### **Inquiries/ District Responses**

Before the solicitation inquiry deadline of **July 3, 2024**, the District received inquiries regarding this solicitation. The District's response to the questions follows in **bold** font.

1. Do you require the vendor to do service on the AEDS all year? Or just need the AED device and you'll find a service to maintain them? **We are not in need of an AED service contract.**
2. Would you except 50 re certified LifePak CR + defibrillator? **No, we are specifically looking for bids on ZOLL 3 AED units to maintain consistency across the district.**
3. We can see that the district is currently a member of the co-operative agreement OMNIA. Would the district prefer to utilize this co-operative to secure the items for this solicitation? **I am not familiar with this agreement.**
4. Are there any additional items other than the Fixed Price Bid that need to be handled before opting in to submit? **This question is unclear.**

All other terms and conditions remain unchanged and enforced.

Thank you for your interest in the District.
