SCHOOL RENEWAL PLAN COVER PAGE

SCHOOL NAME: Lake Forest Elementary

SCHOOL RENEWAL PLAN FOR YEARS 2018-19 through 2022-2023 (five years)

SCHOOL RENEWAL ANNUAL UPDATE FOR 2021-2022 (one year)

Required Signature Page

The school renewal plan, or annual update, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) (S.C. Code Ann. §59-139-10 *et seq.* (Supp. 2004)), the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. §59-18-1300 *et seq.* (Supp. 2004)), and SBE Regulation 43-261. The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the chairperson of the School Improvement Council, and the School Read to Succeed Literacy Leadership team lead are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

Assurances for the School Renewal Plans

The assurance pages following this page have been completed and the district superintendent's and school principal's signature below attests that the school/district complies with all applicable assurances requirements including ACT 135 assurance pages.

ASSURANCES FOR SCHOOL RENEWAL PLANS

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all federal and state applicable statute and regulation requirements, including those listed.

Early Childhood Development and Academic Assistance Act (Act 135) Assurances

[S.C. Code Ann §59-139-10 *et seq.* (Supp. 2004)]

x **Academic Assistance, PreK–3**

The district makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

x **Academic Assistance, Grades 4–12**

The district makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

x **Parent Involvement**

The school encourages and assists parents in becoming more involved in their children’s education and will make special efforts to meet with parents at convenient times, provide parents with their child’s individual test results, interpretation of the results, and information on the district’s curriculum and assessment program. The school will encourage frequent communication between home and school, thus providing more opportunities for parental participation. The school will make efforts to designate space for parents to access educational resource materials. Part of the principal’s and superintendent’s evaluation may include parental involvement expectations. The school will make efforts to provide parents with information pertaining to expectations held for them by the school system, such as ensuring the attendance and punctuality of their children.

x **Staff Development**

The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised *Standards for Staff Development*.

x **Technology**

The district integrates technology in professional development and classroom instruction in order to improve teaching and learning.

N/A **Innovation**

The district funds innovative activities to improve student learning and accelerate the performance of all students.

x **Collaboration**

The district (regardless of the grades served) collaborates with health and human services agencies such as county health departments, social services departments, mental health departments, First Steps, and the family court system.

x **Developmental Screening**

The district ensures that students receive all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program is primarily at primary and elementary schools although screening efforts could take place at any location.

N/A **Half-Day Child Development**

The district provides half-day (and sometimes full-day) child development programs for four-year-olds. The programs primarily operate at primary and elementary schools, may be at locations with other grade levels, or be located in a completely separate school.

x **Developmentally Appropriate Curriculum for PreK–3**

The district ensures that the scope and sequence of the curriculum for PreK–3 is appropriate for the maturity levels of students. Instructional practices accommodate individual differences in achievement levels and take into account the

student's social and cultural context.

N/A **Parenting and Family Literacy**

The district provides a four-component program for parents and children that integrates all of the following activities: interactive literacy activities between parents and their children; training for parents to be partners in their children's education; parent literacy training in economic self-sufficiency through adult education; and age-appropriate education to prepare children for success in school and life experiences. Family Literacy is not grade specific, but is generally most appropriate for parents of children at or below the primary and elementary school levels, and secondary school students who are also parents. Family Literacy program goals are to strengthen parental involvement in the learning processes of preschool children ages birth through five years; promote school readiness of preschool children; offer parents special opportunities to improve their literacy skills and education; provide parents educational opportunities; and identify potential developmental delays in preschool children through developmental screening.

x **Recruitment**

The district makes intensive efforts to seek out and serve those parents or guardians of children, from birth to five years of age, who are considered at-risk for school failure. "At-risk children" are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): poverty, limited English proficiency, significant developmental delays, a parent without a high school diploma or equivalent, instability or inadequate housing and/or family, poor health (physical, mental, emotional), and/or child abuse and neglect.

x **Coordination of Act 135 Initiatives with Other Federal, State, and District Programs**

The district makes efforts to ensure that all programs and funding, including Act 135 initiatives, are coordinated with programs such as Head Start, First Steps, Title I, and programs geared towards students with disabilities.

The Lake Forest Elementary School Portfolio Introduction

The self-study process at Lake Forest is an on-going process that continuously reviews our goals, our progress towards meeting standards and goals, and includes involvement of school and community stakeholders. Faculty and staff members, as well as PTA and SIC members participate in the development of the mission, vision, and goals. Through a collaborative effort we have attempted to include all aspects of our school community in determining our strengths and weaknesses. Discussions are held regularly to update the stakeholders on progress and adjust goals, if necessary.

As always, our first priority is meeting the needs of our students. By maintaining this as our goal, we can address student achievement, social and emotional needs, and community needs of the children enrolled at Lake Forest. The teachers are asked on a consistent basis the needs they have in their classrooms so that materials and supplies may be purchased that will provide necessities for the students as well as enhance the instructional process. The goals of Greenville County Schools and the South Carolina Instructional Standards are the driving forces behind the decisions we make about instruction.

At Lake Forest, we are fortunate to have a strong Parent-Teacher Association as well as School Improvement Council, who, along with our business and community partners, strive to provide the students with basic school necessities as well as awards and incentives for effort and achievement. These groups work closely with the school faculty and administration to determine what students need and how best to meet these needs. This strong school-community collaboration makes Lake Forest a school working for the children.

Part I: Executive Summary

There are many items/activities included in our portfolio that we participate in during a typical year. However, due to COVID we were not able to carry out all of the events and activities. We fully intended on implementing all of the various items/activities as soon as COVID restrictions are lifted.

The faculty and staff at Lake Forest have identified priorities for increasing our instructional and organizational effectiveness. The following is a list of our priorities for 2021-2022:

- More student and teacher time spent on instruction
- More integration of Science and Social Studies curriculum into the Language Arts curriculum
- Increased focus on increasing reading skills by utilizing Epic!, RAZ Kids (K5-2nd grades), NewsELA, and other computer programs
- Rosetta Stone and Lexia Core 5 for ESOL students that haven't mastered English yet
- Increased instruction in reading with an emphasis on Balanced Literacy
- Project Read: Phonics and Linguistics
- Increased instruction in technology
- Continued implementation of South Carolina College and Career Ready Standards
- Training in Multi-tiered System of Supports
- Inclusive Practices with our Special Education Students
- Digital Leader Core-implementation of one-to-one devices
- STEM/STEAM implementation
- Data Team Meetings
- Vertical Team Meetings
- Continue unit planning with each grade level
- Social Emotional Learning

Based on student achievement data, Lake Forest has identified the learning needs of the students at the school. On- going improvement of test scores continues to be our highest priority.

For the 2021-2022 school year, the total enrollment is 742 students. Out of the 742 students, 521 are in-person and 221 are virtual.

Changing demographics present a challenge for Lake Forest. For the 2021-2022 school year, 539 out of 742 students are identified as Pupils in Poverty. Pupils in Poverty account for 72.6% of our student population.

The special education population at Lake Forest continues to increase each year. Currently there are 92 disabled students enrolled at Lake Forest. There are three self-contained classrooms. Lake Forest currently has 162 ESOL (English as a Second Language) students that receive services.

Because of these demographics and test scores, Lake Forest has identified the following performance goals:

1. Students will improve academic performance on Standards-based assessments in English Language Arts.
2. Students will improve academic performance on Standards-based assessments in Math.
3. Students will improve academic performance on Standards-based assessments in Science.
4. Students will improve academic performance on Standards-based assessments in Social Studies.
5. Maintain at least a 95.0% attendance rate for all students and all student subgroups from 2018-2019 through 2022-23.
6. Increase the level of parent satisfaction with the school-home relations by improving communication between the home and school.
7. Provide quality professional development for all teachers in the area of Balanced Literacy.

School Profile

Lake Forest Elementary March 2020

Lake Forest Elementary is one of 52 elementary schools in the Greenville County School District. Lake Forest is located near Bob Jones University and Wade Hampton Boulevard. The current building opened in the year 2000 and contains classes from four-year-old kindergarten to fifth grade. Lake Forest also has four self-contained special education classes. The current enrollment is 742 students. There are 50 instructional staff members in the building. Our present staff consists of: a principal, one assistant principal, one administrative assistant, one instructional coach, one full-time and one part-time guidance counselor, a school nurse, a media specialist, a full-time media clerk, 26 classroom teachers, 5 special education teachers, 1.6 reading interventionists, one literacy specialist, one full-time speech therapists, a part-time Challenge teacher, three full-time related arts teachers (art, music, physical education), a computer lab instructor, one STEAM lab teacher, and 1.7 ESOL teachers. For the 2020-2021 school year, we had 9 teachers, teach in the virtual school program. One secretary, one full-time attendance clerk and one full-time office clerk keep our office running smoothly. Our support staff includes 14 paraprofessionals. Our cafeteria employs six full-time workers. A custodial team of five members keeps our school operating effectively. We also house one part-time school psychologist, one mental health counselor, one part-time occupational therapist.

The original Lake Forest Elementary was constructed in 1960. The school was named Lake Forest to correspond with a surrounding subdivision. The original building had 22 classrooms and served students in grades 1-6. In the 1969-1970 school year, 6th grade was removed from the school. Kindergarten was added in 1973. The first principal of Lake Forest was Mrs. M.F. Sloan. She was principal from 1960-1967.

In the fall of 2000-2001, when our new facility was completed, Wade Hampton Elementary School was closed and its entire student body was consolidated with Lake Forest Elementary in a new building. Our school has changed size categories, moving from a medium-sized school to a large school. Students assigned to Lake Forest now come from the former Wade Hampton community, the Lake Forest community, and several inner city areas.

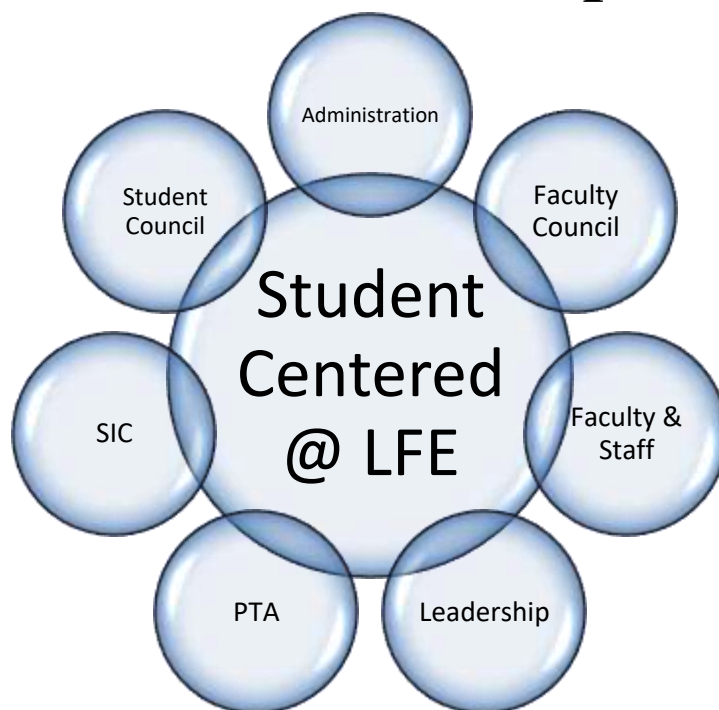

The Community Surrounding Lake Forest Elementary School:

Lake Forest Elementary is located near Bob Jones University and Wade Hampton Boulevard. The area around the school is mostly suburban residential, but also includes numerous apartment complexes. The area near Wade Hampton Boulevard and Bob Jones is commercial with many small businesses, restaurants, and a few larger stores such as Bi-Lo and Publix. The population is very diverse and has changed considerably over the past ten years with an influx of lower income and immigrant families. Housing in the area ranges from rental mobile home parks to luxury homes.

The Lake Forest community straddles the boundary between the City of Greenville and the town of Taylors, SC. The school is located outside of the Greenville City limits and is under Greenville County jurisdiction. Linda Leventis - Wells is currently the School Board representative for our area and is an active member of the school board. Jason Elliott is the current area representative for the State House of Representatives.

Numerous businesses and churches surround the school. Many of these establishments work as partners with the school. Edwards Road Baptist Church conducts an after school program each Tuesday called The Good News Club. Mosaic Program housed at Aldersgate United Methodist Church offers a low-cost Hispanic after school program as part of their Hispanic ministry. Businesses in the area work alongside the school as partners for example: Marco's Pizza, Chick-Fil-A, and Taylors Roller Sports. Numerous retirees who live in the surrounding neighborhoods also work with individual students throughout the year.

School Personnel Data

The following tables illustrate the number of faculty members over time, their job titles, and their years of experience at Lake Forest.

School Year	Number of Faculty Members
2018-2019	57
2019-2020	60
2020-2021	58
2019-2020 Breakdown of Total Staff	
Total Faculty/Staff	88
Teachers, Administration, Instructional Coach, Psychologist, Mental Health Counselor	58
Assistants	15
Staff	15

The staff at Lake Forest is predominately white and female. The three administrators at Lake Forest are white females. The ethnicity and gender of the faculty for the past three years is reflected in the table on this page.

Gender and Ethnicity of the Faculty at Lake Forest

	Black Female	White Female	Hispanic Female	Alaskan Native Female	Asian/Pacific Female	White Male
18-19	1	52	1	1	1	2
19-20	1	54	1	1	1	2
20-21	1	52	1	1	2	1

In 2020-2021, 47 (80%) hold advanced degrees, and two faculty members have acquired National Board Certification. The following chart represents the educational level of the faculty at Lake Forest for the last three years.

**Lake Forest Elementary
Educational Level of Faculty**

Student Population Data

The student population at Lake Forest changes from year to year. The table below illustrates the changes in the school enrollment for the past three years as well as the Average Daily Attendance for the past three years. The average attendance for years 2018-2021 is 94.2%.

Lake Forest Elementary School Student Enrollment

Year	Enrollment	Average Daily Attendance
2018-2019	797	94.7%
2019-2020	832	95.0%
2020-2021	741	93.0%

Based on enrollment on February 18, 2021.

There are 3 self-contained special education classes, 2 full time resource teachers, 1 full time speech teacher at Lake Forest. The following table reflects the number of students who are enrolled in special education.

Classification of Disabled Population 2020-2021

Autism	9
Developmental Delay	13
Emotional Disability	3
Intellectual Disability (mild)	1
Multiple Disabilities	2
Other Health Impairment	9
Specific Learning Disability	29
Speech or Language Impairment	24
Traumatic Brain Injury	1
Visual Impairment	1

The speech number is for students that receive speech only. Several students receive speech services that are not included in the speech number. These students are identified in more than one disability area.

In addition, 50 students at Lake Forest qualify for the Gifted and Talented program. Five of the 50 students qualify in both the Artistically and Academically Gifted and Talented programs.

Lake Forest has a diverse population. From the figures in the chart below, we see that the percentage of all ethnic groups has relatively stayed the same over the past three years.

Lake Forest has seen a shift in the economic status of its student population. The change throughout the years is a result of a depressed economy resulting in more students qualifying as a Pupil in Poverty*.

*Percentages shown for 18-19 are FARMS, (free and reduced lunch numbers). The Pupils in Poverty (19-20) percentage is baseline data for Lake Forest.

The table below illustrates the English proficiency of the students in this school. Lake Forest has 8 teachers with certification in TESOL, (Teachers of English to Speakers of Other Languages). The majority of LEP students are placed in the classes of these teachers. Lake Forest has always recognized the special needs of LEP students. Examples of additional support that has been provided for LEP students in past years include teaming the students with tutors, placing students in classrooms with ESOL certified teachers, and placing students in classrooms with other students who speak the same language. Lake Forest is fortunate to have 1.7 non-classroom ESOL teachers.

English Proficiency Of Students At Lake Forest, 2018-2021			
	Number of Students Who Have Exited	Number of LEP* Students	Number of English- speaking Students
2018-2019	**	229	568
2019-2020	**	228	604
2020-2021	**	162	579

**Limited English Proficiency*

***Access test results were not available by the deadline for this document to be completed.*

Disaggregated Behavior Outcomes

There were a total number of 12 student suspended equaling 20 total suspensions including both ISS and OSS in 2020-2021 through February 18, 2021.

School Year	Total Suspensions on Record at LFES
2018-2019	63
2019-2020	112
2020-2021*	20

The Lake Forest suspensions for 2018-2019 through 2020-2021 were examined by student subgroups. The table below reflect the total number of suspensions disaggregated by grade level.

Year	Kindergarten (4/5)	Grade 1	Grade 2	Grade 3	Grade 4	Grade 5
2018-2019	4	6	5	4	3	7
2019-2020	6	5	8	10	8	8
2020-2021*	2	1	3	0	0	6

Student suspensions were also disaggregated by gender and ethnicity. These figures are reflected in the following table.

Year	White Male	Black Male	Mixed Male	Hispanic Male	Asian Male	White Female	Black Female	Mixed Female	Hispanic Female	Asian Female
2018-2019	7	15	0	2	0	3	1	1	0	0
2019-2020	17	15	5	1	0	2	5	0	0	0
2020-2021*	2	3	2	2	0	1	2	0	0	0

From the preceding table, one may conclude that 66.7% of the students who were suspended were male in the 2020-2021 school year. Student suspensions were further disaggregated by meal status. The following table reflects these figures.

Year	Pupils in Poverty (PIP)	Non-PIP
2018-2019**	19 (66%)	10 (34%)
2019-2020	33(73.3%)	12 (26.7%)
2020-2021*	9(75%)	3 (25%)

The figures indicate that each year the total school suspensions involving Pupils in Poverty outweigh those students that are not Pupils in Poverty. Pupils in Poverty made up 76.2% of the student population in 2020-2021.

As indicated earlier, in an effort to reduce the number of suspensions and increase instructional time, the school adopted a Positive Behavior Intervention System (PBIS) for the school years 2009-2020.

*As of February 18, 2021.

** For the 2018-2019 year, percentages represent students who received free and reduced meals. In 19-20, a new baseline for Pupils in Poverty was placed into effect.

Identification of Achievement Gaps and Root Causes with Priorities

State and federal laws require public schools to release report cards to the public each year. The report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee.

According to the figures for student suspension, males had more discipline problems than females. Pupils in Poverty had more discipline problems than students who are not identified as Pupils in Poverty. Because of these discipline issues and test scores, Pupils in Poverty remain one of our most at-risk groups. In an effort to address the needs of these students, the school implemented a School-wide Positive Behavior Intervention System in the fall of 2009, which is still implemented today.

In 2018-2019, the PBIS/SEL (Social-Emotional Learning) committee was formed. This committee was formed to revamp PBIS. They are also charged with leading the faculty with how to help meet the social-emotional needs of our students as well as academic needs.

The PBIS/SEL committee reviews the expectations with the faculty at the beginning of each school year. The administration talks with and models the expectations at each station around the school. They do this twice a year; once at the beginning of school and once again after the break in December. The guidance counselor at Lake Forest offers small-group counseling. School Supplies are also provided to any child who cannot bring them from home. In 2018-2019, we also implemented Backpack Buddies. Five local churches donate bag of non-perishable food items to go home with students that have this need.

Lake Forest also offers an after-school extended day program, which provides supervised homework assistance. Beginning in 2017 Lake Forest formed a partnership with the Mosaic Program held at Aldersgate United Methodist, a neighborhood church. The program operates Monday – Friday. The Mosaic Program provides ministry and outreach services to our local Hispanic community. These students go to the church after school where they participate in tutoring classes, English language classes, and after school daycare.

In 2020-2021, Lake Forest offered an after-school remediation program. Students were selected from 2nd-5th grades. They were chosen based off Fountas & Pinnell Fall reading levels, TE21 benchmark data, and teacher input. This group of students met on Tuesdays and Thursdays from 2:45-4:15. The Second and Third grade group focused on reading standards. The Fourth and Fifth grade group focused on math. We also had a mixed group of ESOL students. Their primary focus was reading with an emphasis on vocabulary.

We also hired an additional reading interventionist to work with at risk first graders. She is here 3 days a week working with groups.

Academic and Behavioral Features/Programs/Initiatives

The primary academic models used at Lake Forest are listed below:

- Fountas and Pinnell's Balanced Literacy Program for grades K-5
- Pre-K Readiness Assessment for K4
- Kindergarten Readiness Assessment for K5
- Hands-on Science Curriculum
- STEAM Lab
- Integrated Social Studies/Language Arts Curriculum
- ESOL classes for students who are not proficient in English
- Early Reading Intervention program, Response to Intervention (RtI) for K5-3rd grade students performing below grade level
- Implementing LLI that correlates to Fountas and Pinnell for Tier 2 students
- Project Read: Phonics and Linguistics
- Fact Fluency Initiative: School wide goals set to help with fact fluency

The following supplementary programs are offered to students at Lake Forest:

- Read Across America Week – a day focused on reading and related activities
- Science Fun Day - a day of science hands-on activities and speakers for all grades
- Field Day – a day of physical activity and competition for all grades
- Lake Forest After School Extended Care Program - a supervised program available Monday- Friday until 6:00 PM
- Field Trips – Grade levels offer standards based field trips to enrich content being studied in class i.e., Roper Mountain, The Peace Center, Charlotte, The Children's Museum, Columbia, Atlanta, etc.
- Career Day-a day focused on possible career choices and speakers from a variety of professions
- School wide activities for Black History and Women's History Month
- Family STEAM Night
- Family Literacy Night
- Multicultural Night
- Social Emotional Learning Spirit Week
- Family Movie Night

The following are examples of programs for providing additional academic support:

- On Track – team of teachers (based on student) which addresses the learning problems not resolved in the regular classroom
- School Psychologist
- Reflex Math for all students
- RAZ kids for K5-2nd grade students
- Epic!
- Volunteer Tutors - a program coordinated with area churches and businesses which provide tutors/mentors for students needing assistance
- Leveled Literacy Intervention (LLI,) for 1st and 2nd grade ESOL students
- Rosetta Stone and Lexia Core 5-ESOL Students
- Mosaic Tutoring program – A daily tutoring program sponsored by an area church for ESOL students
- Afternoon Remediation Program
- Mental Health Counselor-Greenville Mental Health
- Implementing LLI that correlates to Fountas and Pinnell for Tier 2 students
- Reading with Therapy Dogs
- One School, One Book
- Greenville Drive Reading Night

Behavioral models employed at Lake Forest are listed below:

- PBIS – Positive Behavior Intervention Supports – A school wide behavior/expectation model (implemented beginning August 2009).
- Terrific Kids - A quarterly program recognizing good citizenship, sponsored by the Kiwanis Club
- Red Ribbon Week - Activities coordinated with sister and feeder schools to prevent drug abuse
- Star Student Award – nominated by school personnel and announced on LFTV
- 2018-2019: SEL (Social Emotional Learning,) was added to the PBIS committee. This team works together to help everyone in the building reach the whole child, not just academics, social and/or emotional feelings.

At the beginning of school year 2009-2010, Lake Forest Elementary adopted a behavior management system, Positive Behavior Intervention System (PBIS). A PBIS Leadership Team was established to set direction for the school, provide training, collect data, evaluate progress, and determine next steps.

A PBIS/SEL (Social Emotional Learning) committee was formed the summer directly before the 2018-2019 school year began. Teachers and administrators worked to bring back PBIS the way that it was originally intended to be carried out in a school. The team chose to use PRIDE instead of RoaRRR with this “new look” of PBIS. The details of the new and improved program are noted below.

Lake Forest Leopards- PRIDE Expectations

“Be a Lake Forest Stellar Student”

	Classroom	Cafeteria	Hallways	Bathroom	Bus
Positive	Be a positive role model Be a good sport	Eat for energy	Smile Silent wave	Wait your turn	Be a positive role model
Respectful	Speak and listen kindly to others Follow directions Keep hands/feet/objects to yourself Clean up after yourself	Speak clearly and politely with cafeteria staff Keep hands/feet/objects to yourself Clean up after yourself	S & Q-straight and quiet Keep hands/feet/objects to yourself	Use bathroom quickly and quietly Keep hands/feet/objects to yourself Clean up after yourself	Speak and listen kindly to others Follow directions Keep hands/feet/objects to yourself Clean up after yourself
Involved	Participate in my learning Complete my work	First 10 minutes of lunch are for eating	Remember others' personal space	Wash your hands	Look out for others
Determined	Try and try again Be prepared at the start of the lesson	Use table manners	Keep up with your class	Flush after use	Safety first
Effort	Ask for help Do your best work	Be prepared to order	Walk safely	Use only what you need	Sit correctly

PRIDE/PBIS Chart

Minor	Intermediate	Major
<p>Behaviors that <u>do not</u> require administrator involvement, <u>do not</u> significantly violate the rights of others, and <u>do not</u> appear chronic.</p> <p>Examples:</p> <ul style="list-style-type: none"> Arguing with the teacher Refusing to follow directions Talking in Class <p>Procedures:</p> <ol style="list-style-type: none"> 1. Inform student of rule/expectation violated. 2. Describe expected behavior. Reteach desired behavior. 3. Use 4:1 positive interactions <p>*If behaviors continue that day/week, then: Use logical consequences. Administration will contact the parent(s) and process the referral. 4. Administration will contact the teacher to provide feedback and next steps. <p>*An office referral does not automatically mean ISS/OSS.</p>
<p>*It is recommended that copies of reflections and minor offense forms be made and kept for documentation purposes.</p>		

Extracurricular Programs at Lake Forest include the following:

- Chorus for 4th and 5th graders
- Safety Patrols for 5th grade students
- School Store - a student-operated store open before school
- Student Council
- School - wide recycling program
- LFTV (Lake Forest TV)-morning news show filmed LIVE daily written, anchored, and filmed by 4th and 5th graders
- Library/Computer Helpers
- Office Helpers
- Good News Club (Sponsored by a local church, after school)
- Junior Beta Club
- Run Hard
- Lake Forest Lego Robotics
- Art Club

Student Clubs at Lake Forest: (These will be reinstated as soon as COVID restrictions are lifted.)

In 2019-2020, we started student clubs at Lake Forest. All students are able to participate. Our K5 and 1st grade students participate in an enrichment activity in their rooms. Grades 2-5 switch classes and go to their club. Students in grades 2/3 and 4/5 are in clubs together. Clubs take place on the fourth Friday of each month for 45 minutes. These are just a few of the clubs that we offer: Lego, architecture, cooking, arts and crafts, soccer, sports, run, ballet, board games, gymnastics, jump rope, green screen, American Girl Doll, Milkshakes and Masterpieces, etc.

Priorities for Building and Strengthening Organizational Capacity for Effectiveness

The following priorities for instructional effectiveness were established:

- More instructional time spent on core academic subjects-reading, language, Balanced Literacy, language, and math
- More integration of Science and Social Studies into the Language Arts curriculum
- Continued implementation of South Carolina College and Career Ready Standards
- Inclusion of technology in the classroom

Instructional Priority	Measured By
More student and teacher time spent on task <ul style="list-style-type: none">• Balanced Literacy• Rosetta Stone and Lexia Core 5• Student Learning Objectives (SLO's)	<ul style="list-style-type: none">• Math and Reading Benchmarks• Lesson plans and classroom observations• Classroom observations and data• Teacher's written SLO goals
Instructional Priority	Measured By
More integration of Science and Social Studies into Language Arts <ul style="list-style-type: none">• All teachers will continue to receive Balanced Literacy training as needed.• Teachers will plan units of instruction in the Learning Focus format.• Historical fiction and non-fiction trade books will be used in Language Arts classes.• District assessments, MasteryConnect, teacher made assessments will be used for evaluation.	<ul style="list-style-type: none">• Staff Development Logs will be available on Portal• Units will be outlined in lesson plans.• Lesson plans will list the books used in classrooms.• Rubrics, unit tests, and other forms of assessment will be included in teacher's unit plans.
Instructional Priority	Measured By
Continued implementation of Common Formative Assessments <ul style="list-style-type: none">• Pre and Post assessments• Disaggregating Data• Data Team Meetings	<ul style="list-style-type: none">• Creation of common formative assessments• Teachers will use data from assessments to assist student in setting goals, establishing instructional strategies, and evaluating next steps.• Minutes from each meeting and assessment data

Mission, Vision, and Beliefs

Lake Forest faculty, administrators, parents, students, and support staff drafted the following vision, mission and beliefs:

Vision: The vision of Lake Forest Elementary School is to empower students to learn, grow, lead, and succeed.

Mission: The mission of Lake Forest Elementary School is to provide a nurturing, student-centered learning environment where students are empowered to learn about the world, persevere through challenges, and develop positive character traits.

Beliefs about Curriculum, Instruction, and Assessment

- Education is a responsibility that involves home, school, and community.
- Students deserve to learn in a safe, caring school environment.
- Academic growth and social-emotional learning is essential to the development of the whole child.
- Every person deserves to be valued and treated with respect.
- It is important to help students develop positive character traits.
- Students should be encouraged to take risks and have opportunities to be creative.
- Students should be equipped with skills to become a responsible digital learner.

Data Analysis and Needs Assessment

Beliefs about Curriculum, Instruction, and Assessment

School Core Beliefs:

- Education is a responsibility that involves the home, school and community.
- Students deserve to learn in a safe and caring school environment.
- The love of learning is the key to success.
- Every person deserves to be treated with respect and dignity.
- Students learn at individual rates and through a variety of learning modalities.
- Students are the focus of the educational process when they are provided with the opportunity to achieve.

Curriculum must:

- Address national, state, and district standards
- Meet the high expectations for accountability set forth by the community
- Utilize current technologies
- Offer learning experiences that address the individual needs and abilities of students
- Correlate classroom activities with real world situations
- Integrate a multi-cultural approach to learning

Instruction must:

- Be based on current educational research
- Address the needs of all students
- Be sequential
- Provide ample opportunities for review, remediation, and enrichment
- Incorporate a wide variety of resources
- Actively involve students in their learning
- Teach to higher-level thinking skills
- Provide opportunities for students to prepare for standardized tests
- Be differentiated in content, process, assignment, and learning environment

Assessment must:

- Be ongoing and continuous
- Be both formative and summative
- Include norm-referenced tests
- Determine instructional needs
- Include authentic assessment techniques

Instructional Strategies

The vision of Lake Forest is based on data collected from a number of sources. The team reviewed the beliefs and mission statement, the most recent test data and demographics, and the Education Plan set forth by the School District of Greenville County. In addition, South Carolina Curriculum Standards for Student Learning, Individuals with Disabilities Education Act (IDEA), Every Student Succeeds Act, and data provided by teacher, parent, and student surveys were reviewed.

As our student population has changed during the last seventeen years, so have the needs of the students. The number of Pupils in Poverty and students who speak English as a second language (ESOL) has had an impact on all aspects of our school. Teachers have focused on language development in all classes and have seen a need to communicate differently with non-English-speaking parents.

This shift in demographics, in addition to impacting our test scores, has necessitated the implementation of intervention strategies. There are 7 teachers with a degree in TESOL, (Teachers of English to Speakers of Other Languages). We have 3 non-homeroom ESOL teachers on the staff to assist with both students and parents.

We continuously work on ways we can better communicate with parents in an effort to facilitate communication between the home and school. We are translating messages/announcements into languages other than English and providing interpreters for parent conferences. The weekly up-date, provided by Mrs. Cooke, goes out as a phone call message as well as an e-mail. The email messages is in both English and Spanish.

In an effort to increase the students' ability to communicate through a multi-media approach, reading and writing are taught across the curriculum at all grade levels. Lake Forest has implemented Balanced Literacy in kindergarten through fifth grade. Balanced Literacy is made up of several components. Students are benchmarked to find their instructional reading level. Students are instructed in a balanced literacy group, based on their level. The groups are fluid and students can be moved as their reading ability improves. Writing, Word Study and Independent reading are also still in place. Kindergarten and First Grade students that qualify receive Response to Intervention (RtI,) services. Reading interventionists work with at-risk students in kindergarten-second grade. Each school was allotted a reading/literacy position to help support our efforts with reading/literacy achievement.

In 2021-2022, the faculty will continue Social Emotional Learning, Balanced Literacy training as well as Project Read: Phonics and Linguistics (modeling and coaching,) professional development. We also have PD sessions throughout the year based on observations and teacher input.

The math and science curricula are structured to promote higher-level thinking and reasoning as well as problem solving. Math is currently being taught using the Greenville County Math Curriculum Guide, South Carolina State Standards, and the Go Math! series. Math instruction is supplemented with the use of manipulatives, and First in Math. The science program at Lake Forest includes using science kits provided by the district, hands-on science lessons, and virtual field trips. In the 2018-2019 school year, a STEAM Lab was implemented for all students.

During the 2018-2019 school year, four teachers continue to be on the Discovery Digital Leadership Corps. These teachers have received training throughout the year to be model teachers. They have been an asset in all of our students being 1:1.

Disaggregated Achievement Results of Students-Results of Student SC Ready (ELA and Math) and PASS (Science) Testing

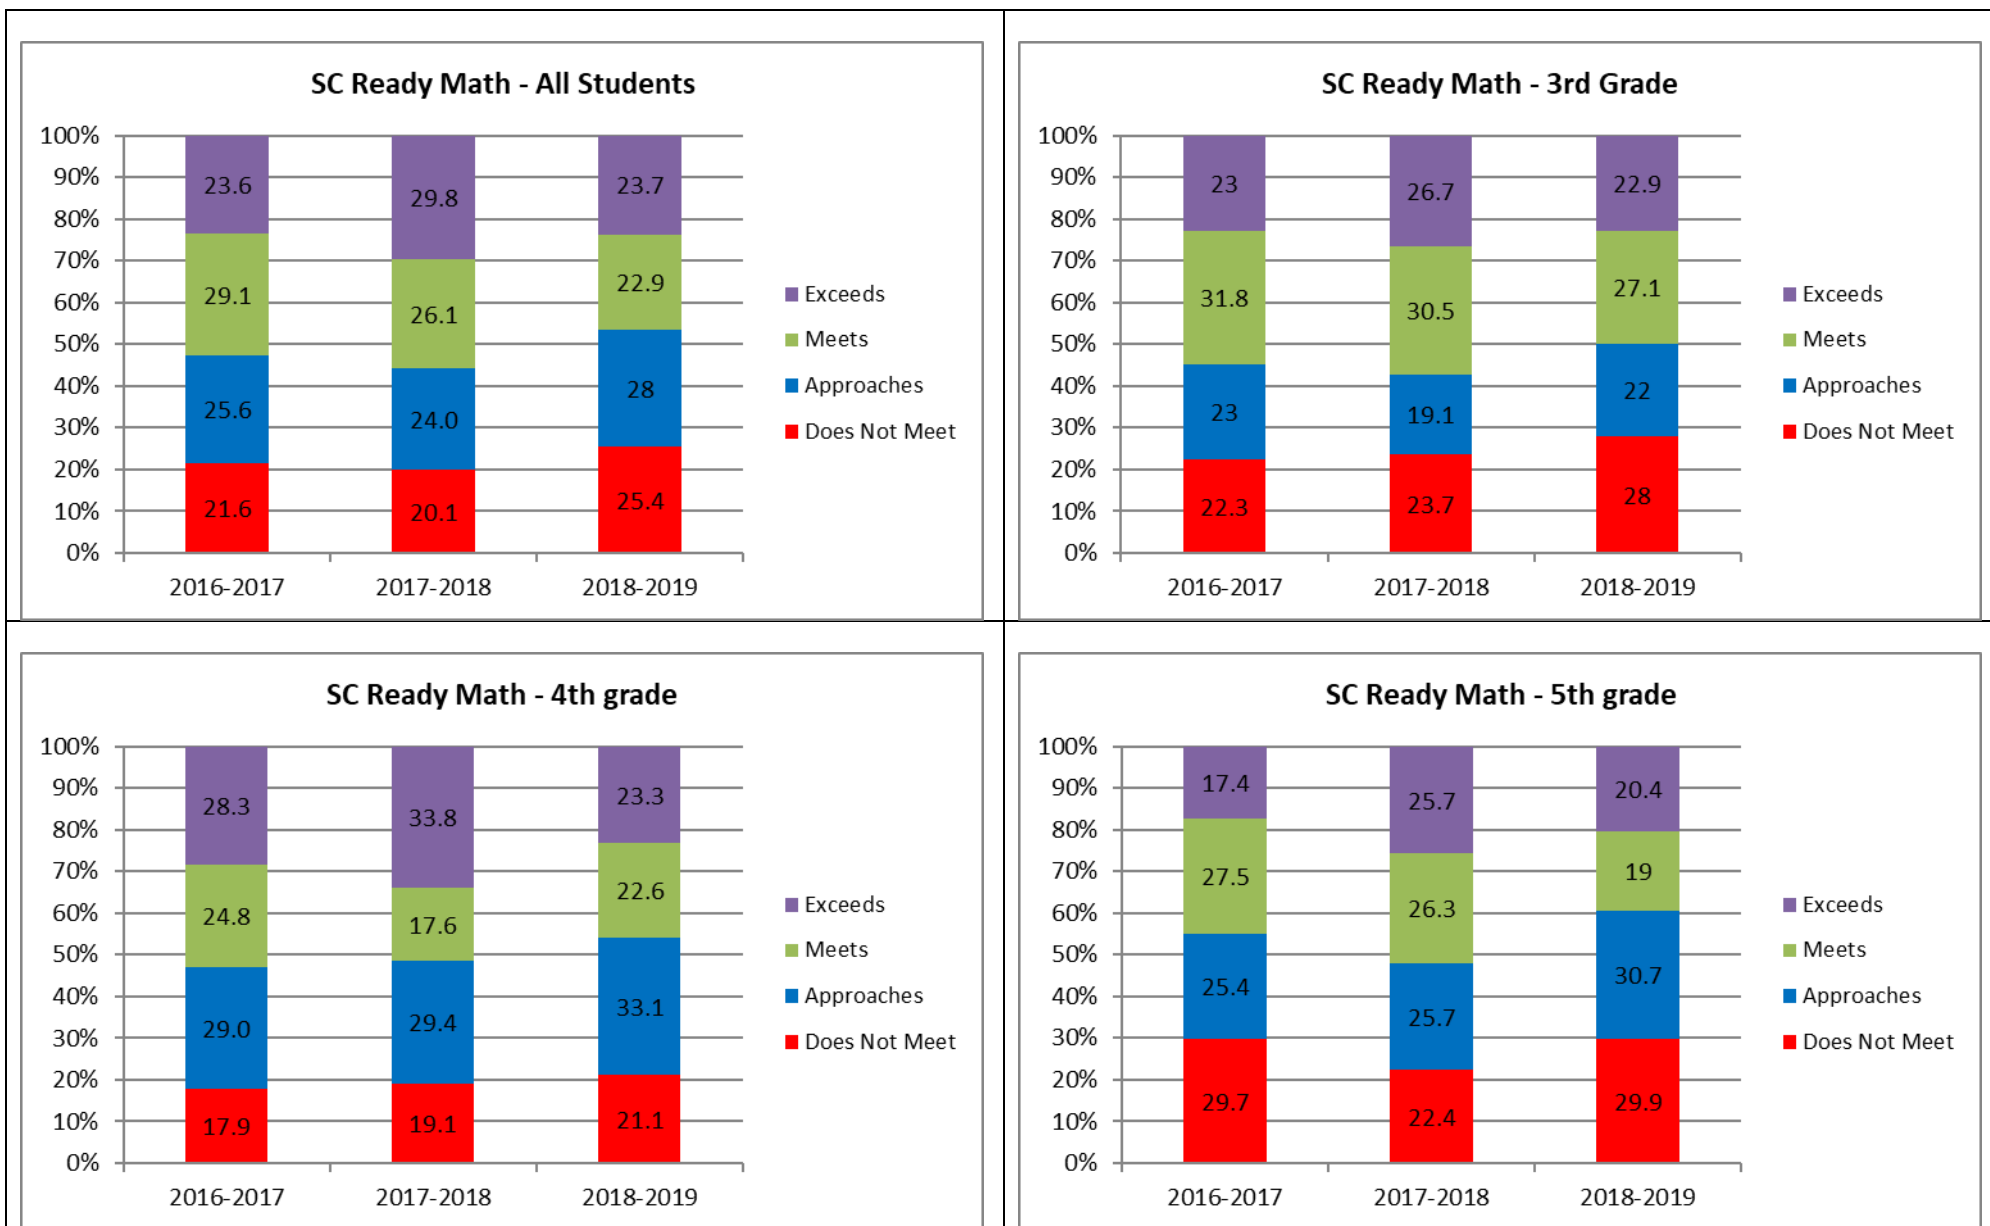

The following graphs reflect the results of standardized testing at Lake Forest. ELA test scores for the entire student body are illustrated in the first graph. The remaining graphs show results for each grade level. Grade level data was found at <https://ed.sc.gov/data/test-scores/>. All student data can be found at <https://screportcards.com>. Science data was taken directly from the state report card site.

Impact of COVID-19: Test Scores will be updated in the strategic plan for 2021-2022.

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

Math test scores for the entire student body are illustrated in the first graph. The remaining graphs show results for each grade level.

Science test scores for 4th and 5th grade students are illustrated in the first graph for 2016-2017. Moving forward, 4th grade will be the only grade level that takes the SC PASS Science test.

Quality Planning

The graphs in Section III, Student Achievement, illustrate students' test scores on State Testing. Our goals reflect our need to improve test scores for all students. Lake Forest needs to close the gaps in achievement that exist within students with disabilities. Our school houses four self-contained special education classes. Moving forward, we plan to work more specifically with special education students in their weakest areas to help them achieve at higher rates. Teachers were able to choose one focus area to write a class goal on this year. Reading, writing, and math goals are for students in grades K5 – 5.

Balanced Literacy is used at all grade levels. Students are benchmarked throughout the year to create fluid reading groups. Reading groups help meet the needs of individual students as well as differentiating instruction. In the lower grades, we utilize a Response to Intervention System to target our “at-risk” population.

First Grade Readiness Screening/Progress Monitoring: FastBridge benchmark reading fluency tests are administered to all first graders at the beginning of the school year for identification of those students that may be “at risk” for reading failure. FastBridge is a progress monitoring system based on direct, frequent, and continuous student assessment. The results are reported to teachers, parents, and administrators via a web-based data management and reporting system to determine response to intervention. Kindergarten students who are at risk, receive intervention in their classrooms. Second and Third grade students who are at risk, meet daily with a reading interventionist using LLI. First grade students who are “at risk” meet daily with a reading interventionist using LLI (1st and up) and ERI (K5).

All data is entered into the FastBridge tracking program. The fall benchmark test screens for fluency in the following areas: letter identification, sound identification, nonsense word reading, and phoneme segmentation. These students are progress monitored every two weeks. When students meet the benchmarks, they are dismissed from the reading intervention program. The FastBridge progress monitor program provides teachers with a graph of individual student progress in each area tested and allows teachers to see if students are on target for meeting end of the year goals.

Mid-year benchmark tests are administered to all first graders in December to measure fluency in nonsense words and oral reading from three passages. Students who are identified as “at risk” at this time begin receiving reading help with the reading intervention teachers. These students continue to be progress monitored in the program until they meet the goals.

In May, all first graders are evaluated again using the end of year benchmark goals for reading fluency. Final data is entered into the FastBridge tracking program which gives teachers an overview of the progress of all first graders.

Our teachers also have weekly planning sessions where they use the District's Google Landing Page as a guide for creating quality lessons. Grade levels create common formative assessments to use to help guide instruction. Teachers use MasteryConnect/TE21 benchmarks in ELA, Math, Science, and Social Studies, (depending on district requirements at each grade level). Writing benchmarks are administered at the appointed dates given to us by the district.

Title	Description	Date	Time	Targeted Group
Faculty Council Meetings	Members of the Faculty Council will discuss the activities for the upcoming month at the school and other issues as needed.	Every 1st Wednesday	2:45-3:45	Grade Level Chairs/Department Chairs
Faculty Meetings	Information may come from Administration, Grade Level Chair and/or a mini PD to take back to share with the entire grade level	Every 2nd Wednesday	2:45-3:45	All Teachers
Vertical Teams/Curriculum Committee Meetings (Math, Science, ELA, Social Studies, SEL/PBIS))	Mini PDs are planned based on teacher needs as they arrive through horizontal, vertical, or Faculty Council discussions	Every 3rd Wednesday	2:45-3:45	All Teachers
Professional Development In-Services	Professional Development sessions provided that align with school goals.	4th Wednesday as needed (TBD)	2:45-3:45	All Teachers
Horizontal/Grade Level Meetings	Team planning should focus on creating standards based instructional units utilizing Rubicon Atlas. Teams will discuss and develop Learning Focused strategies for instruction and common formative/summative assessments.	Weekly	Common Planning Time	All Teachers

Information about meetings not included in the chart above:

Meeting Schedule

- Leadership Team – Each Monday
- Administrative Team- Each Monday
- SIC-3rd Thursday of each month
- PTA Board – 2nd Tuesday of each month

Committee Reporting

- Faculty Council -Minutes reported to all faculty/staff during grade level meetings. Minutes are emailed after the monthly meeting.
- SIC-Minutes distributed to members electronically; available upon request
- PTA Board-Minutes distributed to members; available upon request.
- Grade Level Meetings-Minutes are saved on Google Drive each week.
- Vertical/Committee Team Meetings- Minutes are found on Google Classroom each month.

School Climate Needs Assessment

Impact of COVID-19: Data from the surveys will be updated in the strategic plan for 2021-2022.

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

School Survey Results: 2016-2017 thru 2018-2019

Each year, the South Carolina Department of Education administers 3 surveys which are published on The School Report Card. Teachers, parents, and students are surveyed. The results of these surveys are tabulated on the following pages.

Number of Surveys Completed			
	Teachers	Students	Parents
2017	49	121	94
2018	39	134	65
2019	43	127	48

Results of Teacher, Student, and Parent Opinion Surveys

	Teachers	Students*	Parents*
Number of surveys returned	43	127	48
Percent satisfied with learning environment	92.9%	87.4%	89.6%
Percent satisfied with social and physical environment	88.3%	92.1%	81.3%
Percent satisfied with school-home relations	88.4%	86.2%	78.3%

*Only students at the highest school grade and their parents were included

Evaluations by Teachers, Students, and Parents

Patterns and Trends with Learning Environment:

Teachers reflected the highest level of satisfaction with the learning environment. After reflecting on these trends, parents, teachers and students commented that, too much emphasis was put on testing (TE21 Benchmarks, Fountas & Pinnell Benchmarks, MasteryConnect, State Testing, etc.) and that students felt too pressured due to this emphasis. Teachers commented that due to the declining economy and the increasing number of non-English-speaking parents, students received less help at home.

Patterns and Trends with Social and Physical Environment:

Over the past three years, a number of items have been addressed to increase the satisfaction among all stakeholders with the social and physical environment of the school. At various points in time throughout the three years, parents commented that the lack of playground equipment and grass on the playground were both areas for improvement. Through many joint efforts between the school, PTA, and community a new playground was installed during the 2015-2016 school year. Kindergarten received a new playground during the 2018-2019 school year. A sunshade was installed over the largest piece of equipment on the main playground in 2018-2019.

The Beta Club and Lake Forest Gardening Club work each year to maintain the school's butterfly garden in an effort to increase "green" space for the students. The district installed gates on our playground that surrounds the area, to help with keeping students in an enclosed area during recess. In 2018-2019, students showed a 6.9% increase in satisfaction with the social and physical environment of the school.

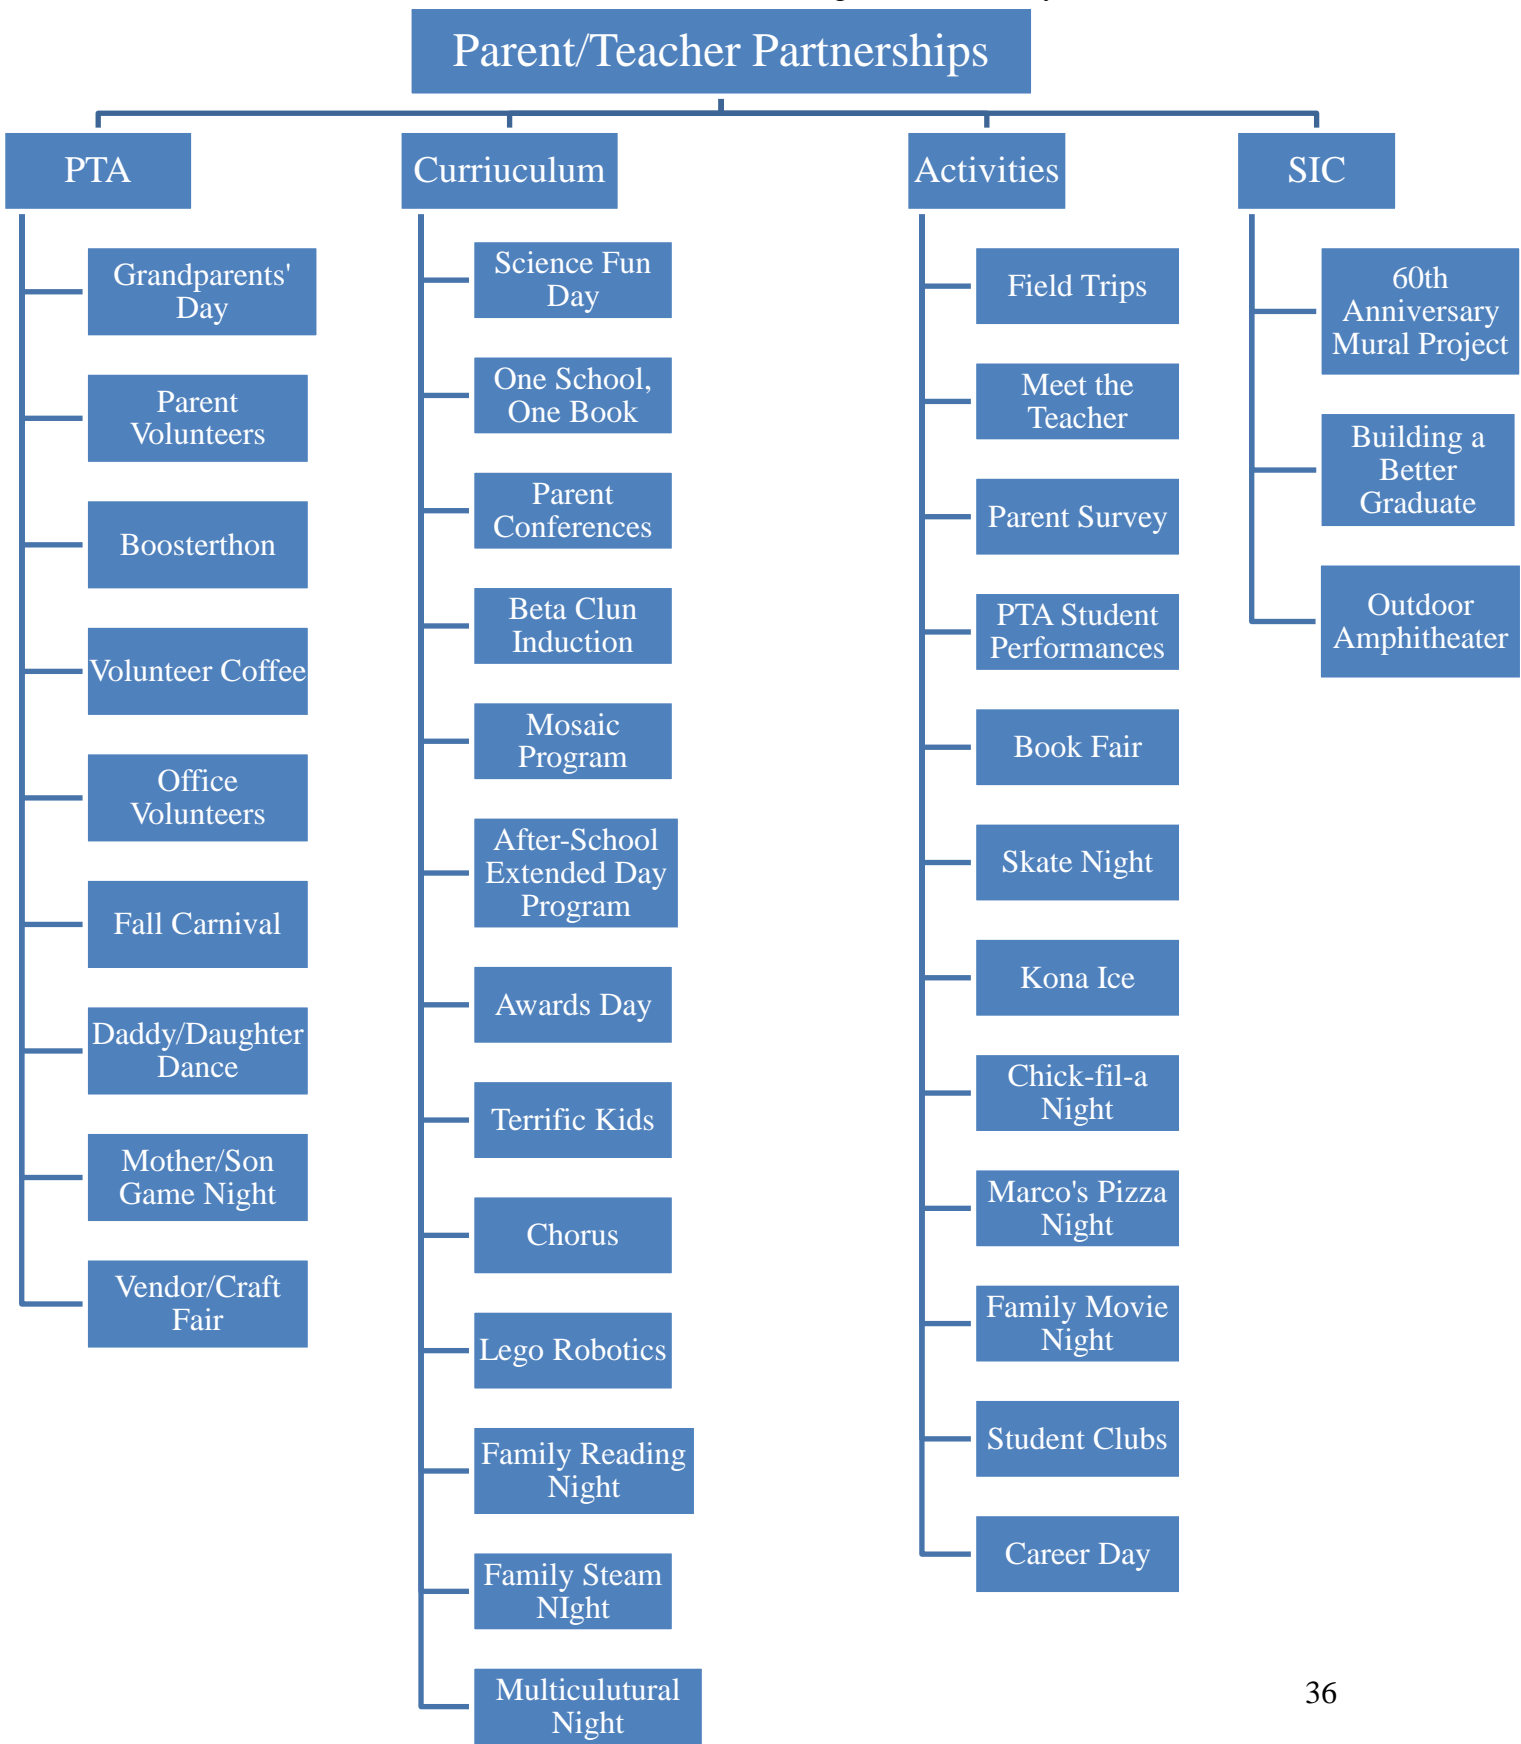

Patterns and Trends with School / Home Relations:

Over the past three years there has been fluctuation in the satisfaction rating between school and home relations. Several factors were noted to attribute to the fluctuating rate. Parent volunteers declined due to the declining economy and the fact that many mothers now work outside the home. Teachers reflected that students receive less academic support at home.

The staff and PTA continuously try to improve communication between the home and school. Examples of these efforts included the use of email, the school messenger system, the school and class web pages, daily red communication folders, and the PTA newsletter, The Leopard Letter. Other activities that have increased parent involvement in the school include student performances at PTA meetings, PTA Daddy-Daughter dance, Family Movie Night, Family Reading and STEAM nights, etc. which have been very successful. During the past three years, Lake Forest has had a high turnover rate. Teachers indicated that with this high turnover rate it was difficult to establish an on-going relationship with transient parents.

Partnerships to Increase Parental Involvement

The chart below illustrates the efforts that have been made to increase the involvement of parents at the school. At the beginning of the school year, volunteer forms are sent to every parent in an effort to enlist volunteers. The PTA Volunteer Coordinator continues to recruit volunteers throughout the entire year.

Partnerships to Increase Community Involvement

In addition to parents, the community at large has also been very supportive of Lake Forest and its students. Volunteers from local churches assist the school in a variety of ways. Additionally, the local hockey team, the Swamp Rabbit sponsors the Terrific Kids Program at Lake Forest.

Area businesses have supported the school in a variety of ways as well. A chart to represent examples of community and local business involvement is included below:

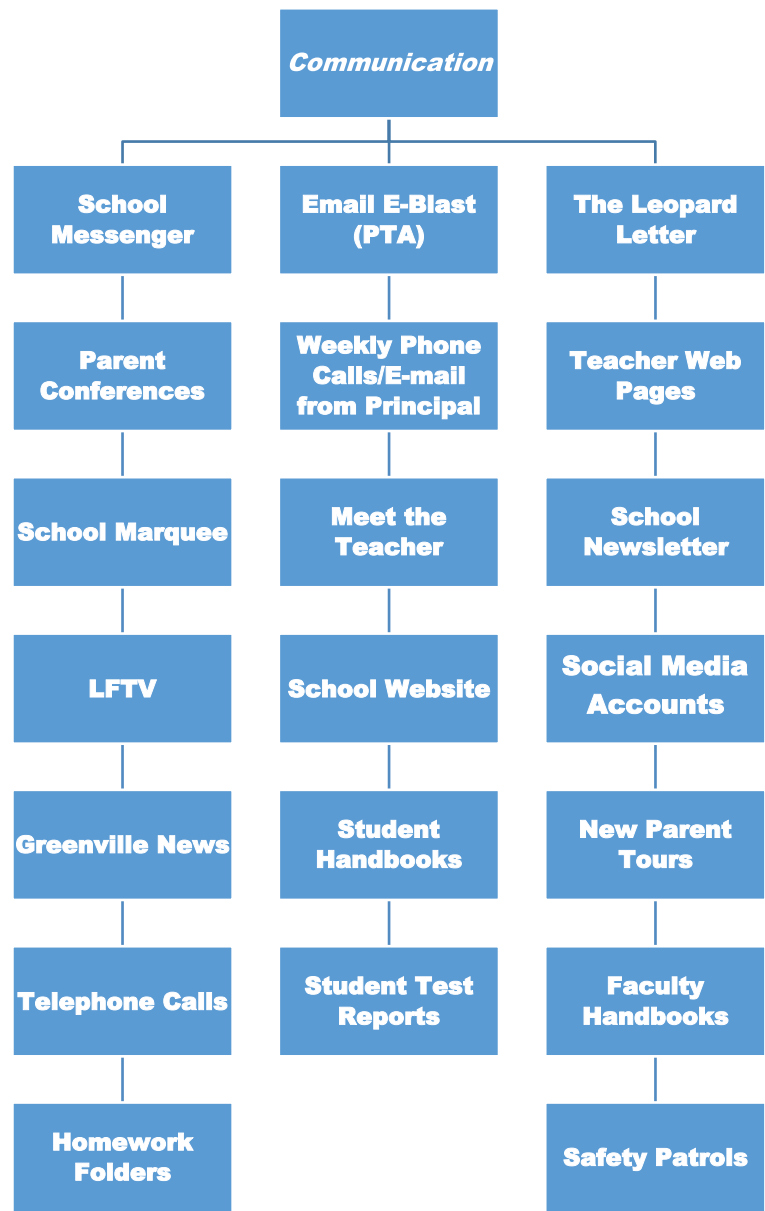

Community Partners and Community Supported Activities			
Red Ribbon Week	SIC	Publix Charities	PTA Board
Chick-Fil-A Night Taylors	Swamp Rabbits Hockey Team	Taylors Roller Skating	Volunteer Tutors
Edwards Road Baptist Church- Good News Club	Aldersgate United Methodist Church	Terrific Kids- Greenville-Eastside Kiwanis	The Edge Community Church
Public Education Partners	Edwards Rd. Baptist Church	Greenville Public Library	Character Education
Science Fun Day	Marco's Pizza	Grandparent's Day	United Way
General Mills Box Tops for Education	Publix Card Rebates	Wade Hampton High Athletes	Scholastic Book Fair
Bi-Lo Bonus Card Rebates	Ingles Advantage Cards Rebates	League Job Shadow	Safe Kids Upstate
Mosaic Program	Greenville First Assembly of God	Campbell's Soup Can Labels	Greenville Symphony
Children's Hospital	Therapy Dogs	Awards Day	Rotary Club
John Knox Presbyterian Church	Brown Family Dentistry	ReWa	Greenville Water Works

A

OF COMMUNITIES

Strategies to Facilitate Communication

At Lake Forest, we understand the positive correlation between parent and community involvement and student achievement. In an effort to improve student achievement, we are trying to increase parent and community connections. For example, we are continuously trying to improve the way we communicate with parents in an effort to facilitate communication between the home and school. We are translating messages and announcements into languages other than English and securing interpreters for parent conferences. The weekly update provided by Mrs. Cooke, goes out as a phone call message as well as an e-mail, in both English and Spanish. Building partnerships is an ongoing process. There is a continuous need for improvement. Examples of our efforts to facilitate communication are represented in the following diagram:

Lake Forest School Report Card Link:
<https://screportcards.ed.sc.gov/overview/?q=eT0yMDIwJnQ9RSZzaWQ9MjMwMTA2Mw>

Impact of COVID-19:

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- SC READY (English language arts and mathematics in grades 3–8);
- SCPASS (science in grades 4 and 6);
- End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been waived;
- Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness
- Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators (myIGDIs™), and Teaching Strategies® GOLD); and
- Alternate Assessments – some students have already taken the alternate assessments.

The following assessments were unable to be administered due to COVID-19 and required a waiver

- Grade 10 PSAT
- Ready to Work
- ACT, SAT
- AP, IB, Cambridge International

School Action Plan

Performance Goal Area: ☒ Student Achievement* ☐ Teacher/Administrator Quality* ☐ School Climate (Parent Involvement, Safe and Healthy Schools, etc.)* (* *required*) ☐ District Priority *Gifted and Talented Requires* ☐ Gifted and Talented: Academic ☐ Gifted and Talented: Artistic ☐ Gifted and Talented: Social and Emotional *1 Academic Goal and 1 Additional Goal* ☐ Gifted and Talented: Other

PERFORMANCE GOAL 1: The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase from **44.2 % in 2016-17 to 52.6% in 2022-23**.

Per SBE Regulation 43-261, measurable performance goals, written in five-year increments, shall be developed to address the major areas of discrepancy found in the needs assessment in key areas reported in the district and school report cards.

INTERIM PERFORMANCE GOAL: The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase by **1.4% annually**.
