey – Students								
	2014	2015	2016	2017	2018			
Satisfied with learning environment	100	89	83.4	82.8				
Satisfied with social and physical environment	98.2	85	88.6	85.1				
Satisfied with home-school relations	98.2	90	87.5	83.9				
Survey Data from the Annual Report Card Survey – Parents								
	2014	2015	2016	2017	2018			
Satisfied with learning environment	92	88	90.8	88.3				
Satisfied with social and physical environment	91.5	83	92.6	83.7				
Satisfied with home-school relations	79.2	63	73.6	83.7				

According to our 2018 results, two of the three areas of the teacher survey experienced a decline. All three areas on the parent and student surveys experienced a decline. We will continue to explore and enhance strategies to improve and increase communication, as well as involvement, with our parents and community.

Action Plan

Performance Goal Area: ☐ Student Achievement* ☐ Teacher/Administrator Quality* ☐ School Climate (Parent Involvement, Safe and Healthy Schools, etc.)* (*
required) District Priority
Gifted and Talented Requires Gifted and Talented: Academic Gifted and Talented: Artistic Gifted and Talented: Social and Emotional 1 Academic Goal and 1
Additional Goal Gifted and Talented: Other
PERFORMANCE GOAL: 1 The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase from 36 % in 2016-17 to
61 % in 2022-23.
Per SBE Regulation 43-261, measurable performance goals, written in five-year increments, shall be developed to address the major areas of discrepancy found in
the needs assessment in key areas reported in the district and school report cards.
INTERIM PERFORMANCE GOAL: The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase by 5 % annually.
