Introduction

Slater-Marietta's portfolio serves to document the changes and progress our school has made while working to continuously improve everything we do. The portfolio provides our school community with an ongoing means for self-assessment, communication, continuous improvement, and accountability. Our portfolio is a living document that describes Slater-Marietta and includes actual evidence of our work. It describes who we are, our vision for the school, goals, plans, progress, and achievements in the context of client demographics and needs, and school partnerships. The portfolio also describes how we build and utilize our action plan for the purpose of increasing student learning-our ultimate outcome.

The school and community members were invited to participate in developing the narrative for our plan. Staff meetings, grade-level planning, the Parent-Teacher Association (PTA) meetings, and the School Improvement Committee (SIC) are all used to communicate the results of research data and to generate ideas about integrating the school's vision across the curriculum. PTA meetings, teacher web sites and weekly newsletters communicate pertinent information to the community.

Executive Summary

This section consists of data describing our school profile. We interpreted and analyzed the demographics of our local community and student population. As part of an ongoing effort to identify Slater-Marietta's strengths and weaknesses, data was collected from various sources such as test scores, surveys, and the NSSE (National Study of School Evaluation).

Student Achievement

The student Learning Data section examines data over a period of 5 years in order to adjust strategies to improve student achievement. Presented in this section are findings from the data used. The assessments used include:

- PALS – Four year old Kindergarten
- KRA – Five year old Kindergarten (Initial Benchmark used for planning of differentiated instruction through the year)
- FastBridge – K5 through Second Grade
- IOWA/Cog-At – Second Grade
- SC READY (ELA and Math) – Third through Fifth Grade
- SC READY (Science) – Fourth
- MAP Testing – First and Second Grade
- MVPA Benchmark Assessments – Second through Fifth Grade
- Standards Based Common Formative Assessments – K5 through Fifth Grade
- Fountas and Pinnell Benchmarking Assessment – K5 through Fifth Grade

SC READY 2021 Results:

ELA – 41.4%
Math – 42.5%

SC READY 2022 Results:

ELA – 49.7%
Math – 45.1%

SC READY 2023 Results:

ELA – 66%
Math – 53%

Needs Assessment for Teacher and Administrator Quality

- 2 Administrators
- 30 Certified Teachers
- 11 Support Staff
- 36.4% of the teachers have advanced degrees
- 1 Teacher has National Board Certification
- 100% of teachers hold "Highly Qualified" Status

Needs Assessment for School Climate

- The students saw the strengths of Slater-Marietta's climate to be one where the teachers care about the students, they expect good behavior and work, and the school is safe and clean.
- The students felt the areas to improve are student behaviors in the classroom.
- Parents felt the strengths of the school climate are a safe learning environment and facilities to support learning.
- Almost all parents are satisfied with the learning, social, and physical environment as measured by the State Report Card Survey, but feel there is room for improvement in home/school relationships.
- Teachers felt the strengths of the school climate were the culture and community feel of the school, the interventions that we have in place, and the camaraderie between coworkers.
- Teachers felt the areas to improve are transparency, support, and communication.

Significant Challenges from the past 3 years

- Unmet physical and/or mental health needs
- Lack of early childhood stimulation
- Lack of resources and/or support from home
- High number of absences and/or tardies
- Lack of sleep, adequate nutrition, and general care
- Learning gaps due to school closures
- Student motivation

Significant awards, results, or accomplishments for the past 3 years

- Reading All-Stars Top Performer and Hall of Fame School

- Terrific Kids Program
- Certified Wildlife Habitat

SLATER-MARIETTA ELEMENTARY SCHOOL PROFILE

Honoring the Past, Building the Future!

Community Characteristics

Slater-Marietta is a K4 to fifth grade elementary school located in northern Greenville County in the city of Marietta, South Carolina. The current school facility, built in 2003, consists of 27 regular classrooms as well as one computer lab, science lab, music room, art room, media center, cafeteria, and a breezeway that attaches to the original gymnasium from the previous Slater-Marietta High School. The student attendance rate of 93.55% is an average for our school. We currently have approximately 308 students in attendance.

Slater-Marietta serves all children in the four rural towns of Marietta, Slater, Cleveland, and the unincorporated areas of Travelers Rest. The primary industry of the immediate area is textiles. Several sewing plants, commercial farms, and smaller businesses are located in the area.

The majority of the students enrolled come from the community that thrived during the textile era. Changing industry, unemployment, poor housing conditions, limited education, and dependence on assistance programs have affected many families. The demographics reflect a range from low to middle socioeconomic levels. About one quarter of the students come from single parent homes, over a third of the parents did not complete high school and around 50% are high school graduates.

The demographics of Slater-Marietta Elementary indicate there is an overwhelming need for parental involvement in the development of parenting skills, in the students' education and positive school/parent communication techniques. Slater-Marietta was a Title 1 school from 2009-2017. Slater-Marietta lost Title 1 funding the summer of 2017. Our school guidance counselor and social worker also contribute to our community involvement. An adult continuing education facility is located in the neighboring Slater Hall to help parents complete their education by earning a GED.

The Staff of Slater-Marietta Elementary

Slater-Marietta benefits from the knowledge of experienced teachers combined with the enthusiasm and idealism of young teachers. Our highly-qualified and dedicated teachers and staff are committed to the students of Slater-Marietta Elementary

School Leadership

Candice Stanton is the principal at Slater-Marietta. She joined the faculty at the start of the 2014-2015 school year, where she served as Administrative Assistant until the 2023-2024 school year when she became the principal. Mrs. Stanton served at Thomas E. Kerns Elementary as an instructional coach for 5 years before joining the Slater-Marietta staff. Mrs. Stanton has a Bachelor's Degree from

Clemson University, a Masters Degree in Education from Converse College, and an Educational Specialist Degree in Administration from Converse College.

Matt Moser is our assistant principal. He joined the staff at Slater-Marietta in this year. He graduated with his Bachelors in Elementary Education from Bob Jones University in 2008 and a Masters in Administration and Supervision from Clemson University in 2018. He has 10 years experience as a classroom teacher and 7 years as an administrator.

Courtney Tilley is the instructional coach. She previously taught at Slater-Marietta for 15 years, before moving into a Title 1 Facilitator position at another school. She returned in August of 2023 to serve as the instructional coach. She graduated from North Greenville College with a Bachelor's Degree, then earned a Masters Degree in Education with a focus on reading from Nova Southeastern University.

Mackenzie Elliott is our school guidance counselor, serving since the 2022-2023 school year. She graduated with a Masters of Guidance and Counseling from the University of West Alabama and has an undergraduate degree from College of Charleston.

School Personnel Data

There are twenty-seven teachers at Slater-Marietta Elementary School who are highly qualified according to the No Child Left Behind Act of 2002. According to the State of South Carolina Annual School Report Card for 2023-2024, Slater-Marietta has 31.6% of teachers with advanced degrees, 100% continuing contract teachers, and 89.3% returning from the previous year. Teacher attendance in our school is 93.8%. The average professional development days per teacher are 12. Slater-Marietta has a faculty consisting of: principal, assistant principal, 16 classroom teachers in grades 4K-5th, 1 special education class, 2 full-time teachers of special education, 2 interventionists, a part-time teacher who serves the gifted and talented students, a speech pathologist, and one ESOL teacher. All three kindergarten classes and one K4 class have paraprofessionals. We also have an art teacher, music teacher, physical education teacher, media specialist, and computer lab/steam teacher. The school personnel are also comprised of a Guidance Counselor, Instructional Coach, Literacy Specialist, full time nurse, attendance clerk, and secretary.

Our teachers have a wide range of teaching experience. 38.7% of our teachers have been teaching less than 10 years. 41.9% of teachers have in excess of 20 years' experience in the classroom. One teacher holds National Board Certification. Most of the teachers are certified in either Early Childhood or Elementary Education, and some hold multiple certifications.

Mentoring Program for New Teachers to Slater-Marietta

Slater-Marietta Elementary has a new teacher mentoring program in place. When a new teacher is hired, they are assigned a mentor. The mentors' duties include instructional, procedural, emotional, managerial, parental, and personal support. Each mentor and new staff member meet monthly to review specific needs.

The Students of Slater-Marietta Elementary

Student Population

Currently, 310 students are enrolled at Slater-Marietta in K4-5th grade. According to PowerSchool, the ethnic distribution of our school includes: 2.3% Asian, 2.6% African American, 9.1% Hispanic/Latino, 0.6% American Indian, 5.8% multiracial, and 75.9% White. Though many of our students are driven to school or walk, students are also transported to school on four regular education buses, one special education bus, and local day-care facilities. The student attendance rate is 93.23%. The school's retention rate is 3.0%. The percent of students served by Gifted and Talented is 18.7%. Students classified with disabilities other than speech is 12%. 8.06% of students qualify for ESOL (English for Speaker of Other Languages). 8% of students attend Speech.

Academic and Behavior Features

The teaching staff at Slater-Marietta Elementary School continually seeks opportunities to strengthen our practice. Slater-Marietta Elementary is excited to partner with Greenville County Schools, The Cliff's Communities, and our PTA to provide resources for our teachers and students. We are closely working with academic specialists and school leaders to strengthen our PLC's, inclusive practices, and math instruction through small groups.

Balanced Literacy:

In June 2012, our faculty received training in the Balanced Literacy model founded by renowned literacy experts Irene Fountas and Gay Su Pinnell. This systematic approach to literacy includes a balanced literacy framework where teachers instruct students in whole group, small groups, and individually. Teachers match books and texts to students at their levels, making instruction more individualized and meaningful. Our district has also started using HMH & Amira for reading instruction and progress monitoring.

Response to Intervention (RTI):

Due to the changes in the federal IDEA laws for identifying students for placement in a special education class, the Greenville County School District has developed a Response to Intervention plan to help remediate at-risk students before they fail and provide a more accurate identification of students with learning disabilities. Identification of students in 5K is done with the FastBridge Assessment which is given in the fall. Those students identified are served until results of ongoing progress reports show that they are no longer in need of intervention help. RTI is fully implemented this year, in reading, for kindergarten through third grade. Identified first and second grade students also receive math intervention, using the Bridges curriculum. In addition to RTI in the lower grades, third through fifth grade students received reading intervention based off of benchmark data.

Team Planning:

Teacher collaboration is essential to creating a pervasive, consistent, and rigorous curriculum. Our grade level teams have five common planning times each week that are used for team planning. Through the use of common assessments, grade levels monitor and discuss student progress and adjust plans as needed. This year, second through fifth grade teachers had additional planning bi-weekly where they worked with a district academic specialist throughout the year.

Technology:

We believe technology is a valuable tool to help students learn. Every classroom, as well as the media center, computer lab, and science lab is equipped with a Promethean Board (interactive whiteboard). Slater-Marietta became 1:1 in the 2018-2019 school year. Every student has their own Chromebook. The school makes use of Google Apps in the classroom, such as Google Classroom, Google Drive, and Google Slides. Many computer programs are used to aid student achievement. For younger students, Raz-Kids is available for academic growth. This is a program designed to increase reading performance through leveled reading activities. IXL is available to all grade levels. This program targets the subjects of language arts and math, providing a host of leveled activities for each academic area. All grades have access to Reflex, to improve math fact fluency.

Character Education

Building character is an essential component in becoming responsible citizens. Our guidance counselor spends time teaching character education lessons in each teacher's classroom once a month. We also support character education programs, such as Terrific Kids.

Extra-Curricular Activities

Upper elementary students who have demonstrated responsible behaviors, both academically and in character, have the opportunity to participate in extracurricular activities. Our fifth grade students create and produce our news morning show with the help of our challenge teacher and media specialist. This morning show gives students the opportunity to showcase their talents along with giving them responsibility outside of the classroom. Additional activities include:

- Chorus
- Safety Patrols
- Chess Club
- Battle of the Books
- Beta Club

Coordinated School Health

At Slater-Marietta, we are dedicated to keeping our students and staff safe and healthy. Our school participates in the Coordinated Approach to Child Health (C.A.T.C.H.) and the Safe Kids Upstate programs. Starting with the 2013-14 school year, we became a culinary school and established a wellness team to promote healthy choices for both students and staff. Our safe and healthy programs and initiatives include:

- Safety Patrols
- Red Ribbon Week
- Field Day
- Jump Rope for Heart (American Heart Association)
- Go-Slow-Whoa foods in the cafeteria

Academic Excellence

We feel it is important to encourage and celebrate academic excellence with our students. Our academic programs and initiatives include:

- MasteryConnect MVPA - This assessment is given three times throughout the year to provide the teachers and school with data on their academic achievements.
- Quarterly academic and attendance awards
- American Education Week Celebration

Parent Involvement

Parents are of vital importance to us and we grow and nurture their children. We feel a strong relationship is necessary for student success. Our parenting programs reflect the needs expressed to us by our parents and include:

- Math, Science, and Literacy nights
- Parent Volunteer Program

OnTrack Initiative

Slater implements the OnTrack approach to support all students' attainment of knowledge, skills, and characteristics for career and college readiness. The OnTrack Team is intended to address the needs of all students.

Mission, Vision, and Beliefs

Mission Statement of Slater-Marietta Elementary School

Slater Marietta Elementary provides a quality education to build responsible, productive citizens, and future leaders.

Vision

We envision our children to become productive and responsible citizens who have been socially and academically prepared to tackle the challenges of their lives and be collaborative learners, engaged students and productive citizens. To achieve this goal, the school climate and classroom environments will be structured so that students will be encouraged to foster positive constructive relationships with their peers that will allow them to work together and attain academic success. This will lead students towards being highly engaged in their work and developing a personal interest in producing quality products in multiple mediums that focuses on established curriculum. Finally, this will empower Slater-Marietta students to actively participate in a positive and productive manner during their elementary education years and beyond.

Beliefs

We believe:

- All students can learn.
- All students can learn best in a safe, nurturing environment that is supportive and inviting.
- All students should be active participants in the educational process, and assume increased responsibility for learning and problem solving.
- All students can be productive life-long learners with the support of their home, school, and community.
- All students have the right of equal access to educational opportunities.
- All students' education includes social, emotional, intellectual, emotional, physical, and character development.

Data Analysis and Needs Assessment Student Achievement

Slater-Marietta relies on test scores from the SC Ready State Assessment, Measuring Academic Progress (MAP), MVPA through MasteryConnect, and the Iowa Basic Skills (ITBS) Test to assess student achievement. Slater-Marietta sets high achievement expectations for our students. We are committed to NCLB guidelines. We want to continually improve student performance on standardized tests.

Teacher and Administration Quality

Based on our data, we have considered what direction we need at our school in order to accomplish meeting the demands of the school and district priority initiatives.

1. Offer more individualized professional development sessions and mentoring that is focused on both district and school wide initiatives.
2. Increase the communication and collaboration among all staff throughout the school.
3. Expand professional resources, especially in the areas of educational research and best practice methods, for all staff to use.

Professional Development

On-going professional development activities are aligned with the school goals. The Professional development calendar provides school staff with opportunities both to improve personal performance and to learn the new skills they need to reform the school culture and support the development of a true learning organization.

Approach

As we reviewed areas in our program needing improvement, it was evident that our professional development efforts should have a common focus. Professional development opportunities are based upon the understanding and implementation of state standards, improvement in writing and Balanced Literacy instruction, and specific work with the inclusion model during math instruction.

Using the findings listed in previous sections of our portfolio, we decided on several strategies and activities that would help close the gap in student achievement.

class, GCS has been able to increase the number of at-risk students served by 15% annually without any additional funding (the equivalent of adding 11 classrooms) or requirement for facilities. Adding this very small number of students has not impacted program quality or instructional implementation, as evidenced by KRA readiness data. Each 4K class includes one early childhood certified teacher and one instructional aide, both of whom receive annual training specific to high quality early childhood programming. The increase of classroom size from 20 to 23 is well under the SDE 5K maximum class size of 30 and is lower than the GCS maximum 5K class size of 26. In addition, the SC Child Care Licensing Standards have an even higher staffing ratio of one adult for 17 children.
