Postponements

A bid opening or a pre-bid conference shall be postponed if the District's Procurement Department is closed for any of the following reasons: 1) Causes beyond the control of the District (e.g., fire, flood, weather conditions, etc.), or 2) Emergency or unanticipated events that interrupt normal District or Procurement operations. The postponed event (opening or conference) shall automatically be rescheduled to the next full and complete District business day after the published date. A District business day does not include a day starting after an announced opening delay or a closure. Bidders should consult the District's INFOLine (864-355-3100) or local media regarding closures.

Scope of Work

The District seeks to establish discounted pricing for various types of Musical Instruments and related products based upon a percentage discount taken from the bidder's price list. Please provide percentage discount rates to furnish items for delivery to any location Districtwide.

The percentage discount/pricing indicated on the Bid Form must be **F.O.B. Destination** with all delivery or freight charges Prepaid and Allowed to any location Districtwide.

The District prefers discounts of a minimum discount of 5%; however, each bidder may state the discount (or various discounts) offered for different categories of items. Bid responses that state a zero percentage (0%) discount will not be considered and shall be disregarded.

A bidder may exclude certain items or categories of items from the discount program. Bidder should note on Bid Form (page two) any item, category, or manufacturer that is excluded.

This solicitation encompasses a broad range of Musical Instruments. This solicitation does not require a bidder to limit its response to a single manufacturer or even to a list of manufacturers. A bidder may elect to provide a single percentage discount schedule which would cover orders of various dollar amounts. If a bidder elects to limit its contract in any manner, such as to certain stated manufacturers, this would be the bidder's decision.

Note that the percentage discount may be taken off of the bidder's list price, or it may be taken off of the bidder's normal selling price.

Pricing example: If the bidder sells Item "A" to the general public for \$25.00, and offers the District a seven percent (7%) discount off of its list price, then the District would be charged \$23.25 for the product. The bidder may offer various discounts for purchase orders of different sizes, but shall indicate the various discounts on the attached Bid Form.

Failure by a bidder to receive a purchase order(s) and resulting business pursuant to the solicitation is not grounds for contract controversy; the procedures referenced in Article XIV of the Procurement Code do not apply.

The contract award(s) from this solicitation will be for one (1) base year with the option to renew each year for each of four (4) additional one year periods if agreed to by the successful bidder(s) and the District. The term of the initial contract will be from **January 1, 2023, through December 31, 2023**. The program may be in effect for a total of five (5) years.

Should the District and successful bidder(s) elect to renew the agreement, the bidder must inform the Procurement Department of any changes in the discount rate or the material(s) costs. The bidder(s) must inform the Procurement Department in writing of any applicable changes that may affect the process. The District reserves the right to terminate any renewal upon notice when in the best interest of the District.

The District will issue purchase orders for product or lots of product for District projects as required. The District will not guarantee nor estimate quantities of any item which may be ordered. Any bid which requires a minimum billing per shipment will not be considered. Any bid which requires a minimum billing per purchase order will not be considered.

In most instances, the District will place Purchase Orders for the required material to be delivered to the District location(s) and address noted on the Purchase Order. A copy of the packing list or receipt must be included with any shipment. Invoices shall be sent to the District location and address indicated on the Purchase Order provided. Typically, District invoices are processed and payments sent within thirty (30) days of receipt of an accurate invoice. The District shall **not** accept any undisclosed or hidden costs.

For a complete detailed description of the program, the Bid Form and Program Specifications should be consulted. The Program Specifications have been provided by the Administration of the SDGC and are included in this solicitation.

Throughout the duration of this contract, contract specifications, terms and conditions shall not be modified in any manner without the express written permission of a District Procurement Officer.

When applicable, brand name, model names/numbers or equivalency descriptions are intended to be descriptive, not restrictive, and are used to indicate the quality and characteristics of the product(s) along with quantities requested that will be satisfactory and acceptable to the District. Vendors shall include with the bid, supporting product data for the District's use in determining the acceptability of the proposed product(s) or manufacturer(s). When requested, vendors who do not provide adequate supportive product/manufacturer data may be considered non-responsible and will not be considered for an award.

The Solicitation Specifications are provided and approved by the Administration and Staff of SDGC Visual and Performing Arts Department.

General

The District will *not* provide any supplier with delivery services, materials, or the use of any District-owned equipment.

The District will not guarantee nor estimate quantities of any item or product which may be ordered. Any bid which requires a minimum billing per shipment or per purchase order will not be considered.

All instruments and equipment provided under this contract shall be new, never used, and in ready-to-play condition upon delivery. The District will not accept nor consider instruments or materials which are previously rented or used for demonstration or sales samples, second-quality instruments, and/or refurbished instruments. This contract does not cover the purchase of used products.

Vendor Requirements

A vendor shall be an authorized distributor or authorized reseller for any and all brands or product lines provided under this contract. Submitting a bid for a brand or product line for which a firm is not an authorized distributor or authorized reseller shall render that firm's entire bid non-responsive.

When requested by the District, a successful bidder shall assist the District in acquiring additional information or technical literature, including assistance from the manufacturer or manufacturer's representative, for any product provided under this contract.

Quotations

After contract award, District personnel may contact awarded firms for instrument pricing and availability. In such an instance, awarded vendor shall respond with a written quotation detailing instrument make, model name/number, all costs, including delivery costs. Hidden or undisclosed charges will not be honored.

Failure by a bidder to receive a purchase order(s) and resulting business pursuant to the solicitation is not grounds for contract controversy; the procedures referenced in Article XIV of the Procurement Code do not apply.

Demonstrations/Samples

The District may require that a bidder provide sample(s) and/or demonstration(s) of products or materials. The District will allow the bidder/authorized dealer a maximum of thirty (30) calendar days after District's written request to provide the sample, samples or demonstration required. Bidders may be asked to provide samples of products or conduct demonstrations at no charge to the District to ensure the acceptability of a product or the suitability of the product to the District's intent.

Substitutions during Contract Period

In the event the exact item ordered is not available, the vendor must secure the District's written approval to provide and deliver a replacement product. If a product is superseded or discontinued during the contract period, the proposed replacement request shall be submitted in writing to a SDGC Procurement Official for approval. Procurement approval shall be secured before replacement products may be placed on order or delivered. Additionally, a sample of the proposed product may be required by the District for evaluation.

Purchases from Other Sources

The District reserves the right to solicit to purchase separately any unusual requirements or large quantities of items included in this Invitation for Bid (IFB). The District reserves the sole right to determine which purchases shall be solicited separately from this Invitation for Bid (IFB).

Delivery Requirements

The Contractor shall fill and deliver District Purchase Orders accurately and promptly.

In some instances, the instrument quantities required may deplete available instrument inventories. In most instances, the Contractor shall provide, deliver, and complete such an order within ninety (90) calendar days of issuance of Purchase Order; however, with the written agreement of Mr. Bradley D. Wingate, Director of Visual and Performing Arts, the District may allow the Contractor additional time to fulfill instrument Purchase Orders.

Vendors shall deliver musical instruments to the designated school between the hours of 7:30 A.M. and 3:00 P.M., Monday through Friday, except on District-observed holidays and on other closure dates. Note that all District locations will be closed each Friday during the summer schedule period.

Vendors shall provide and deliver all products to the District in new, unopened, and excellent condition.

Vendors shall deliver all products to the school address noted on the District Purchase Order.

At least forty eight (48) hours prior to delivery, vendor is required to schedule a firm **delivery appointment** (both time and date) with the designated music instructor. To schedule a delivery appointment, the successful vendor will contact the designated District music instructor.

Most District schools are equipped with loading docks; however, most District schools do not have a fork lift.

The successful firm(s) shall provide **inside product delivery, but drop shipping to the school is acceptable with the understanding any damages or required setup/assembling will be handled by the vendor.** With no minimum order, no minimum charges or minimum quantity requirements.

Under this program, a vendor may not accept some Purchase Orders and decline to honor other Purchase Orders.

Packing Slips and Invoices

A copy of the packing list or receipt must be provided to District music instructor at the time of instrument delivery.

Important: The packing list and invoice shall clearly and accurately display the **serial number** of each band instrument. The packing list and invoice shall display the serial number/identification number of each instrument, as applicable. Failure to provide accurate and complete applicable serial numbers on each packing list and invoice will unnecessarily delay the processing of any invoice.

Invoices for product shall be issued by the Supplier. The District will not be responsible for payment of invoices not billed within sixty (60) calendar days of material delivery date. Any costs associated with an un-invoiced purchase older than sixty (60) calendar days are not the responsibility of the District.

Each invoice shall be on the company letterhead and shall indicate the District Purchase Order number and the name of designated District delivery location that is stated on the Purchase Order.

The successful firm(s) shall provide accurate invoices, displaying contract pricing, accurate instrument serial numbers, and the actual quantities and types of instruments delivered.

An authorized SDGC employee (music instructor) shall sign for each delivery when it is made. The completed delivery ticket (copy) shall be submitted by the vendor as part of the billing documentation for payment.

The successful firm(s) shall submit invoices to the District on a by-purchase-order basis. The successful firm(s) shall provide a separate invoice for each delivery to a separate District site.

The successful firm(s) shall provide the District with copies of all invoices. Each invoice shall be directed and delivered as follows: Either by email to Mr. Bradley D. Wingate: bwingate@greenville.k12.sc.us **OR** U.S. Mail to address below:

Payment

The District's customary terms of payment of a problem-free invoice are net thirty (30) business days of receipt. The District does not pay from billing statements.

Customer Service

The successful firm(s) shall provide the District with high quality customer service and prompt assistance concerning issues which may arise, such as delivery, quality, etc. This customer service includes courteous and informative responses to District contact (telephone calls, emails, etc.) within twenty-four (24) hours.

The successful firm(s) shall provide pickup of a problem order within five (5) business days of notification at no charge to the District. The District will not pay the vendor for any unsatisfactory order or unsatisfactory musical instrument.

Unsatisfactory orders are defined as problem orders with mistakes including incorrect instruments, the incorrect size of instrument, the incorrect color/finish of instrument, used instruments, damaged instruments, and/or instruments not fully in compliance with the program specifications.

A history or pattern of multiple improperly filled or problem purchase orders may result in contract cancellation and/or loss of District musical instrument business for a firm.
