The following information becomes part and parcel of **Fixed Priced Bid (FPB) #325-10-8-6** effective this date. Firms must acknowledge receipt of this addendum in their solicitation response.

Inquiries/ District Responses

Before the solicitation inquiry deadline, the District received inquiries regarding this solicitation. The District's response to each question follows in **bold** font.

1.) We do not have the \$50,000 fire line on our insurance certificate (for any one fire). I believe this is because we have a 3 million umbrella policy. Please advise if we need to seek further coverages.

The vendor would need to provide documentation, in their bid response, proving that the umbrella policy covers fire damage.

2.) Does the hourly rate include overtime requests? For example, emergencies after hours.

The hourly rate is for all hours of the day, and any required weekend hours. There is no special rate for weekends, nights, or emergencies.

3.) Is this bid for a crew 5 days a week and emergency work such as storm and hazard trees or is as-needed basis?

This solicitation is to establish a vendor for services on an as-needed basis, normally any days GCSD is open, and additionally, for any storm damages, after hours or any required emergency calls.

4.) Also, as for the scheduling of the work, if it isn't a 5 days a week contract, how much notice will be given ahead of the work to schedule for my crew to be on site?

The District will contact the awarded vendor for requested services, and the vendor will have Ten (10) days to be on-site and start the work. See Solicitation Scope of Work for additional information.
