## SCHOOL RENEWAL PLAN COVER PAGE

**SCHOOL NAME:** Southside High School

**SCHOOL RENEWAL PLAN FOR YEARS 2018-19 through 2022-2023** (*five years*)

**SCHOOL RENEWAL ANNUAL UPDATE FOR 2021-2022** (*one year*)

### Required Signature Page

The school renewal plan, or annual update, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) (S.C. Code Ann. §59-139-10 *et seq.* (Supp. 2004)), the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. §59-18-1300 *et seq.* (Supp. 2004)), and SBE Regulation 43-261. The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the chairperson of the School Improvement Council, and the School Read to Succeed Literacy Leadership team lead are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

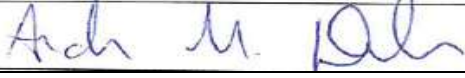

### Assurances for the School Renewal Plans

The assurance pages following this page have been completed and the district superintendent's and school principal's signature below attests that the school/district complies with all applicable assurances requirements including ACT 135 assurance pages.

### SUPERINTENDENT

Dr. W. Burke Royster		April 13, 2021

Magnet and Innovative Programs Coordinator	Julie McGaha
Freshman Academy and Testing Coordinator	Kenneth Skipper

## ASSURANCES FOR SCHOOL RENEWAL PLANS

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all federal and state applicable statute and regulation requirements, including those listed.

### **Early Childhood Development and Academic Assistance Act (Act 135) Assurances**

[S.C. Code Ann §59-139-10 *et seq.* (Supp. 2004)]

       **Academic Assistance, PreK–3**

The district makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

  **X**   **Academic Assistance, Grades 4–12**

The district makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

  **X**   **Parent Involvement**

The school encourages and assists parents in becoming more involved in their children’s education and will make special efforts to meet with parents at convenient times, provide parents with their child’s individual test results, interpretation of the results, and information on the district’s curriculum and assessment program. The school will encourage frequent communication between home and school, thus providing more opportunities for parental participation. The school will make efforts to designate space for parents to access educational resource materials. Part of the principal’s and superintendent’s evaluation may include parental involvement expectations. The school will make efforts to provide parents with information pertaining to expectations held for them by the school system, such as ensuring the attendance and punctuality of their children.

  **X**   **Staff Development**

The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised *Standards for Staff Development*.

  **X**   **Technology**

The district integrates technology in professional development and classroom instruction in order to improve teaching and learning.

  **X**   **Innovation**

The district funds innovative activities to improve student learning and accelerate the performance of all students.

  **X**   **Collaboration**

The district (regardless of the grades served) collaborates with health and human services agencies such as county health departments, social services departments, mental health departments, First Steps, and the family court system.

---

### **Developmental Screening**

The district ensures that students receive all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program is primarily at primary and elementary schools although screening efforts could take place at any location.

---

### **Half-Day Child Development**

The district provides half-day (and sometimes full-day) child development programs for four-year-olds. The programs primarily operate at primary and elementary schools, may be at locations with other grade levels, or be located in a completely separate school.

---

### **Developmentally Appropriate Curriculum for PreK–3**

The district ensures that the scope and sequence of the curriculum for PreK–3 is appropriate for the maturity levels of students. Instructional practices accommodate individual differences in achievement levels and take into account the student's social and cultural context.

---

### **Parenting and Family Literacy**

The district provides a four-component program for parents and children that integrates all of the following activities: interactive literacy activities between parents and their children; training for parents to be partners in their children's education; parent literacy training in economic self-sufficiency through adult education; and age-appropriate education to prepare children for success in school and life experiences. Family Literacy is not grade specific, but is generally most appropriate for parents of children at or below the primary and elementary school levels, and secondary school students who are also parents. Family Literacy program goals are to strengthen parental involvement in the learning processes of preschool children ages birth through five years; promote school readiness of preschool children; offer parents special opportunities to improve their literacy skills and education; provide parents educational opportunities; and identify potential developmental delays in preschool children through developmental screening.

---

### **Recruitment**

The district makes intensive efforts to seek out and serve those parents or guardians of children, from birth to five years of age, who are considered at-risk for school failure. "At-risk children" are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): poverty, limited English proficiency, significant developmental delays, a parent without a high school diploma or equivalent, instability or inadequate housing and/or family, poor health (physical, mental, emotional), and/or child abuse and neglect.

---

### **Coordination of Act 135 Initiatives with Other Federal, State, and District Programs**

The district makes efforts to ensure that all programs and funding, including Act 135 initiatives, are coordinated with programs such as Head Start, First Steps, Title I, and programs geared towards students with disabilities.

## INTRODUCTION

Southside High School's strategic planning for school improvement includes monitoring, reflecting, and assessing our progress toward meeting our school goals. We collect, analyze, chart, discuss, and set goals based on our test scores and survey results. We identify areas of strengths and weaknesses in the light of our shared values and vision for our school. We disseminate data and information to our stakeholders. Collectively, we identify how we should move forward with one united and cohesive plan for future success and increased student achievement. By 2023, 100% of students will graduate from Southside High: College, Career, and Citizenship Ready. Our School Portfolio reflects our efforts, progress, and achievements, and communicates our plans for further improvement. Our School Portfolio Team Members include:

Principal: Andre M. Dukes

Teacher: Christine Cook

Parent/Guardian: Mike Howard

Community Member: Jay Blankenship

Paraprofessional: Alyssa Scott

School Improvement Council Member: Jennifer Bickel

Assistant Principals: Elizabeth Ransome & Paige Baker

Read to Succeed Literacy Leadership Team Lead: Faith DiAngelis

Read to Succeed Literacy Leadership Team Member: Angel Stepp

## Executive Summary

During the 2017-2018 school year, Southside High began our journey to ensure that **every child will graduate ready for college, careers, and engaged citizenship**. One of the great debates taking shape in education today is not only the degree to which college readiness and work readiness are similar, but also specific ways they are different. The new reality is that our students need programs that integrate high academic challenge with the exploration of a range of career options and opportunities. Our teachers collaborate to integrate the norms that are necessary for good citizenship such as integrity, self-direction, perseverance and work ethic into the academic content of all courses, and the results are noteworthy. This school year, we continued our work on redesigning our career pathways so that every student that graduates from Southside has the potential to earn industry credentials. We also implemented the second year of the AVID (Advancement Via Individual Determination) Program, to help all students develop the necessary college-readiness skills to take our most challenging courses and earn college credit. This program trains teachers to engage students with high-leverage instructional practices that provide tools for learning.

### **Student Achievement Findings** (Students will graduate high school in four years, college and/or career ready.)

Through efforts of students, parents, teachers, administrators, community volunteers, and business partners, Southside continues to sustain academic growth as evidenced by the following 1-year achievements from 2019-2020:

- The percentage of IB diploma completion increased to 100%, compared to 85% in 2018-2019.
- The percentage of passing AP Exams (scores of 3, 4, or 5) increased by 14%, and is now at 55%.
- A 40.4% increase in students enrolling at the Donaldson Career Center
- A 28.2% increase in students completing 9<sup>th</sup> grade on track with graduation requirements (up to 79.2% from 61%)

Southside High School administration, faculty, and staff work arduously to meet individual students where they are academically and motivate them to excel beyond their own expectations. Our first priority is to increase achievement for all students.

### **Teacher and Administrator Quality Findings**

In 2019-2020, 55.4% of Southside High School teachers held advanced degrees. 57.1% of the faculty held continuing contracts, and 75% of teachers returned from the previous year. In 2019, 100% of core classes at Southside High School were taught by highly qualified teachers teaching in their core area.

School leadership maintains high expectations for professional practice. Our faculty is committed to shared values and beliefs about teaching and learning. All teachers participate in professional development through workshops provided at school and/or district levels, with further training available to IB, AP and AVID teachers, and ongoing intensive support for new teachers. Fifteen faculty members have been IB trained, and twenty-one have been AVID trained, with plans for sending more teachers this summer; this totals 60% of the faculty.

### **School Climate Findings** (Students and staff will contribute to the well-being of the school community by fostering a safe, inclusive and supportive learning environment.)

It is our goal to provide a school environment supportive of learning. Each year the faculty, all students, and their parents are asked to complete the Upbeat Teacher Engagement Survey (teachers) and AdvancEd/Cognia Climate and Culture Survey. The purpose of the surveys is to measure stakeholders' level of satisfaction with the learning environment at Southside. On April 8, 2020, it was announced that

the student and parent survey would not be administered this year, in light of COVID closures. Here is some of our data from the previous year:

#### 2018-2019 Survey Highlights:

- o Teachers' top responses (100% agreement on the following four responses):
  - I persist in the face of a challenge
  - I work hard to accomplish my goals
  - When I make a commitment, I can always be counted on to follow through
  - I strive for excellence in everything I do
- o Students' top responses:
  - My teachers expect me to learn
  - My interactions with adults in the building is respectful
  - What I hear most often is, "Today, we will be working on..."
- o Parents' top responses:
  - My child's school has high expectations for student learning
  - My child's teachers encourage my child to learn.
  - My child's teachers provide extra help when my child needs it.

#### School Challenges

As a Cohort team, we engaged in an extensive review of research-based and vertically aligned instructional programs to support our efforts to meet the needs of students who struggle daily in reading and math. We had numerous discussions about root causes of problems to try to identify our school's problems. Qualitative and quantitative measures that pass the scrutiny of action research are used to objectively determine program effectiveness. Data (formative, interim and summative) will be examined routinely to examine effectiveness of comprehensive instructional reform strategies and to problem-solve.

- o Challenge #1: A significant percentage of students enter Southside High School with deficient reading and math skills.
- o Challenge #2: Maximize academic achievement to ensure every student is career, college, and citizenship ready (limited opportunities outside the IB program for students to take college bearing courses and limited opportunities for work based, internships and apprenticeships.) However, in spite of the rich talents and plentiful opportunities at Southside, we face a mounting imperative for our school to ensure that all of our students can access these opportunities. We must address the wide achievement gap for our students with the greatest needs and we must provide equitable access to programs that prepare our students for success.
- o Challenge #3: Southside High School's student population is transient in nature. Approximately one quarter (1/4) of our student population turnover each year, on average 30 students monthly. To put that into perspective, we have, on average, at

least 1 student enroll or withdraw every single school day. Students within our population may enter and exit multiple times, and over multiple years. These students will not benefit from a full year of instruction at Southside High School. Most of these students will be expected to take SC State End of Course Exams. The continuously disruptive movement of students into and out of a class impacts the student and the class, and causes:

- Continual change in the group dynamics
  - Upheaval in instructional grouping
  - Difficulty making benchmark test comparisons
  - Challenges in classroom management. Teachers must continually re-teach procedures that had previously been established and taught at the beginning of the school year as each new student enters
  - Challenges in curricular cohesion. Teachers must establish baseline data on each new student each time a new student enters the class and re-teach content knowledge, skills, and processes the teacher already taught and the rest of the students were already expected to learn
  - Poor EOC test scores
- Challenge #4: Like other schools across the nation, Southside is dealing on a daily basis with the fallout of COVID-19. Some students and their families selected to attend school in person this year, but the majority of our students have opted into our virtual program, which affords them the opportunity to work. With a *poverty index of 76.1%*, students holding jobs during the school day, and other difficulties presented by virtual learning (students having to provide childcare, lack of engagement online, time alone during the day without accountability from parents or teachers) have exacerbated the achievement gaps described above.

## School Highlights

Southside High School is one of the most diverse schools in South Carolina, and we are proud to offer our students more than 100 course offerings. Our educational program is academically challenging and built on high expectations. Southside High School was the first school in South Carolina to offer an International Baccalaureate (IB) Diploma Program; it is the oldest and most successful IB school in South Carolina. SHS offers the highest level of math courses beyond AP Calculus BC, and the highest levels of Spanish and French in Greenville County.

We offer a variety of programs: International Baccalaureate (IB), AVID, Advanced Placement (AP), Honors, CTE, and College Preparatory. All of these programs are designed to meet the unique and individual needs and interests of each student. We have also recently implemented the AVID (Advancement Via Individual Determination) Program- a college readiness system to prepare students in the academic middle for four-year college eligibility by taking more rigorous courses at Southside (Dual Credit, AP, or IB). The three main components of the AVID college readiness system are academic instruction, tutorial support, and motivational and college prep activities.

Southside High School has a rich history of academics, the arts, and athletics. Student engagement is achieved by linking the curriculum to previous knowledge and experiences, and then exploring new ideas and promoting authentic learning. Southside provides a complete high school experience that enables our students to be college and career ready while having tremendous opportunities to get involved. In addition to a high-caliber academic curriculum, SHS offers a variety of extracurricular programs & athletic teams to meet a variety of interests, several of

which are award-winning. Some of these include:

**Academic Awards and Honors:**

- 9- AP Scholars
- 5 - AP Scholars with Honors
- 11- AP Scholars with Distinction
- 2- National AP Scholars
- 100% Diploma Passage Senior IB Diploma Candidate
- 28 Senior IB Certificate Candidates

**JROTC**

- AFJROTC Awarded the Distinguished Unit award (Top 10% of all units)
- Received the Outstanding Community Service Award
- Nationally Recognized "OUTSTANDING ORGANIZATION"
- 2021 Academic Team "TOP 25%" in National-Level Competition
- JROTC Honors Courses During Junior and Senior Years
- 2020 Graduates include: International Baccalaureates, Military Service Academy Acceptance, Westpoint Leadership Award Recipient

**Academic Team**

- 14 Regular Season Championships
- Qualified for National Science Bowl in Washington, D.C.
- NAQT National Championship Tournament in Atlanta
- NAQT Small School National Championship Tournament in Chicago
- PACE National Scholastic Championship in Chicago
- Winners of 3 of the last 4 Small School National Championships at PACE

**Speech and Debate**

- Named A National School of Excellence in Speech and Debate two years in a row.
- National Champion in Dynamic Competition
- Sonja Coppenbarger, Advisor, Superior Distinction and Outstanding Distinction
- Degree of Honor- two students
- Degree of Distinction- two students
- Hosted the State Championship last year (2019).

**World Languages**

- 6 National Spanish Exam 2019-20 Winners
- 4 Gold Medal Winners
- 1 Silver Medal Winner
- 1 Bronze Medal Winners

## BETA

- 2016-2017 National Beta School of Merit
- National Winner: 1st Place Speech Division II
- National Top 10 – Spanish Division II
- National Top 10 – Technology Competition
- State Winner – 1st Place Speech Division II
- State Winner – 1st Place Technology
- State Winner – 1st Place Spotlight on Service
- State Winner – 2nd Place Advertising Design
- State Winner – 3rd Place Spanish Division II
- State Winner – 3rd Place Robotics

## **School Profile**

First, it should be noted that we believe we will meet our goals. We also believe that once we begin to meet them, our enrollment will increase, as will our graduation rate; students will perform higher on state and national assessments, climate survey results will increase among all stakeholders, and parents will become more involved in their children's education. We also believe that teachers will begin to see themselves as learners and that consequently, they will change their approach with students who are not as successful as they, perhaps, were. One of the outcomes we fully expect to see is an observable change in the culture of the school as students, staff, and administrators begin to think of learning 24/7.

Southside High School is the oldest and most successful IB school in South Carolina. We are also one of the smallest public high schools within the Greenville County School District, with an enrollment of 798 students. Our IB Diploma Program serves approximately 8% of the students of the age group eligible for the program, being a "school within a school model."

## **School Community:**

Partnerships: Our collaboration with the community is an important component of our school's commitment to create a common school culture of excellence. One of the largest and most visible segments of our school population with typically twenty percent (20%) of Southside High School students involved is the Air Force Junior Reserve Officer Training Corps (AFJROTC). A nationally recognized character development program, with almost 25 years at Southside, cadets have earned numerous state, regional and national accolades in the areas of drill, academics and community service.

In partnership with YMCA volunteers, our Character Education Initiative is thriving for the fifth year focusing on ninth graders. Mentors from the local businesses assist students with developing tools and strategies that will help them be successful in school and the real world. Southside High School also values its partnership with the South Carolina Department of Commerce as this organization provides business professionals as presenters for our monthly Lunch & Learn Sessions. These business partners provide a wealth of information about their careers and the academic preparation, work expectations and salaries. Although this year's Annual College & Career Fair needed to be held virtually, all students were able to visit college representatives and business executives to ask an array of questions and to walk away with literature and contact information for future use. Launch GVL is another program that continues to grow, and has the exciting potential to pair students with internship opportunities in the world of work, so that they can graduate career ready and with valuable experience.

- o PTA (Parent Teacher Association): The Southside High PTA makes important differences in the education and development of students. The PTA provides classroom grants, funding for student agendas, classroom paper and copies, technology, and building maintenance. The PTA fosters positive relationships between the home and the school and sponsors various opportunities for parents, staff, and students to interact. As funds permit, the PTA also supports various extracurricular activities such as Forensics, Band, Drama Club, and AFJROTC. We recognize our volunteers regularly with our Volunteer of the Quarter Award.

- o SIC (School Improvement Council): Southside High School's School Improvement Council is made up of elected parent, student, and faculty members along with members of the school's administration and appointed community leaders. It meets monthly and serves to advise the leadership of Southside on ways to achieve the academic goals of the school. SIC members recognize that a student's education is a responsibility shared by the school, family, and community, and work to establish a strong working relationship with Southside students' families to promote parental involvement to support student learning.

o IB (International Baccalaureate) Parents Council: The IB Parents Council (IBPC) is a group of volunteer parents who work to assist the (IB) Coordinator, in close coordination with the Principal, the PTA and Southside staff. The IBPC meets once a month, with an open forum portion for all members to participate. The IBPC is a membership-based organization that also helps to facilitate communication among all IB families and with the IB Coordinator.

### **School Personnel Data:**

o Faculty and Staff: The 2019-20 Southside High School faculty consists of fifty-six full and part-time teachers, three guidance counselors, five administrators, one Magnet/IB coordinator, one Freshman Academy coordinator, one media specialist, and one instructional coach (IC). Additionally, our staff consists of two intervention specialists, three classroom aides, as well as media, guidance, and attendance clerks. Our faculty includes National Board Certified teachers, AP certified teachers with Gifted and Talented endorsements, IB certified teachers, MYP trained teachers, AVID trained teachers, PACE and GATE teachers, and teachers with advanced degrees, including Doctorates. Some of our teachers come from across the nation and the world. Each faculty and staff member brings a wealth of experience, talent, and knowledge to the classroom. The teaching faculty is comprised of 25% non-Caucasian instructors, and four members (7%) of our teaching staff are originally from countries outside of the US.

o School Leadership: The Administrative Team, comprised of the principal, Dr Andre M. Dukes, and four (4) assistant principals, supervises the effective implementation of programs that enhance the entire school. Administrative duties, along with the name of the administrator assigned to each duty, are printed in the faculty handbook. The principal and assistant principals visit classrooms on a rotating schedule and are visible and accessible throughout the day. Administrators also work closely with the Magnet Coordinator, Freshman Academy Coordinator, and Instructional Coach. The administration maintains a high level of communication with the faculty, student body, staff, parents, school district, and community members.

### **Student Population Data:**

Southside's school motto is *Celebrating Diversity. United in Learning*. Our diversity is our strength; Southside is the most diverse high school in the Greenville County School District. Southside students are from 11 different countries (Germany, Lebanon, Kenya, Mexico, India, France, China, Japan, El Salvador, England, and US) and speak 28 different languages. Our diverse student body is composed of students making up the following subgroups: Black/African American (63.2%), Hispanic (24%), Caucasian (5.5%), Two or More Races (3.9%), Asian (3%), and American Indian (0.4%). Additionally, 18.3% of our students are English Language Learners, and 19% are served by an IEP or 504 plan.

Southside Student Demographics

Additional Demographic Info

- Transient Student Population: The transient nature of our community and student population has a profound effect on teaching and learning and ultimately on our student achievement. A significant number of students enroll and withdraw from our school throughout the school year and often on a daily basis; sometimes multiple times during the year, and at times repeatedly over multiple years. Typically, close to 200

students, about a quarter (1/4) of the entire student body, transition in or out of our building each year.

- Perpetual student turnover throughout the school year negatively impacts instruction and learning. Continuous turnover in the classroom creates instructional and management challenges for the teacher. Gaps in student learning develop as a result of moving from one school to another during the school year and impact the continuity of a student's education. On-going student enrollment (enrollment *after* August, the beginning of the school year) directly impacts our school-wide high stakes test results and school-wide student achievement and more significantly, negatively impacts our students.
- Lastly, our student population, with a poverty index of 76.1%, has been greatly affected by the COVID-19 pandemic. Many of our students have elected to enroll in our Virtual Program option, so that they can hold paying jobs during the day. Many of our students are now working full time, and many more are responsible for providing care for younger children and other family members. Teachers have been working hard to accommodate these students' needs, but for many of them, earning money for their household has now trumped academic priorities during the day.

### **Program Initiatives:**

- International Baccalaureate (IB) Program:  
The International Baccalaureate Organization (IBO), founded in 1968, is a nonprofit educational foundation based in Geneva, Switzerland. The foundation offers a comprehensive two-year curriculum—available in English, French, and Spanish—that allows students to fulfill certain requirements of various national education systems.

The IB program is internationally recognized programs with an emphasis on global perspectives. It is a holistic style program with a prescribed course of study that encompasses six areas; English, history, science, foreign language, math, and an IB approved elective that emphasizes process and integration of content across content areas. The IBO's Diploma Programme is a high school program offered to students in the final two years of school. Course work is divergent – asking “why” more than “what”. The program maintains rigorous world-wide assessment criteria standards.

- Advanced Placement (AP) Program:  
The AP program provides leadership and services for academically talented students with more emphasis on the academic rather than the philosophical. It is a cafeteria-style program in which students have an opportunity to take college-level courses and exams while still in high school. Students may pick and choose content-driven courses. Southside currently offers 13 AP courses, including courses such as AP Calculus, AP Chemistry, AP Biology, and AP Psychology.
- Advancement Via Individual Determination (AVID) Program:  
The AVID program is a college readiness system to prepare students in the academic middle for four-year college eligibility by taking more rigorous courses at Southside (Dual Credit, AP, or IB). The three main components of the AVID college readiness system are academic instruction, tutorial support, and motivational and college prep activities. Teachers throughout the building learn and implement AVID strategies for all students through a multi-pronged, differentiated approach to professional development. During the 2019-20 school year, our AVID elective class hosted a demonstration of the tutorial process for parents (PIE- Parents Involved in Education), as well as a visit from

American Civil Rights icon, Reverend Jesse Jackson.

- o Dual Credit Program

Southside's Dual Credit Program provides learning opportunities that allow every student to develop and demonstrate talents, interests, and modern workplace skills. Students earn college credits as they take Greenville Tech courses, right here on our campus. It is our goal to increase the number of students attaining College and Career Readiness as defined by the state accountability model

- o Freshman Academy Program:

The 9<sup>th</sup> Grade Freshman Academy is a comprehensive program that strives to provide each 9<sup>th</sup> grade student with a challenging and nurturing learning environment that ensures a smooth transition from middle to high school. It seeks to ensure the academic success of its students by increasing the promotion rate for all freshmen, improving the quality of parental involvement, decreasing the number of discipline referrals, and increasing the attendance rate and passage rate for the End of Course Examinations. We enthusiastically promote good citizenship through consistent discipline and positive behavioral encouragement programs.

- o Targeted Intervention Groups Engaged in Reaching Students:

This year, our Assistant Principals developed a plan to assist our most at-risk students (we call these students tier 2 and 3 based on Q1 failure reports and attendance). These are the students teachers are tirelessly calling to no avail and students who may participate, but are very inconsistent. Working with a few different groups in our building, these students have been selected for weekly intervention work. Each week their mentor will work with them to not only be academically successful, but also to address any other performance issues and work together with the student to devise a success plan. Mentors meet regularly with their selected students and parents and hold "Power" conferences to plan for success moving forward. T.I.G.E.R.S. (Targeted Intervention Groups Engaged in Reaching Students) was created with our core values in mind-Relationships, Readiness, Relevance, and Responsiveness.

- o Character Education Program:

Southside High School Freshman Academy, in collaboration with the YMCA Teen Achievers Program, incorporated a developed curriculum focused on structuring and nurturing the professional development of teens in grades 9-12. The program works hand-in-hand with community professionals, who help guide and mentor teens to make sensible decisions concerning their future. It not only benefits the student participants, but the community as well.

- o Credit Recovery:

Credit Recovery, initiated by Greenville County School District, allows a student who has received a 50 or higher in a course to take the SC Virtual course on-line and recover the credit. The SC Virtual curriculum is closely aligned with SC standards. Additionally, students have access to the SC Virtual programs from home and can work at their own pace in school or at home.

- o Seat-Time Recovery:

Seat-Time Recovery gives students who are currently passing a course and have more than the maximum number of absences allowed the opportunity to recover class hours by attending Seat-Time Recovery. Seat-Time Recovery will enable participants to make up the hours required to receive credit for a course.

## Program Features

- o Academic Team
- o Academic Tutoring and Coaching
- o Accelerated Reading Program
- o AFJROTC Academic Team
- o AFJROTC Drill Team – Nationally Ranked
- o Art Club
- o Athletic Programs – Baseball, Basketball, Cheerleading, Cross Country, Football, Soccer, Softball, Tennis, Track & Field, Volleyball
- o Back-pack Program
- o Beta Club
- o Black History Month
- o Drama Club
- o Fine Arts – Band, Chorus, Art, Drama, Guitar, Piano
- o Forensics (Speech & Debate)
- o Interact Club
- o International Festival
- o Junior Marshals
- o Kitty Hawk Honor Society
- o Miss Southside Pageant
- o National Honor Society
- o Poetry Out Loud
- o Personal Finance
- o Southside Literary Arts Magazine
- o STEAM TEAM
- Step Team
- o Student Council
- o Students for Change
- o Tiger Grit
- o UNITED
- o Yearbook
- o Youth in Government

## Mission, Vision, and Beliefs

- Mission:

Southside High School's mission is to stimulate lifelong learning and to promote an understanding of community and curriculum standards by providing opportunities for students to apply acquired skills and by modeling desired behavior and attitudes. We will know students are learning and becoming productive, involved, caring citizens by maintaining data that chart their progress so we can provide various levels of intervention to guide students toward success.

- Vision:

Preparing College and Career Graduates (All students college and/or career ready before graduation)

- Motto:

Celebrating Diversity. United in Learning.

- Values:

Our values at Southside High School can be expressed through the 4 R's:-  
Readiness- embrace student agency  
Relevance- transform teaching and learning  
Responsiveness, ensure organizational effectiveness  
Relationships, nurture a culture of inclusion and mutual respect

## Data Analysis and Needs Assessment:

- **Student Achievement Needs Assessment-**

- **ACT College Readiness Assessment Program**

Prior to 2015, the ACT was administered as an optional national college readiness assessment. Students who were interested in taking the test were required to pay a fee and take the test at an off-campus location on a Saturday. Generally, only the very motivated took the test.

As of 2017, *all* 11<sup>th</sup> graders (students in their third year of high school) in South Carolina, are given an option to take a college readiness assessment, The ACT and the WIN tests as state mandated college and career readiness assessments. The tests were administered at no cost to the student, at school, during regularly scheduled class time.

**ACT Subject-Area Mean Scale Scores- Southside High School- 2019-2020**

English	Math	Reading	Science	Composite
14.2	16.2	16.9	15.9	15.9

The Southside High School (SHS) 2019-20 ACT composite (English, Math, Reading, and Science) mean scale score was 15.9, compared to the South Carolina state-wide composite scale score of 18.4.

### **ACT Target Benchmark Scores**

ACT Subject-Area Scale Scores can range from 0-36, and two achievement levels are reported by the SC State Report Card: College Ready (met benchmark score) and Not Ready (benchmark score not met). ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses (source [here](#)). Students must meet the target benchmark score to be considered College Ready.

**Percentage of Southside High School Students Meeting ACT Benchmarks- 2019-2020**

English	Math	Reading	Science	All 4 Subjects:
Benchmark Score:18	Benchmark Score: 22	Benchmark Score: 22	Benchmark Score: 23	
25% Met (Up from 21.5%)	13.3% (Up from 12.4%)	20% Met (Up from 14.9%)	12% Met (Up from 11.6%)	11.7% Met all 4 (Up from 8.3% last year, and 6.6% the previous year)

The table above indicates the target benchmark score for each subject and the percent of SHS 11<sup>th</sup> graders who met the target benchmark score in 2019-20 and, therefore, are considered college ready.

Of the four ACT subject-area tests, English, Mathematics, Reading, and Science, the greatest percentage of the SHS 11<sup>th</sup> grade students who tested met the English subject-area target benchmark score. The subject area in which the fewest percentage of SHS 11<sup>th</sup> grade students met the target benchmark score was Science. 11.7% of students met *all* 4 subject benchmark target scores, which is an increase over the 8.3% from the previous year. All subject areas showed growth over the previous year.

- **EOCEP (End of Course Examination Program) Passage Rate**

Currently, South Carolina requires students enrolled in English 1\*, Algebra 1, Biology, and U.S. History to take a standardized multiple choice exam near the end of the course. The exam score is cumulative and comprehensive, and is calculated as 20% (10% in 2020-2021) of the student's final grade (\*this will change to English 2 as of 2020-2021).

On March 27, 2020, the U.S. Department of Education approved South Carolina's request to waive spring statewide assessments, accountability ratings, and certain reporting requirements in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to the novel Coronavirus disease (COVID-19). This included EOC testing, so 2019-2020 data is not available. The most recent (2018-2019) EOC data is below.

### 2018-2019 EOC Scores- Southside High School

	Algebra 1	English 1	Biology 1	US History
% Earning A, B, or C	32.6%	43.4%	28.6%	22.9%
Total % Passing	56.6%	63.3%	45.6%	38.9%

Generally, students take these courses in high school. Many of our most academically ambitious students take English 1 and Algebra 1 courses at the middle school. Their scores are not reflected in our EOC passage rate data.

Although test content can signal what is important for students to learn and for teachers to teach, teachers are not permitted to view or review actual test questions. Likewise, detailed test results can be valuable to improve teacher effectiveness; unfortunately, details (such as specific areas students struggled with or skills students failed to adequately demonstrate) are not provided by the state to the teachers.

Not all students entering a course of study bring with them established study habits and diligence, adequate skill sets, or comparable prior knowledge. A student's below-grade reading level or limited vocabulary knowledge can greatly impact a student's ability to comprehend a question or demonstrate content knowledge within the confines of a multiple choice test.

- **Four-Year Cohort Graduation Rate:**

Southside's On-Time Graduation Rate, like many other metrics, decreased during the COVID-19 pandemic and the resultant toll on students and families. In 2019-2020, our graduation rate decreased to 71.1 (down from 75.7% in 2019). The graduation rate is negatively impacted by students who graduate late (these are not included in the on-time graduation rate), and by students enrolled in the Special Education Occupational Program, who do not receive a SC State diploma. Our graduation rate is also decreased when students leave Southside High School to enroll elsewhere, but fail to inform the school of their whereabouts are considered dropouts.

Fortunately, due to the investigative efforts of our counselors and administrators, Southside's Dropout Recovery Rate has increased by to 8.3% (up from 6.7% in 2019) and is defined as "the proportion of students in grades 9-12 who, having dropped out during a particular year, re-enrolled in a public school or diploma program within the first 135 days of the next academic year". Additionally, while the percentage of graduates enrolled in a two- or four-year college or technical college pursuing an associates degree, certificate, or diploma in Fall (63.6% in 2019) was not reported this year, we have experienced an increase in the number of students in the graduation cohort who have completed FAFSA forms, presumably with the intention of applying to college, to 98% (up from 84% in 2018-2019).

- **Advanced Placement Tests (AP Tests) % Scoring a 3 or Above**

Since 1984, each school district in South Carolina has been required to provide Advanced Placement (AP) courses in all secondary schools that include grade eleven or twelve. These classes prepare students for the national AP examinations. Most colleges and universities in the United States grant course credit based on AP test scores; students who score 3, 4, or 5 on an AP exam are, in many instances, considered qualified to receive credit for the equivalent course(s) at colleges and universities that give credit for AP exams. A score of 3 indicates Qualified, a 5 indicates Extremely Well Qualified.

**Advanced Placement Tests- Southside High School- 2018-2019**

Number of Students Taking AP Tests	Number of AP Exams Administered	Total # of Students Scoring 3,4, or 5	Percentage of Students Scoring 3,4, or 5
101	201	81	55%

- **SAT Mean Scores**

The SAT is a national college readiness assessment generally taken by high school juniors and seniors. It is often used as part of a college admissions process.

Prior to 2015, the SAT was administered as an optional national college readiness assessment. Students who were interested in taking the test were required to pay a fee and take the test at an off-campus location on a Saturday. Generally, only the very motivated took the test.

As of 2017, *all* 11<sup>th</sup> graders (students in their third year of high school) in South Carolina, with exception of those who were eligible for alternate assessments, were given an option to take the SAT tests as one of two state mandated college and career readiness assessments. The tests were administered at no cost to the student, at school, during regularly scheduled class time.

**SAT Exam- Southside High School- 2019-2020**

Percent of Students Tested	Average Score- Evidence Based Reading and Writing	Average Score- Math	Average Composite Score
<b>59.8</b>	471	447	918

- **Other Measures of College and Career Readiness**

In addition to graduation rate, EOC testing, AP & IB assessments, and SAT & ACT's, the following are other metrics that demonstrate how Southside is meeting the needs of students to become college and career ready:

Dual Enrollment Courses	CTE Courses	WIN Ready to Work Assessment	ASVAB Test	Overall Career Readiness
12 (4.5%) students enrolled,  50% completed six hours of dual enrollment course work with a grade of C or higher	432 students enrolled in CTE courses  23 CTE Completers  46 Earning National or State Credential	74 students (39.6%) of students in the graduation cohort earned a platinum, gold, or silver certificate on the career readiness assessment	20 students (10.7%) in the graduation cohort scored a 31 or higher on the ASVAB	81 (43.3%) of students in the graduation cohort are career ready

### **Teacher and Administrator Quality**

Professional development is very important at Southside High School. Professional development within the building aligns very closely with our vision of preparing college and career-ready graduates, and with the following three school-wide goals:

- Achieve language and mathematical literacy, and apply the resulting knowledge, skills, and competencies acquired across all disciplines. Professional Development sessions for the 2020 school year are as follows:
  - Monthly Anchor Sessions- with a Schoolwide Focus on Literacy through the AVID lens (WICOR strategies)
  - Instructional Rounds - sharing best practices in writing, inquiry, collaboration, organization, and reading
  - Coaching Conversations with Administration and IC- ongoing throughout the year
- Increase percentage of SHS students who graduate ready to enter postsecondary education to pursue a degree or national industry credential without the need for remediation in mathematics or English. Professional Development sessions for the 2020 school year are as follows:
  - Weekly Collaborative PLC Sessions- focusing on analysis of student data and using it to make instructional decisions
  - Monthly 1:1 Technology Sessions- focusing on personalized learning and 21st Century Skills
  - AVID Training- learning best practices and AVID-tested strategies
  - Monthly Virtual PD- with a focus on using technology for formative assessment
  - Student-Centered Coaching Cycles with IC- ongoing throughout the year
- Contribute to the wellbeing of the school community (Lead and follow, as appropriate; Develop and maintain positive relationships; Manage conflict; Reach consensus around common goals). Professional Development sessions for the 2020 school year are as follows:

- Monthly New Staff Sessions (Team Tiger)- to support teachers new to Southside  
Additionally, Greenville County School District provides training opportunities through its Summer Academy, as well as workshops and institutes sponsored by various departments throughout the year.

- **School Climate Needs Assessment**

### **Student Attendance Rate**

The student attendance rate increased from 93.75% to 96.07% during the 2019-2020 school year. Southside administration and attendance staff communicates consistently with district attendance supervisors and drop-out specialists to provide support to students with attendance issues. With fewer tardies and absences, students benefit from essential instructional time. We have also implemented the OnTrack conference system, where target students are chosen and their needs -- including academic, social, and attendance support -- are discussed and planned for amongst teachers, administrators and counselors. This year, in an effort to encourage better student attendance and academic performance, Southside High School implemented T.I.G.E.R.S. (Targeted Intervention Groups Engaged in Reaching Students), with groups of students being selected for weekly intervention work.

### **Evaluations by Teachers, Students, and Parents**

Students, parents, and teachers of Southside are encouraged annually to give feedback on their experiences at the school. This is so that all stakeholders can contribute to the conversation about our school climate, and our ongoing work to increase student engagement and deepen learning. The scores from students at the highest grade at each school are included in the school's report card. Note on missing data: On March 27, 2020, the U.S. Department of Education approved South Carolina's request to waive spring statewide assessments, accountability ratings, and certain reporting requirements in the Elementary and Secondary Education Act

(ESEA) for the 2019-2020 school year due to widespread school closures related to the novel Coronavirus disease (COVID-19). Because of this, the AdvancEd Survey was not administered during the 19-20 school year. Below please find results from 2018-2019. We had 86.8% of our students participate in the survey process; Southside's responses were as follows:

**School Report Card Results from AdvancEd Survey- Southside High School- 2018-2019**

	Teachers	Students	Parents
Percent satisfied with learning environment	40%	71.1%	66.7%
Percent satisfied with social and physical environment	60%	78.5%	0%
Percent satisfied with school-home relations	36.7%	83.2%	66.7%

Clearly, students are more satisfied with the social and physical environment than their parents are. Our administration, leadership team, and School Improvement Council are working closely together to improve communication and determine how to share and meet expectations to create the optimal environment for our students.

- Link to Southside High School's 2019-2020 SC SDE School Report Card- available [here](#)

**Impact of COVID-19:**

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- SC READY (English language arts and mathematics in grades 3–8);
- SCPASS (science in grades 4 and 6);
- End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been waived;
- Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness
- Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators (myIGDIs™), and Teaching Strategies® GOLD); and
- Alternate Assessments – some students have already taken the alternate assessments.

The following assessments were unable to be administered due to COVID-19 and required a waiver

- Grade 10 PSAT
- Ready to Work
- ACT, SAT
- AP, IB, Cambridge International

**Performance Goal Area:**   ☒ Student Achievement\*   ☐ Teacher/Administrator Quality\*   ☐ School Climate (Parent Involvement, Safe and Healthy Schools, etc.)\* (\* *required*)   ☐ District Priority *Gifted and Talented Requires*   ☐ Gifted and Talented: Academic   ☐ Gifted and Talented: Artistic   ☐ Gifted and Talented: Social and Emotional
