Inquiries/ District Responses

Before the solicitation inquiry deadline of **June 6, 2024**, the District received inquiries regarding this solicitation. The District’s response to the questions follows in **bold** font.

1. In reference to Solicitation No.: 224-121-6-20, for 1” Cordless Blinds, how do you need pricing presented?
 - a. Pricing for blinds is largely dependent on size, and with projects TBD & therefore sizes not yet available, are you wanting vendors to submit a price grid for covering various sizes?
Vendor can submit a catalog of blinds that meet the base specifications of the solicitation. The discounts can be variable based on type and size of the blind. Submit as an attachment to the bid form.
 - b. Or perhaps, would you like to provide vendors with some specific “sample” sizes for all vendors to price for best comparison? **Not necessary**
 - c. Also, again with final sizes not yet known, is this solicitation supposed to be firm fixed price? **No, this is a fixed Percentage Discount Program. The catalog that is provided by the vendor is subject to the Price Adjustment section of the Terms and Conditions.**
 - d. Do you also require any pricing submitted for services as an option if needed, such as final measures of the windows and installation services? If so, please advise how you would like this pricing presented as well. **No**

All other terms and conditions remain unchanged and enforced.

Thank you for your interest in the District.
