SCHOOL RENEWAL PLAN COVER PAGE

SCHOOL NAME: Tanglewood Middle School

SCHOOL RENEWAL PLAN FOR YEARS 2018-19 through 2022-2023 (five years)

SCHOOL RENEWAL ANNUAL UPDATE FOR 2021-2022 (one year)

Required Signature Page

The school renewal plan, or annual update, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) (S.C. Code Ann. §59-139-10 *et seq.* (Supp. 2004)), the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. §59-18-1300 *et seq.* (Supp. 2004)), and SBE Regulation 43-261. The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the chairperson of the School Improvement Council, and the School Read to Succeed Literacy Leadership team lead are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

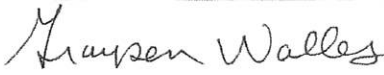

Assurances for the School Renewal Plans

The assurance pages following this page have been completed and the district superintendent's and school principal's signature below attests that the school/district complies with all applicable assurances requirements including ACT 135 assurance pages.

SUPERINTENDENT

Dr. W. Burke Royster		April 13, 2021

ASSURANCES FOR SCHOOL RENEWAL PLANS

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all federal and state applicable statute and regulation requirements, including those listed.

Early Childhood Development and Academic Assistance Act (Act 135) Assurances

[S.C. Code Ann §59-139-10 *et seq.* (Supp. 2004)]

NA **Academic Assistance, PreK–3**

The district makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

X **Academic Assistance, Grades 4–12**

The district makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).

X **Parent Involvement**

The school encourages and assists parents in becoming more involved in their children's education and will make special efforts to meet with parents at convenient times, provide parents with their child's individual test results, interpretation of the results, and information on the district's curriculum and assessment program. The school will encourage frequent communication between home and school, thus providing more opportunities for parental participation. The school will make efforts to designate space for parents to access educational resource materials. Part of the principal's and superintendent's evaluation may include parental involvement expectations. The school will make efforts to provide parents with information pertaining to expectations held for them by the school system, such as ensuring the attendance and punctuality of their children.

X **Staff Development**

The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council's revised *Standards for Staff Development*.

X **Technology**

The district integrates technology in professional development and classroom instruction in order to improve teaching and learning.

X **Innovation**

The district funds innovative activities to improve student learning and accelerate the performance of all students.

X **Collaboration**

The district (regardless of the grades served) collaborates with health and human services agencies such as county health departments, social services departments, mental health departments, First Steps, and the family court system.

X **Developmental Screening**

The district ensures that students receive all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program is primarily at primary and elementary schools although screening efforts could take place at any location.

NA **Half-Day Child Development**

The district provides half-day (and sometimes full-day) child development programs for four-year-olds. The programs primarily operate at primary and elementary schools, may be at locations with other grade levels, or be located in a completely separate school.

NA **Developmentally Appropriate Curriculum for PreK–3**

The district ensures that the scope and sequence of the curriculum for PreK–3 is appropriate for the maturity levels of students. Instructional practices accommodate individual differences in achievement levels and take into account the student's social and cultural context.

X **Parenting and Family Literacy**

The district provides a four-component program for parents and children that integrates all of the following activities: interactive literacy activities between parents and their children; training for parents to be partners in their children's education; parent literacy training in economic self-sufficiency through adult education; and age-appropriate education to prepare children for success in school and life experiences. Family Literacy is not grade specific, but is generally most appropriate for parents of children at or below the primary and elementary school levels, and secondary school students who are also parents. Family Literacy program goals are to strengthen parental involvement in the learning processes of preschool children ages birth through five years; promote school readiness of preschool children; offer parents special opportunities to improve their literacy skills and education; provide parents educational opportunities; and identify potential developmental delays in preschool children through developmental screening.

X **Recruitment**

The district makes intensive efforts to seek out and serve those parents or guardians of children, from birth to five years of age, who are considered at-risk for school failure. "At-risk children" are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): poverty, limited English proficiency, significant developmental delays, a parent without a high school diploma or equivalent, instability or inadequate housing and/or family, poor health (physical, mental, emotional), and/or child abuse and neglect.

X **Coordination of Act 135 Initiatives with Other Federal, State, and District Programs**

The district makes efforts to ensure that all programs and funding, including Act 135 initiatives, are coordinated with programs such as Head Start, First Steps, Title I, and programs geared towards students with disabilities.

Stakeholder Involvement for School Renewal

	Position	Name
1.	Principal:	Dr. Graysen Walles
2.	Teacher	Dr. Thea Dirton
3.	Parent/Guardian:	Ms. Susan Darnell
4.	Community Member:	Ms. Holly Grady
5.	School Improvement Council Member:	Mrs. Alecia Brewster
6.	OTHERS* (May include school board members, administrators, School Improvement Council members, students, PTO members, agency representatives, university partners, etc.)	
	On Track Lead:	Mrs. Laura Johnson
	Assistant Principal:	Ms. Kristin Alewine
	Title 1 Director:	Mrs. Randolyn Harmon

Introduction

Tanglewood Middle School has been engaging in the self-study process from the very beginning. A strong collaborative culture through Professional Learning Communities (PLC's) and special study groups have shaped the evolving character and outcomes of Tanglewood. As a diverse multi-language community, Tanglewood leadership and staff are committed toward developing relevant teaching and learning frameworks, while also monitoring and managing social emotional learning, positive behavior incentive programs, and overall culture and climate for both adults and students. Tanglewood's leadership and staff have worked collaboratively over the years on enhancing formative and summative assessments, tailoring authentic student feedback, utilizing standardized test data to influence instruction and assessment, implementing student academic interventions, and mentoring at-risk students. Title 1 funding has also enabled Tanglewood to better support students through a variety of enrichment activities, as well as parental support programs. From 1:1 chromebook initiatives to strong literacy programs that include schoolwide synchronous reading of young adult thought provoking novels. Since 2008, Tanglewood has been committed to the Key Practices of Making Middle Grades Work.

1. **High Expectations** — Establish policies and practices that inspire each student to complete intellectually demanding courses that prepare them for success in high school. **(Leadership for Continuous Improvement)**
2. **Aligned Curriculum** — Design and deliver instruction that helps each student understand and achieve the full intent of state standards.
3. **Integrated Literacy** — Help teachers in all disciplines, including English language arts, social studies, science and mathematics, integrate literacy strategies into their instruction, assignments and assessments.
4. **Access and Equity** — Ensure each student, including underrepresented and nontraditional students, has access to high-quality courses, instruction and resources.
5. **Student Engagement** — Use research-based instructional strategies and innovative technology practices to actively engage each student.
6. **Teacher Collaboration** — Provide teacher teams with the training, time and support they need to work together to improve instruction.
7. **Quality Career and Technical Education** — Provide developmentally appropriate career exploration experiences that prepare each student to make informed career pathway choices in high school.
8. **Guidance and Advisement** — Provide guidance programs that empower each incoming middle grade student and rising ninth grader to transition successfully to the next grade.
9. **Interventions and Enrichments** — Personalize supports for each student based on their unique identified needs.
10. **Culture of Continuous Improvement** — Engage the whole school community in continuously analyzing data to identify problems of practice, devise action plans for solving those problems and monitoring student learning outcomes.

School Portfolio Team: Dr. Graysen Walles, Dr. Thea Dirton, Rachel Sachritz, Alecia Brewster

Executive Summary

2021-2021 Update

Description of the School:

Located on the Westside of Greenville County, Tanglewood Middle School's (TMS) 16 year old facility sits on 60 acres of land nestled between a growing industrial community and residential neighborhoods, which according to the census is classified as a lower middle class community. TMS serves a continuously growing middle age student community of 831 in grades sixth through eighth both in-school and virtual. A unique feature of Tanglewood is its cultural and multi-language diversity. There are approximately eight Latin countries represented at Tanglewood with a fast-growing Latinx enrollment of approximately 51% to date. The balance of our student demographic consists of approximately 30% African American, 14% White, 4% multi-racial, and 1% American Indian/Alaska Native. The school staff demographic comprises approximately 64% White, 23% African American, 9% Latinx, 2% multi-racial, and 2% other.

Tanglewood is also designated as a Title 1 school, with a 90% poverty rate among its families, which increases school funding and these funds are used to primarily decrease class sizes by hiring more teachers, increasing parental support programs and providing additional academic support resources to at-risk students.

Due to such a high poverty rate, our district and school teams realized that there was a great need to meet the needs of the whole student so as to decrease the opportunity gaps that prevent academic success, this gave rise to a very unique partnership. In 2015 The United Way of Greenville County became a critical partner to Tanglewood, enabling TMS to become a wrap around focus school. This approach and partnership brought multiple agencies together to support the needs of families with unique needs and extenuating situations. Programs such as OnTrack, Communities in Schools, Prisma Health, and the South Carolina Department of Mental Health make Tanglewood a more relevant and holistic system that meets both the academic and social emotional needs of all of our families.

Due to the world wide pandemic, Tanglewood has not participated in state testing since the 2018/2019 school year in which an average score of "37" was achieved, consistent with the prior year, 2017/2018, same score. While the score reflects an average score, the commitment to excellence and the drive for an excellent score is demonstrated by a concise and greater focus in the last three years on professional development, student supports, student engagement and family outreach. Our current motto "Success is the only option," is a reflection of our recent leadership transition and the continued commitment of our staff to strive for excellence and maintain high standards in all we do. While students take increasing responsibility for their education, our teachers simultaneously make instruction more relevant, engaging and aligned to state standards and high school readiness.

Notable Achievements and Areas of Improvement:

- Social Innovation Fund Grant United Way of Greenville: On Track Greenville
- Superior Band and Chorus Ratings
- Honors Band Members
- National Board Certified Teachers
- Closing the Achievement Gap Palmetto Silver Award
- United Way Campaign Award
- United Way Chairman's Award
- Greenville Women Giving grant recipient - \$73,000
- FIT's COOL School Challenge Reedy River Run Winner
- National Waggle Growth Contest Winners
- 2019-20 Prisma Hallways to Health Recipient
- 2019-20 Leadership Greenville Grantee – Construction of walking trail
- 6.2% decrease in student chronic absenteeism from 2019 to 2020
- Student chronic absenteeism decreased each year from 15-16 to 19-20

Outstanding Features and Programs:

- On Track Greenville Middle Grades Initiative
- On-Site School Based Health Clinic
- Communities In Schools
- On-Site Greenville Mental Health Services
- PBIS School
- 1:1 Chrome Books
- Afterschool Tutorial/Saturday School
- Algebra I Honors (HS Credit)
- English I Honors (HS Credit)
- Art I Honors (HS Credit)
- Chorus I Honors (HS Credit)
- Virtual Digital Citizenship (HS Credit)
- Spanish I (HS Credit)
- Band
- Career Education
- Duke Talent Identification Program
- Momentum Bike Club
- Student Government Association
- Mentoring Programs for all students
- Virtual classes for HS Credit
- Gateway to Technology
- Early Warning Response Teams
- Junior Beta Club
- Student Clubs (inclusive of running, art, crafts, gardening, anime)
- STAR Academy
- SIC (School Improvement Council)
- Math & Reading Intervention Courses
- Full-Time Social Worker
- Award-winning band

- Concert Performance Assessment - Superior/Excellent Ratings since 2014
- Solo and Ensemble Festival - Earned 25+ Superior ratings since 2014
- Student Membership in the Honor Bands of Greenville County since 2014
- Carowinds Festival of Music - Superior/Excellent Ratings since 2014
- Awarded as Best Bike Club in the Upstate by Momentum Bike Club
- Winner of the Reedy River 10K/5K Schools Fit Competition with more than 50 students, parents, and teachers downtown against all other middle schools – 11 wins out of the past 15 years of competition

Significant Challenges from the Past 3 Years:

- Hiring a faculty that is 100% highly qualified; 14 new teachers were hired for 2020-21, including 7 first- year teachers.
- Teacher turnover, which impacts consistency in pedagogy, skills, practices, content knowledge, and common philosophy.
 - 12 teachers have taught less than 2 years
- Continuing to improve the school culture in terms of all stakeholders
- Increasing student achievement
- Increasing parent involvement
- Implementation of inclusive practices
- Students reading below grade level
- Environmental barriers for at-risk students
- Growth in best practices for technology use after Chromebooks were purchased at a 1:1 ratio

Student Achievement:

- English 1 EOC performance increased from 92% passing in 2018 to 96.7% passing in 2019.
- Algebra 1 EOC performance increased from 54% passing in 2018 to 88% passing in 2019.
- SC READY ELA performance decreased from 21.7% passing in 2018 to 16.6% in 2019.
- SC READY Math performance increased from 21.86 passing in 2018 to 18.9% in 2019.
- SCPASS Social Studies performance increased slightly from 52% passing in 2018 to 52.3% in 2019
- SCPASS Science performance increased from 27.1% in 2018 to 22.2% in 2019.

Teacher and Administrator Quality:

- 100% of our teachers are highly qualified.
- 43% of our teachers and administrators hold advanced degrees with three additional teachers who are currently in the process of obtaining
- Four teachers and 1 Media Specialist are National Board Certified.
- Four teachers are certified in Gifted and Talented.
- Six staff members are certified as PAS-T evaluators.
- Five teachers are certified teacher mentors.

School Profile

Tanglewood Middle School understands that our families, staff, and community play a vital role in bringing in to fruition our shared vision. We are committed to developing a variety of relationships within our community in order to benefit our students and our community at large.

Tanglewood Middle School is helping all students develop world class skills and life and career characteristics of the [Profile of the South Carolina Graduate](#) by collaboratively fostering an engaging and challenging environment built upon the principles and tenets of [Making Middle Grades Work](#).

Our teachers worked persistently to create a student-centered culture infused with technology in our one-to-one [Chromebook](#) initiative. Google classroom, along with many computer applications, opened the door for collaboration among our students. The 21st Century setting provided enhanced opportunities for learning in all content and related arts classes. Tanglewood added technology classes to our curriculum this year and will be expanding the selections next year to include Google Apps and Business Applications. We want students to not only learn the fundamentals of these programs but to also earn high school credit while in middle school. We believe in and practice Greenville County Schools' [Graduation Plus](#) model!

In 2020, we completed our second year of the middle grades success initiative, [On Track Greenville](#), with The United Way of Greenville and the Social Innovation Fund Grant. In the recent past, Tanglewood Middle School has received extended support with a sixth grade summer bridging program provided by Building Education Leaders for Life (BELL). Public Education Partners (PEP) provided professional development for teachers on balanced literacy. Greenville Hospital System (GHS) holds a clinic on site twice weekly to offer healthcare directly to our students. Communities in Schools (CIS) provides a total of three Site Managers (one per grade level) to work directly with children identified by the Early Warning and Response System. Greenville County Schools (GCS) also provides an additional Mental Health Counselor to work with our youth. This initiative is an innovative approach to enhancing academic achievement and could not have occurred without the support of the Greenville Partnership for Philanthropy and a growing list of [funders](#).

Our band program continues to flourish, they have received several honors including Superior and Excellent ratings from the South Carolina Band Directors Association in 2018 and 2019 as well as a *Superior* rating from the Festival of Music in 2018 and 2019. The band at Tanglewood Middle School will continue to grow and thrive thanks to the generous contribution of [Greenville Women Giving](#). Our school was awarded a grant in the amount of \$73,242 to purchase new instruments and supplies for the band program.

School Personnel

The professional staff of Tanglewood Middle School includes 43 classroom teachers who are divided into six academic teams. There are also nine related arts teachers and five special education teachers. In addition, there are three full-time inclusion teachers and two self-contained special education teachers. The administrative staff consists of a full-time principal, 2 assistant principals, and 1 administrative assistant. The student-teacher ratio in core academic classes is typically 22:1.

TMS Teaching Staff 3 Year Demographic			
	2018/2019	2019/2020	2020/2021
Male	30.95	30.95	30.95%
Female	69.05	69.05	69.05%
African American	23	23	23%
Latina	8	8	8%
White	64	64	64%
Multi	3	3	3%
Other	2	2	2%

Teacher attendance has been consistent over the last five years:

2016 Attendance Rate:	94.3%
2017 Attendance Rate:	95.0%
2018 Attendance Rate:	93.47%
2019 Attendance Rate:	92.73%
2020 Attendance Rate:	94.82%

Student Population

The residents of our attendance area have become more transient over the years. This high mobility rate affects the stability of our student population. Many of the homes in Tanglewood's attendance area are rental properties and mobile homes; which is also reflected in the percentage of students who live in poverty.

Currently all students receive universal free breakfast and lunch.

Our demographics have changed over the last five years with an increasing Hispanic population. The following data displays the changes in student demographics over recent years.

2015-2016 Tanglewood Middle School- Student Demographics

Grade Level	Total in Grade	Asian	Black or African American	Hispanic/Latino	American Indian or Alaska Native	Two or More Races	Native Hawaiian or Other Pacific Islander	White

Tanglewood Middle School provides 26.3% of our students with disability services in the areas of speech/language, learning disabilities, emotional disabilities, and other health impairments. Tanglewood continues to use an inclusion

model, with three self-contained teachers, and five full-time inclusion teachers. Four paraprofessionals serve as aides in the self-contained classes. To assist with our high enrollment of ESOL students, we currently have two full time ESOL teachers, and one half-time ESOL teacher. 5.9% of our students are identified as Gifted and Talented and receive Gifted and Talented services. 54 of our students participate in the Early College program. Early College students are zoned for Tanglewood Middle School, but actually attend classes at the University Center in Greenville, SC. While the Early College students are taught at a separate campus by different teachers, their state test scores are calculated as part of Tanglewood. Currently, we have nine subgroups that influence our ESEA/Federal Accountability grade: All Students, Male, Female, White, African American, Hispanic, Disabled, Limited English Proficient, and Subsidized Meals.

Major Academic and Behavioral Features/Programs/Initiatives

Instructional Support:

Instruction is supported by the Administrative and Academic Leadership Team, consisting of the instructional coach, literacy coach, and district ELA and math coaches. Grade level and content area PLCs meet weekly for professional development and data analysis. Our two, school based instructional coaches, and two Title 1 math/ELA coaches facilitate data/assessment development meetings and offer professional development related to current scientific research and best practices. In addition, they offer to model lessons in the classroom, observe and give feedback, and dialogue with teachers about their strengths and weaknesses.

Teachers have participated in professional development for creating rigorous and relevant assignments and for analysis of Bloom's taxonomy. Teachers work in professional learning communities to dissect and score assessments relative to how well they are aligned to standards and proficiency. The Instructional Coaches, administration, and the District Academic Specialists facilitate PLCs focused on planning and implementing formative and summative assessment strategies, and on analyzing assessment data.

Mission, Vision, Values and Beliefs:

Mission:

At TMS our purpose is to keep all TMS students engaged in school and on track for high school within three years.

Vision:

Our vision is to ensure that every student leaves TMS with the skills and knowledge to successfully complete post secondary goals and be actively engaged as a contributor to their local community.

Values:

Trust in other people and in your community eases working relationships. Trust is established in a system where all members are doing their best work, where structures and policies are fair and all will be treated fairly.

Respect allows for individual points of view and opinions to be shared. Students show respect by listening to other points of view, being prepared, meeting deadlines, and performing to the best of their ability. Teachers show respect by listening to students' ideas and by providing full and honest feedback.

Responsibility means acknowledging your agency and accountability in daily actions and in your work. Everyone is personally invested in performing their work with integrity and encourages others to act with integrity too. Academic integrity starts with individuals and positively influences the entire community.

BELIEFS:

We believe: *All Students Can Learn*

- High expectations should be in place in all settings.
- Adequate support for supplies and resources is necessary for success.
- Differentiated Instruction is critical in helping students learn.
- The celebration of success is needed to provide a nurturing environment.
- Students should take ownership of their learning.
- Data collection in all forms of assessment is crucial to setting goals with students.

We Believe: *Teachers, administrators, parents, and the community share the responsibility for advancing the school's mission.*

- It is necessary to promote a positive perception of Tanglewood in the community.
- It is necessary to build strong relationships between parents, teachers, administration and students.
- It is necessary to build and encourage strong community partnerships.

We Believe: *Students learn best when they are actively engaged in the learning process.*

- In sharing best practices: cooperative learning, guided discussions, technology integration, group interaction, differentiation catered to learning styles.
- Students learning best from each other with peer tutoring.
- In authentic, real world, activities in the classrooms.
- Assessments, formal, informative; formative and summative are the key to planning and teaching.
- Self-reflection allows for growth and change.
- Cultural awareness is a necessity.
- Students are at the center of all learning environments.
- Pertinent, positive feedback is needed to guide student learning.
- In the use of higher order thinking skills and questioning techniques.

We believe: *Each student is a valued individual with unique physical, social, emotional, and intellectual needs.*

- Guidance and other programs exist to assist with emotional and intellectual needs.
- In PBIS
- Relationship building and mentoring are critical to the success of our students.
- In praise for strengths and accomplishments.
- Students should be respected by each other and adults.
- It is imperative to have an awareness of home.
- In differentiating the ways students present what they have learned.
- Related arts programs highlight talents.
- Tutorials are needed to aid achievement.
- All students are held to the same high expectations.
- Programs should be in place to assist students with making better decisions.

We believe: *Students learn in a variety of ways, so the curriculum and instructional practices should incorporate a variety of learning activities to accommodate differences in learning styles.*

- In understanding and acknowledging the learning styles of all students (learning styles inventories).
- In exposing students to a variety of learning styles.
- In varying learning activities.
- Engaging students in instruction at all times.
- In providing rigor in classroom instruction.
- In maintaining high expectations for learning.
- In the integration of the arts across the curriculum.
- In data-driven instruction.
- In the Incorporation of students' strengths.
- In Sharing of best practices.
- In School-wide commitment to varying teaching practices.
- In integrating multiple intelligences in the classrooms.

DATA ANALYSIS AND NEEDS ASSESSMENT

2020/2021 Comprehensive Needs Assessment

Tanglewood Middle School staff members recognize the importance of creating an academic environment characterized by positive relationships and a climate of trust. Our staff members are helping all students develop world class academic skills while enhancing core values and life skills as part of the Making Middle Grades Work initiatives. Our administrative team is comprised of a veteran principal, a veteran assistant principal a new assistant principal with one-year experience as an administrative assistant, and one administrative assistant with one prior year of experience at Tanglewood Middle. Tanglewood Middle School has a transient population of approximately 831 students including 28% African Americans, 51% Hispanics, 13% Caucasians, 4% Native and 4% Bi-Multi Racial. The population includes approximately 54.43% males, 46.57 female students, and special services focus on approximately 6% Gifted and Talented students, 37.1% ELLs (English Language Learners), and 24.17% with IEPs. The 2019 SC Ready achievement results provide us data to support current initiatives and strategies.

The results from the SC READY for ELA test for 6th grade that was administered in Spring 2019 based on gender show, 0.7% of the females exceeded the expected score; 15.6% met the expected score; 42.6% were approaching the expected score; and 41.1% did not meet the expected score. The results of the male students were 5.0% exceeded the expected score; 11.8% met the expected score; 31.1% were approaching the expected score; and 52.2% did not meet the expected score. The results from the SC READY for ELA test for 7th grade that was administered in Spring 2019 based on gender show, 4.7% of the females exceeded the expected score; 27.4% met the expected score; 41.5% were approaching the expected score; and 26.4% did not meet the expected score. The results of the male students were 6.7% exceeded the expected score; 16.0% met the expected score; 27.7% were approaching the expected score; and 49.6% did not meet the expected score. The results from the SC READY for ELA test for 8th grade that was administered in Spring 2019 based on gender show, 5.7% of the females exceeded the expected score; 23.0% met the expected score; 40.2% were approaching the expected score; and 31.1% did not meet the expected score. The results of the male students were 3.1% exceeded the expected score; 15.4% met the expected score; 24.6% were approaching the expected score; and 56.9% did not meet the expected score.

The results from the SC READY for ELA test for 6th grade that was administered in Spring 2019 based on ethnicity show, 1.4% of the African American students exceeded the expected score; 11.9% met the expected score; 35.0% were approaching the expected score; and 51.7% did not meet the expected score. The results of the Caucasian students were 6.3% exceeded the expected score; 18.8% met the expected score; 34.4% were approaching the expected score; and 40.6% did not meet the expected score. The results of the Hispanic students were 4.5% exceeded the expected score; 13.4% met the expected score; 37.5% were approaching the expected score; and 44.6% did not meet the expected score. The results from the SC READY for ELA test for 7th grade that was administered in Spring 2019 based on ethnicity show, 2.1% of the African American students exceeded the expected score; 13.7% met the expected score; 36.8% were approaching the expected score; and 47.4% did not meet the expected score. The results of the Caucasian students were 11.1% exceeded the expected score; 37.0% met the expected score; 37.0% were approaching the expected score; and 14.8% did not meet the expected score. The results of the Hispanic students were 7.5% exceeded the expected score; 23.7% met the expected score; 30.1% were approaching the expected score; and 38.7% did not meet the expected score. The results from the SC READY for ELA test for 8th grade that was administered in Spring 2019 based on ethnicity show, 1.0% of the African American students exceeded the expected score; 15.7%

met the expected score; 36.3% were approaching the expected score; and 47.1% did not meet the expected score. The results of the Caucasian students were 9.3% exceeded the expected score; 11.6% met the expected score; 32.6% were approaching the expected score; and 46.5% did not meet the expected score. The results of the Hispanic students were 6.6% exceeded the expected score; 27.5% met the expected score; 26.4% were approaching the expected score; and 39.6% did not meet the expected score.

The results from the SC READY for Math test for 6th grade that was administered in Spring 2019 based on gender show, 2.1% of the females exceeded the expected score; 14.9% met the expected score; 39.0% were approaching the expected score; and 44.0% did not meet the expected score. The results of the male students were 4.3% exceeded the expected score; 16.1% met the expected score; 31.1% were approaching the expected score; and 48.4% did not meet the expected score. The results from the SC READY for Math test for 7th grade that was administered in Spring 2019 based on gender show, 4.7% of the females exceeded the expected score; 16.0% met the expected score; 37.7% were approaching the expected score; and 41.5% did not meet the expected score. The results of the male students were 6.7% exceeded the expected score; 13.4% met the expected score; 30.3% were approaching the expected score; and 49.6% did not meet the expected score. The results from the SC READY for Math test for 8th grade that was administered in Spring 2019 based on gender show, 6.6% of the females exceeded the expected score; 11.5% met the expected score; 34.4% were approaching the expected score; and 47.5% did not meet the expected score. The results of the male students were 10.8% exceeded the expected score; 3.1% met the expected score; 17.7% were approaching the expected score; and 68.5% did not meet the expected score.

The results from the SC READY for Math test for 6th grade that was administered in Spring 2019 based on ethnicity show, 2.1% of the African American students exceeded the expected score; 12.6% met the expected score; 34.3% were approaching the expected score; and 51.0% did not meet the expected score. The results of the Caucasian students were 6.3% exceeded the expected score; 12.5% met the expected score; 34.4% were approaching the expected score; and 46.9% did not meet the expected score. The results of the Hispanic students were 4.5% exceeded the expected score; 19.6% met the expected score; 35.7% were approaching the expected score; and 40.2% did not meet the expected score. The results from the SC READY for Math test for 7th grade that was administered in Spring 2019 based on ethnicity show, 1.1% of the African American students exceeded the expected score; 8.4% met the expected score; 34.7% were approaching the expected score; and 55.8% did not meet the expected score. The results of the Caucasian students were 3.7% exceeded the expected score; 25.9% met the expected score; 44.4% were approaching the expected score; and 25.9% did not meet the expected score. The results of the Hispanic students were 10.8% exceeded the expected score; 18.3% met the expected score; 30.1% were approaching the expected score; and 40.9% did not meet the expected score. The results from the SC READY for Math test for 8th grade that was administered in Spring 2019 based on ethnicity show, 3.9% of the African American students exceeded the expected score; 10.8% met the expected score; 25.5% were approaching the expected score; and 59.8% did not meet the expected score. The results of the Caucasian students were 9.3% exceeded the expected score; 2.3% met the expected score; 23.3% were approaching the expected score; and 65.1% did not meet the expected score. The results of the Hispanic students were 14.3% exceeded the expected score; 5.5% met the expected score; 26.4% were approaching the expected score; and 53.8% did not meet the expected score.

Teacher retention and professional development continue to be a high priority at Tanglewood as this will enable us to meet the needs of our students in order to show academic growth. Professional Development is built around school and district initiatives, as well as teacher needs based on surveys, observations, and teacher reflections. With the number of new or within the first three years of teaching, professional development will

be differentiated and new teachers will be paired with mentor teachers both within the school and the district. Additional support is given to teachers through mentors, coaching cycles, and team planning.

The Tanglewood faculty learn and apply new techniques as they strive to meet the needs of our ESOL, gifted, and academically challenged students by differentiating instruction and integrating lessons across the content areas. The results from the SC READY for ELA test for 6th grade that was administered in Spring 2019 based on ESOL and academically challenged show that as a school, 4.7% of the Limited English Proficient (LEP) students exceeded the expected score; 12.1% met the expected score; 36.4% were approaching the expected score; and 46.7% did not meet the expected score. The results of the learning-disabled students were 5.8% met the expected score; 7.2% were approaching the expected score; and 87.0% did not meet the expected score. The results from the SC READY for ELA test for 7th grade that was administered in Spring 2019 based on ESOL and academically challenged show that as a school, 5.7% of the Limited English Proficient (LEP) students exceeded the expected score; 22.7% met the expected score; 31.8% were approaching the expected score; and 39.8% did not meet the expected score. The results of the learning disabled students were 10.5% were approaching the expected score; and 89.5% did not meet the expected score. The results from the SC READY for ELA test for 8th grade that was administered in Spring 2019 based on ESOL and academically challenged show that as a school, 6.1% of the Limited English Proficient (LEP) students exceeded the expected score; 23.2% met the expected score; 26.8% were approaching the expected score; and 43.9% did not meet the expected score. The results of the learning disabled students were 3.3% met the expected score; 21.7% were approaching the expected score; and 75.0% did not meet the expected score.

The results from the SC READY for Math test for 6th grade that was administered in Spring 2019 based on ESOL and academically challenged show that as a school, 4.7% of the Limited English Proficient (LEP) students exceeded the expected score; 19.6% met the expected score; 30.8% were approaching the expected score; and 44.9% did not meet the expected score. The results of the learning disabled students were 4.3% met the expected score; 15.9% were approaching the expected score; and 79.7% did not meet the expected score. The results from the SC READY for Math test for 7th grade that was administered in Spring 2019 based on ESOL and academically challenged show, 10.2% of the Limited English Proficient (LEP) students exceeded the expected score; 15.9% met the expected score; 33.0% were approaching the expected score; and 40.9% did not meet the expected score. The results of the learning disabled students were 2.6% met the expected score; 13.2% were approaching the expected score; and 84.2% did not meet the expected score. The results from the SC READY for Math test for 8th grade that was administered in Spring 2019 based on ESOL and academically challenged show, 8.7% of the Limited English Proficient (LEP) students exceeded the expected score; 7.1% met the expected score; 26.8% were approaching the expected score; and 57.3% did not meet the expected score. The results of the learning disabled students were 13.3% were approaching the expected score; and 86.7% did not meet the expected score.

Approximately 90% of our students are classified as students of poverty. Over 54% of our students are from single parent homes. Over 57% of our students are reading at least one grade level below their current grade level. We recognize that our approach to building proficiency in math, reading and writing will continue to evolve, but will always be research based. It is with that in mind that we have recognized the need for renewed focus on implementing a plan that enhances what we are already doing, while simultaneously examining our practices with a high level of scrutiny to ensure positive results and positive student outcomes. We will conduct Professional Learning Communities during grade level planning to ensure that all lessons plans are rigorous, relevant, hands-on and intellectually stimulating. We will ensure lessons plans are standards driven;

instructional strategies are research based, and that student learning is centered around creativity, problem solving and higher-level thinking. All teachers will be provided professional development to help them effectively differentiate for all students. Project Based Learning and Blended Learning models will be a primary focus for instructional strategies at Tanglewood, because we know that research shows us that these models engage students and enhance 21st century skills needed in high school, college and career.

We will accentuate our work with our special needs students, our AA students, ESOL students and our young men [who perform across the board at a lower rate than our girls]. We will continue our efforts with the ON TRACK initiative, which allows us to consistently monitor students through multiple data points. Further, we recognize the importance of recognition of student achievement in academics and other areas of the curriculum, the participation / motivation of all students, and the improvement of parent participation. Parent involvement also presents a challenge. With that in mind, the school will host family events, and add academic components to Title I parent meetings and School Improvement Council meetings. Workshops and classes will be offered in technology, literacy, and math to help parents better assist their students at home. Acknowledging that not all parents can be involved at meetings and events at school, Tanglewood will offer opportunities for parents to be involved with the school and their students through use of google meets, and various forms of community outreach.

Teacher and Administrator Quality

As a Title 1 Middle School, Tanglewood is dedicated to providing only highly qualified and certified teachers and administrators to our students and families. Our professional development plan addresses areas of need for our teachers. Currently, 100% of our teaching and administrative staff are highly qualified and certified. Four of our teachers are National Board Certified.

Results of Teacher, Student, and Parent Opinion Surveys

	<u>Teachers</u>	<u>Students*</u>	<u>Parents*</u>
Number of surveys returned	22	215	71
Percent satisfied with learning environment	54.6%	82.3%	71.8%
Percent satisfied with social and physical environment	72.7%	80.5%	71.0%
Percent satisfied with school-home relations	36.3%	71.1%	67.2%

*Only students at the highest school grade and their parents were included

It is clear from the survey results that most of our teachers, students and parents are satisfied with the learning environment and social/physical environment. While most of our students and parents are satisfied with the home/school relations, a majority of our teachers are not. It is also clear that we must find a better manner in which to issue and collect our survey to our parents.

Discipline and Attendance Data (2019-20 to 2020-21)

Data Points	2019-2020	2020-2021	Change
Enrollment	741	826	11% Increase
# of referrals	2685	982	63% Decrease
# of Students with referrals	570	320	44% Decrease
% of Students with referrals	76%	39%	37% Decrease
# of referrals with OSS	536	70	87% Decrease
# of students with OSS	227	49	78% Decrease
% of students with OSS	30%	6%	24% Decrease
# of OSS days	971	80	91% Decrease

Tanglewood saw an 11% increase in student population, however, 360 or 43% of those are virtual students. Combined with the effects of virtual students and alternative attendance plans, Tanglewood saw a decrease in the number of referrals, students with referrals, and the use of out of school suspension. Students at Tanglewood spent 891 more days in school than out of school for suspension in comparison to last school year..

Action Plans

Impact of COVID-19:

On March 27, 2020, the U.S. Department of Education approved the SC Department of Education's request to waive statewide assessment, accountability, and reporting requirements of in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to COVID-19.

For spring 2020, South Carolina did not administer any of the following assessment programs:

- SC READY (English language arts and mathematics in grades 3–8);
- SCPASS (science in grades 4 and 6);
- End-of-Course Examination Program (English, Algebra, Biology, United States History and the Constitution) the requirement that these examinations count 20 percent has been
- waived;
- Prekindergarten assessments – 4-year-old kindergarten (Phonological Awareness
- Literacy Screening (PALS Pre-K™), Individual Growth and Development Indicators
- (myIGDIs™), and Teaching Strategies® GOLD); and
- Alternate Assessments – some students have already taken the alternate assessments.

Performance Goal Area: ☒ Student Achievement* ☐ Teacher/Administrator Quality* ☐ School Climate (Parent Involvement, Safe and Healthy Schools, etc.)* (* required) ☐ District Priority *Gifted and Talented Requires* ☐ Gifted and Talented: Academic ☐ Gifted and Talented: Artistic ☐ Gifted and Talented: Social and Emotional *1 Academic Goal and 1 Additional Goal* ☐ Gifted and Talented: Other

PERFORMANCE GOAL 1: The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase from 16% in 2016-17 to 31% in 2022-23.
Per SBE Regulation 43-261, measurable performance goals, written in five-year increments, shall be developed to address the major areas of discrepancy found in the needs assessment in key areas reported in the district and school report cards.
 SMART goal must include: WHO will do WHAT, as measured by HOW and WHEN.

INTERIM PERFORMANCE GOAL: The percentage of students scoring Meets Expectations and Exceeds Expectations on SC READY ELA will increase by 3% annually
