All bids will be reviewed for the purpose of determining responsiveness. Any bid that does not meet the salient requirements of the IFB will be deemed non-responsive. To determine responsibility, all information provided by the Vendor concerning its availability to perform fully the contract requirements, including the integrity and reliability of the Vendor, will be reviewed. This project is on a critical timeline, and a vendor's ability to provide the product within the specified period of time will be examined and included in the evaluation. The

submission of a bid for review does not necessarily qualify the Vendor as being responsible or the bid as being responsive. Failure to provide specific information as requested for use in an evaluation will cause the bid to be disregarded.

In no manner or situation will pricing be considered confidential. The District shall have the sole, exclusive right to determine whether such confidential notations are valid and subject to public release.

The District may request written or oral clarifications of any offer received. However, the District may, at its sole discretion, refuse to accept in full or partially, the response or clarification given by any Vendor.

Vendors are cautioned that the evaluators are not required to request a clarification of the bid; therefore, **all offers should be complete and reflect the most favorable terms to the District.** The District reserves the right to reject any and all offers when such rejection is deemed to be in the best interest of the District.

It is understood and agreed that the bid is for the services and products specified or a District-approved equal. The District does not guarantee that the District will require any specified project or item.

The District reserves the right to accept or reject, in part or in entirety, any or all bids or portions of bids submitted by any Vendor and to waive any informalities or technicalities so as to purchase in the best interest of the District. The District reserves the right to interpret the acceptability of the proposed services and supplies when meeting the intent for use as determined by the end user.

The District reserves the right to negotiate with all responsible Vendors and to cancel in part or in entirety, this solicitation if it is in the best interest of the District. This solicitation does not commit the District to negotiate, hold discussions, award a contract, pay any costs incurred in the preparation of the response to this solicitation or to procure any services and/or supplies.

The District may conduct discussions with responsible Vendors that submit bids for the purpose of clarification to assure a full understanding of the requirements of the IFB and the clarification of any bid. Any award shall encompass all of the requirements of the solicitation. The initial period of performance begins after issuance of a Purchase Order.

After the contract is awarded, no additional costs will be considered. Hidden or undisclosed costs will not be accepted.

The District cannot guarantee that any particular vendor will be selected or any business conducted as a result of this solicitation. The failure of a specific vendor to receive business, once an award has been made, shall not be grounds for contract controversy.

GOVERNING LAW

The contractor or offeror shall comply with the laws of the State of South Carolina which require that it be authorized and/or licensed to bid and/or conduct business in said State. By signing an Agreement or by offering a bid or proposal or agreement, contractor agrees to subject itself to the jurisdiction and process of the District’s Procurement Code and Regulations, the courts of the State of South Carolina or federal courts as to all matters and disputes arising or may arise under and in regard to the solicitation, Agreement and the performance thereof, including any questions as to the liability for taxes, licenses or fees levied by the State.

The solicitation and/or Agreement and any dispute, claim or controversy relating to the solicitation and/or Agreement shall, in all respects, be interpreted, construed, enforced and governed by and in accordance with the Procurement Code and Regulations of The School District of Greenville County and the laws of the State of South Carolina. All disputes, claims or controversies relating to the Agreement shall be resolved exclusively by the District’s Chief Procurement Officer or Purchasing Agent/Procurement Director in accordance with Article XIV of The School District of Greenville County’s Procurement Code or in the absence of jurisdiction, the Court of Common Pleas for, or a federal court located in, Greenville County, State of South Carolina. As used in this paragraph, the term “Agreement” means any transaction, contract, understanding or agreement arising out of, relating to, or contemplated by the pertinent solicitation and/or agreement between the proposer and the District.

CONTRACTUAL NEGOTIATIONS

Contract negotiations, if applicable, may be started at the District’s discretion, with the apparent successful offeror. If any points/issues exist that cannot be resolved, so that a final contract, to the mutual satisfaction of all parties, can be reached, negotiations may be initiated with the next qualified offeror. All contractual documents submitted will be subject to approval of the District.

- (a) Any contract resulting from this solicitation shall include the following documents: (1) a Record of Negotiations, if any, executed by the vendor and the District, (2) documentation regarding the clarification of an offer, if applicable, (3) the solicitation, as may be amended, (4) modifications, if any, to an offer, if accepted by the District, (5) the vendor's offer, (6) any statement reflecting the District's final acceptance (award), (7) purchase orders, and (8) any related contracts or agreements executed by the District and the proposer. Offerors are notified that failure to inspect, familiarize or otherwise gather information as to the total cost to the District will, in addition to any and all other remedies available, create cost difference liabilities and claims against the ultimately successful contractor. Offerors shall notify the District of all costs reasonably expected.

BID/PROPOSAL/AGREEMENT CONSTITUTES OFFER

By submitting a bid/proposal or agreement, the offeror agrees to be governed by the terms and conditions as set forth in the solicitation document or proposed agreement and the District Procurement Code and Regulations. SPECIFICATIONS MANDATORY

The offeror must meet all of the mandatory specifications and requirements set forth in the solicitation or proposed agreement. By incorporating said specifications into the offeror's response, subject to acceptance by the District of any amendments hereto as submitted by the offeror, the offeror is agreeing to comply with said solicitation specifications or agreement.
