

## **Addendum No. 1**

Date: **June 3, 2024**

Re: **Professional Design Build –  
Parking Lot Additions and Improvements**

IFB No.: **324-120-6-12**

The following information becomes part and parcel of **Invitation for Bid (IFB) #324-120-6-12** effective this date. Firms must acknowledge receipt of this addendum in their solicitation response.

The listed items add to, modify, or otherwise alter the specifications and become part of the solicitation documents. Where a portion of the original specifications are added to, modified, or also altered, the portion not so affected shall remain. Firms may have the right to protest this addendum.

### **Clarification:**

For clarification, the Project Documents and Drawings that are available on the Google Drive public link below were prepared by WK Dickson and Caliber Engineering.

### **Eastside High School:**

The Eastside High School design provided by Caliber Engineering, has been completed sufficiently to solicit as a separate Invitation for Bid (IFB) due to the urgency of this project for this location. Should Eastside High School be awarded through a separate solicitation, Eastside High School would then be removed from this Professional Design-Build solicitation.

### **Inquiries/ District Responses**

Before the solicitation inquiry deadline, the District received inquiries regarding this solicitation. The District's response to each question follows in **bold** font.

- 1.) Does the District have current topographical surveys for the school parking areas?
  - a. **Only the Eastside HS design provided by Caliber Engineering included a site survey.**
    - i. **This design is currently under review by SCDHEC, and is expected to be the first location in the group ready for construction.**

*Continued on next page.*

2.) Have the preliminary designs been reviewed by the local SCDOT?

a. *None of the designs have been reviewed by local SCDOT.*

**End of Section**

All other terms and conditions remain unchanged and in force. Thank you for your interest in the District.
