GCS Preliminary Project Schedule
Fountain Inn High School Addition 082423

- The information provided on this preliminary schedule is subject to change.
- Once each project is awarded to a CM, The CM will be expected to generate the project schedule and provide periodic updates to Owner & Architect.
- Duration is in weekdays (5 days per week)

- School (Breaks) are shown for information only.
 - Breaks represent opportunities to get work completed within the existing school when students and most staff are not present.
 - Winter and Spring break work must be carefully scheduled as school district staff will typically not be present.
 - Guard services must be arranged for Winter and Spring breaks and any after hour work. Guard services will be at Owner's expense.
 - During the last 8 days of Summer Break, GCS staff will be present. Allowable work within the school will be more limited during these days.
