Bids that include agreements, terms, conditions, contracts and/or contract provisions which conflict with the District's General Terms and Conditions (attached) and/or which were not submitted prior to the Inquiry Deadline and/or were not approved by the District and/or conflict with the requirements of this solicitation, may be rejected by the District as non-responsive. The rights and authority to make such a determination is reserved solely to the Procurement Officers of the District's Procurement Department.

The District shall not accept any proposed agreement, contract, lease, terms and conditions or any other contractual document which may be included with the proposal that has not been previously submitted prior to the Inquiry Deadline or is referenced to be enforceable in the future. The District shall not accept any terms and conditions which would be prejudicial to other proposers and/or materially change the solicitation. Software licensing agreements are included in this requirement.

Interested firms are hereby given notice that a "Bid Response Certification" form is included within the solicitation and by signing the certification form, with no alterations allowed, the proposer agrees to be bound by the terms and conditions of the solicitation and by the District's General Terms and Conditions.

By signing an Agreement or by offering a bid or proposal or agreement, contractor agrees to subject itself to the jurisdiction and process of the District's Procurement Code and Regulations, the courts of the State of South Carolina or federal courts as to all matters and disputes arising or may arise under and in regard to the solicitation, Agreement and the performance thereof, including any questions as to the liability for taxes, licenses or fees levied by the State.

The solicitation and/or Agreement and any dispute, claim or controversy relating to the solicitation and/or Agreement shall, in all respects, be interpreted, construed, enforced and governed by and in accordance with the Procurement Code and Regulations of The School District of Greenville County and the laws of the State of South Carolina. All disputes, claims or controversies relating to the Agreement shall be resolved exclusively by the District's Chief Procurement Officer or Purchasing Agent/Procurement Director in accordance with Article XIV of The School District of Greenville County's Procurement Code or in the absence of jurisdiction, the Court of Common Pleas for, or a federal court located in, Greenville County, State of South Carolina. Contractor or offeror agrees that any act by the District regarding the solicitation and/or Agreement is not a waiver of either the District's sovereign immunity or the District's immunity under the Eleventh Amendment of the United States' Constitution. As used in this paragraph, the term "Agreement" means any transaction, contract, understanding or agreement arising out of, relating to, or contemplated by the pertinent solicitation and/or agreement between the proposer and the District.

The terms of the agreement between the District and the successful/awarded entity shall comply with the requirements contained in this solicitation and the District's General Terms and Conditions.

### **CONTRACTUAL NEGOTIATIONS**

Contract negotiations, if applicable, may be started at the District's discretion, with the apparent successful offeror. If any points/issues exist that cannot be resolved, so that a final contract, to the mutual satisfaction of all parties, can be reached, negotiations may be initiated with the next qualified offeror. All contractual documents submitted will be subject to approval of the District.

### **CONTRACT DOCUMENTS & ORDER OF PRECEDENCE**

- (a) Any contract resulting from this solicitation shall include the following documents: (1) a Record of Negotiations, if any, executed by the vendor and the District, (2) documentation regarding the clarification of an offer, if applicable, (3) the solicitation, as may be amended, (4) modifications, if any, to an offer, if accepted by the District, (5) the vendor's offer, (6) any statement reflecting the District's final acceptance (award), (7) purchase orders, and (8) any related contracts or agreements executed by the District and the

Each offeror shall fully acquaint itself with conditions relating to the scope and restrictions attending the performance of obligations under the conditions of this solicitation or agreement. The omission of an offeror to acquaint itself with existing pre-contract conditions or post-contract consequences shall in no way relieve such offeror of any obligation with respect to the proposal or to any contract resulting from a solicitation or agreement. Offerors are notified that failure to inspect, familiarize or otherwise gather information as to the total cost to the District will, in addition to any and all other remedies available, create cost difference liabilities and claims against the ultimately successful contractor. Offerors shall notify the District of all costs reasonably expected.

#### BID/PROPOSAL/AGREEMENT CONSTITUTES OFFER

By submitting a bid/proposal or agreement, the offeror agrees to be governed by the terms and conditions as set forth in the solicitation document or proposed agreement and the District Procurement Code and Regulations. Any bid or proposal response or proposed agreement containing variations from the terms and conditions set forth herein may, at the sole discretion of the District, render such bid or proposal or agreement non-responsive. Any inconsistencies between the solicitation and any other contractual instrument shall be governed by the terms and conditions of the solicitation or proposed agreement, except where subsequent amendments to any contract resulting from the award are specifically agreed to in writing by the parties in order to supersede any such provisions of the solicitation or other contractual document.

#### SPECIFICATIONS MANDATORY

The offeror must meet all of the mandatory specifications and requirements set forth in the solicitation or proposed agreement. By incorporating said specifications into the offeror's response, subject to acceptance by the District of any amendments hereto as submitted by the offeror, the offeror is agreeing to comply with said solicitation specifications or agreement. Failure to provide mandatory evidence of capability will result in a low evaluation ranking of the offeror's bid/proposal. Items designated as evaluation factors will be evaluated and rated in accordance with the evaluation criteria, if applicable.

#### INQUIRIES

Every effort has been made to ensure that all information needed by an offeror is included herein. If an offeror finds that it cannot provide a response without additional information, it may submit written questions to the person designated herein on or before the deadline set forth in the solicitation. Questions shall not be accepted by the District after the specified date. All replies to questions will be in writing and contained within an addendum. When a question received by the District is found to be previously and sufficiently addressed in the solicitation, that question will be returned to the proposer with a reference to the part of the solicitation containing the answer. All questions and written replies will be distributed to all known interested firms and individuals via an addendum and will be regarded as a part and parcel of the solicitation.

#### AMENDMENTS OR ADDENDA

If it becomes necessary to revise any part of the solicitation or agreement, amendments in the form of an addendum will be provided in writing to all known, interested firms and individuals.

#### ALL AMENDMENTS TO AND INTERPRETATIONS OF A SOLICITATION SHALL BE IN WRITING. THE DISTRICT SHALL NOT BE LEGALLY BOUND BY ANY AMENDMENT, ADDENDUM, INFORMATION OR INTERPRETATION THAT IS NOT IN WRITING.

#### COMPANY EXPERIENCE AND REFERENCE ACCOUNTS

If requested, interested firms and individuals must provide reference accounts where the services and/or equipment/material(s) offered were similar to the services and/or equipment/material(s) requested in the solicitation. The intent is to show company experience in receiving contracts for, and delivery of, goods and services similar to those proposed. Information should include the name, address, telephone number, and title of the person to contact for inquiry as to the proposer's experience and performance. Referenced accounts must not be company owned or an affiliate of the bidder or proposer.

The District reserves the right to consider historic information and facts about the bidder or proposer, whether gained from the submitted response, question and answer conferences, references or any other source, during the evaluation process.

#### SOLICITATIONS/AGREEMENTS SIGNED

All submittals shall be signed by a representative of the entity authorized to commit to the provisions of the submittal. Unsigned bids/proposals will be rejected unless an authorized representative is present at the bid/proposal opening and provides the needed signature, provided that the discovery is made prior to the recording of the contractor's bid/proposal. Any proposed and agreed upon contract shall be signed by an authorized representative of the offeror.

#### PUBLIC OPENING

All bids/proposals received in response to a solicitation will be recorded publicly at the time and place specified in the solicitation. The name of each offeror shall be announced, recorded and made available for scheduled public inspection.

It shall be agreed that the District may exercise its right to require a protest bond or irrevocable letter of credit from a protesting party when applicable.

#### CLARIFICATIONS

The District reserves the right, at any time after opening and prior to award, to request from any apparently responsible bidder or proposer, clarification(s) of the bid/proposal submitted to the District, address questions or to seek or provide other information regarding the offeror's submittal/response. This process may be used for such purposes as providing an opportunity for the offeror to clarify its bid/proposal in order to assure mutual understanding and to determine acceptability.

#### PURCHASE ORDERS

Contractor shall not perform any work prior to the receipt of a Purchase Order from the District. The District shall order any supplies or services to be furnished via a solicitation method by issuing a Purchase Order. #### PATENT AND COPYRIGHT LIABILITY

If notified promptly in writing by the District of any actions (and all prior claims relating to such action) brought against the District, based on a claim that the District's use of the services or any products offered, including software, infringes a United States patent or copyright, the contractor will defend and indemnify the District in such action at its expense and will pay the costs and damages awarded in such action, provided that the contractor shall have sole control of the defense of any such action and all negotiation for its settlement or compromise. The District shall give the Contractor prompt written notice of such claim and full right and opportunity to conduct the defense thereof, together with full information and reasonable cooperation. No cost or expenses shall be incurred for the account of the contractor without its written consent. If principles of government or public law are

involved, the District may participate in the defense of any action. If, in the opinion of the contractor, the products furnished there under are likely to, or do become, the subject of a claim of infringement of a United States patent or copyright, then, without diminishing its obligation to satisfy a final award, the contractor may, at its option and expense, (a) obtain the right for the District to continue to use such goods; or (b) substitute, with prior notice and District approval, for the alleged infringing products other equally suitable products that are satisfactory to the District; or (c) take back, with District approval, such products, provided however, that the contractor will not exercise option (c) until the contractor and the District have evaluated options (a) and (b). In such event, contractor will reimburse the District for the purchase price of any goods removed pursuant to option (c).

#### TAXES

Prices shall include all applicable taxes unless otherwise noted. The current tax rate in South Carolina is six percent (6%). In the event that the contractor fails to pay or delays in paying to any taxing authorities sums paid by the District to the contractor, the contractor shall be liable to the District for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay.

#### PRICE ADJUSTMENT

Any request for price increase must be submitted to the user location and the District's Procurement Department by the contractor at least sixty (60) calendar days prior to any proposed contract extension. The price increase will only become effective if agreed to in writing by the District's Procurement Department. In such event, this Agreement shall terminate on the last day of the fiscal year for which appropriations were received without penalty or expense to the District of any kind whatsoever.

#### INTELLECTUAL PROPERTY INFRINGEMENT

(a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the District, its instrumentalities, agencies, departments, boards, and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. The District shall allow the Contractor to defend such claim so long as the defense is diligently and capably prosecuted. The District shall allow the Contractor to settle such claim so long as (i) all settlement payments are made by Contractor, and (ii) the settlement imposes no non-monetary obligation upon the District. The District shall reasonably cooperate with Contractor's defense of such claim. (b) In the event an injunction or order shall be obtained against the District's use of any acquired item, or if in the Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, the Contractor shall, without in any way limiting the foregoing, and at its expense, either: (1) procure for the District the right to continue to use, or have used, the acquired item, or (2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by the District. If neither (1) nor (2), above, is practical, the District may require that the Contractor remove the acquired item from the District, refund to the District any charge(s) paid by the District, and take all steps necessary to have the District released from any further liability. (c) the Contractor's obligations under this paragraph do not apply to a claim to the extent (i) that the claim is caused by the Contractor's compliance with specifications furnished by the District unless the Contractor knew or reasonably had prior knowledge or suspected its compliance with the District's specifications would infringe an IP right, or (ii) that the claim is caused by the Contractor's compliance with specifications furnished by the District if the District knowingly relied on a third party's IP right to develop the specifications provided to the Contractor and failed to identify such product to the Contractor. (d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work.
