### **Inquiries/ District Responses**

Before the solicitation inquiry deadline of **September 6, 2024**, the District received inquiries regarding this solicitation. The District's response to the questions follows in **bold** font.

1. GROUNDING ANGLE PLUG MALE 50AMP 250VOLT THERMOPLASTIC BLACK - What is the Nema configuration? **NEMA 6-30P/6-50P**

2. CONNECTOR CABLE 2-MBP MALE/FEMALE COPPER #2/0 #3/0 1/0 CABLE SIZE - Are you looking for a connector that is both male and female? **No, we need the male connectors.**
3. I would like to question the following line on this bid.  
*7 CONNECTOR CABLE 2-MBP MALE/FEMALE COPPER #2/0 #3/0 1/0 CABLE SIZE*

The bid is for 7 machines and each machine would require 2 male cable connectors rather than the above male female connector set.

I would think that you would want 14 each of Tweco part number 2-MPC-1 Male only.

Can you confirm which you would like on the bid? **I do believe it is 14 of the Tweeco male connectors.**

Thank you for your interest in the District.
