

Information Sessions

Interested in a career teaching math or science to middle or secondary students? Do you have a bachelor's degree or higher, with a major or an emphasis in **math or science or Spanish or French** but not a teaching certificate?

If so, we invite you to apply for an exciting, innovative new pathway, The Greenville Alternative Teacher Education (GATE) program. This district-based, job-embedded alternative certification program is the first of its kind in South Carolina and provides authentic teaching experiences with supportive mentoring and coaching. If selected and employed, you will have your own classroom in a Greenville County School, receive a teacher salary, and participate in ongoing, specialized professional development and coursework. In addition, you will have your own team of professionals who are dedicated to your growth as a teacher. Upon successful completion of the 3-year program, you receive a full, professional license to teach in the state of South Carolina.

Please register and join us at one of the following information sessions!
