The contractor or offeror shall comply with the laws of the State of South Carolina which require that it be authorized and/or licensed to bid and/or conduct business in said State. By signing an Agreement or by offering a bid or proposal or agreement, contractor agrees to subject itself to the jurisdiction and process of the District’s Procurement Code and Regulations, the courts of the State of South Carolina or federal courts as to all matters and disputes arising or may arise under and in regard to the solicitation, Agreement and the performance thereof, including any questions as to the liability for taxes, licenses or fees levied by the State.

The solicitation and/or Agreement and any dispute, claim or controversy relating to the solicitation and/or Agreement shall, in all respects, be interpreted, construed, enforced and governed by and in accordance with the Procurement Code and Regulations of The School District of Greenville County and the laws of the State of South Carolina. All disputes, claims or controversies relating to the Agreement shall be resolved exclusively by the District’s Chief Procurement Officer or Purchasing Agent/Procurement Director in accordance with Article XIV of The School District of Greenville County’s Procurement Code or in the absence of jurisdiction, the Court of Common Pleas for, or a federal court located in, Greenville County, State of South Carolina. CONTRACTUAL NEGOTIATIONS

Contract negotiations, if applicable, may be started at the District’s discretion, with the apparent successful offeror. If any points/issues exist that cannot be resolved, so that a final contract, to the mutual satisfaction of all parties, can be reached, negotiations may be initiated with the next qualified offeror. All contractual documents submitted will be subject to approval of the District.

Each offeror shall fully acquaint itself with conditions relating to the scope and restrictions attending the performance of obligations under the conditions of this solicitation or agreement. The omission of an offeror to acquaint itself with existing pre-contract conditions or post-contract consequences shall in no way relieve such offeror of any obligation with respect to the proposal or to any contract resulting from a solicitation or agreement. Offerors are notified that failure to inspect, familiarize or otherwise gather information as to the total cost to the District will, in addition to any and all other remedies available, create cost difference liabilities and claims against the ultimately successful contractor. Offerors shall notify the District of all costs reasonably expected.

BID/PROPOSAL/AGREEMENT CONSTITUTES OFFER

By submitting a bid/proposal or agreement, the offeror agrees to be governed by the terms and conditions as set forth in the solicitation document or proposed agreement and the District Procurement Code and Regulations. Any bid or proposal response or proposed agreement containing variations from the terms and conditions set forth herein may, at the sole discretion of the District, render such bid or proposal or agreement non-responsive. Any inconsistencies between the solicitation and any other contractual instrument shall be governed by the terms and conditions of the solicitation or proposed agreement, except where subsequent amendments to any contract resulting from the award are specifically agreed to in writing by the parties in order to supersede any such provisions of the solicitation or other contractual document.

SPECIFICATIONS MANDATORY

The offeror must meet all of the mandatory specifications and requirements set forth in the solicitation or proposed agreement. By incorporating said specifications into the offeror's response, subject to acceptance by the District of any amendments hereto as submitted by the offeror, the offeror is agreeing to comply with said solicitation specifications or agreement.
