Addendum No. 1

Re: **Screen Printing Press – Enoree Career Center**

IFB No.: **522-77-11-17**

The following information becomes part and parcel of Invitation for Bid (IFB) #522-77-11-17 effective this date. Firms must acknowledge receipt of this addendum in their solicitation response.

The listed items add to, modify, or otherwise alter the specifications and become part of the solicitation documents. Where a portion of the original specifications are added to, modified, or also altered, the portion not so affected shall remain. Firms may have the right to protest this addendum.

Inquiries/ District Responses

Before the solicitation inquiry deadline, the District received an inquiry regarding this solicitation. The District's response to the question follows in **bold** font.

1. We do not sell Lawson equipment. Please advise if other manufacturers are accepted.

See Page Two (2) of the Invitation for Bid, paragraph titled, "Alternate Products" which states in part, "The District has provided a descriptive standard for the products required. Requests for approval of alternate equipment, product, material or service shall be submitted to the undersigned Procurement Officer prior to the Inquiry Deadline".

2. Upon reviewing the information, I found under the Delivery requirements that the equipment not only needs to be delivered to the location, but also installed and assembled. Being that we are located in Pennsylvania, this is not a service that we can provide, however we do have a few authorized distributors that are located within 3 hours of you. Therefore I would like to know if it is possible to send the IFB Packet to them for their review and submission? The sale of the equipment however would be done through the dealer.

The Invitation for Bid is public information and the District does not limit who may respond to a solicitation.

End of Section – Inquiries/District Responses

All other terms and conditions remain unchanged and in force.

Thank you for your interest in the District.
