Inquiries/ District Responses

Before the solicitation inquiry deadline, the District received inquiries regarding this solicitation. The District's response to the questions follows in **bold** font.

1) We have a question about Bid Form-1 (page 37). We see the range is very wide for example 501 to 5,000 gallons \$_____ per call.

Can we put a per gallon price per call? **Yes, that should cover all of the ranges.**

All other terms and conditions remain unchanged and in force.

Thank you for your interest in the District.
