

## **Addendum No. 1**

Date: **June 28, 2023**

Re: **Cyber Networking Equipment and Related Supplies –  
Percentage Discount Program**

FPB No.: **324-5-7-11**

The following information becomes part and parcel of Fixed Price Bid (FPB) #**324-5-7-11** effective this date. Firms must acknowledge receipt of this addendum in their solicitation response.

The listed items add to, modify, or otherwise alter the specifications and become part of the solicitation documents. Where a portion of the original specifications are added to, modified, or also altered, the portion not so affected shall remain. Firms may have the right to protest this addendum.

### **Inquiries/ District Responses**

Before the solicitation inquiry deadline, the District received an inquiry regarding this solicitation. The District's response to the question follows in **bold** font.

1. How many students are expected to be trained?

**This solicitation is for the purchase of Cyber Networking Equipment and Related Supplies. This solicitation is not for Cyber Networking training.**

2. Can the training be done on-line?

**See response for Inquiry Number One (1).**

3. Are you looking for courses in the following domains: (a) Digital Forensics; (b) Cyber Security Essentials; (c) Industrial Security System Equipment; (d) Enterprise Network Security; (e) Medical Network Security; (i) Cisco.

**This solicitation is for the purchase of Cyber Networking Equipment and Related Supplies. In the solicitation, see Page One (1) of the Program Specifications and Scope of Work for a detailed listing of equipment the District anticipates using.**

4. In regards to the previous question, how long shall each course take?

**The equipment and supplies purchased from this contract will be utilized during The School District of Greenville County's school year. For specific dates of each school year, see the calendars on the District's website at the link below:**

**<<https://www.greenville.k12.sc.us/Parents/main.asp?titleid=calendar>>**

5. Our training courses are mainly based on virtual machines (labs, challenges. etc.) hence we do not necessarily require physical components in order to provide the training (and to prepare students for certifications) - can we still propose our training courses and services?

**This solicitation does not require services for training courses.**

6. Can we propose other services such as *Web Application Security*?

**See response for Inquiry Number Five (5).**

**End of Section – Inquiries/District Responses**

All other terms and conditions remain unchanged and in force.

Thank you for your interest in the District.
