

FLL.
FIRST®LEGO®League

UPSTATE KICK-OFF EVENT!

Roper Mountain Science Center and Entech 281
Invite you to attend free of charge!

Saturday, September 7, 2013
9:00 am - 12:00 noon

Symmes Hall of Science at Roper Mountain Science Center
402 Roper Mountain Road in Greenville, SC

Prepare | Stay Safe | Rebuild

- Come and see a complete FIRST LEGO LEAGUE competition table, speak to local referees and judges about what to expect, as well as test run your robots!
- Chris Horne, Meteorologist, from the National Weather Service in Greenville will do presentations at 9:30, 10:00, 10:30 & 11:00 am to talk about the NWS and to answer your questions about weather!
- Also, Danny Dobbs, Assistant Fire Chief at the Pelham-Batesville Fire Department will talk about fire safety emergency services.
- EnTech 281 will demonstrate their Frisbee Throwing robot.
- Bob Brown, FLL Coach, will demonstrate the new EV3 robot!
- Visit EVENTS page to register a team: <http://scrobotics.org/about/events/>
OR e-mail Tonya LeBrun for individual registration: SC4FLL@gmail.com

**Come join the fun,
see this
year's challenge!
Plus, meet local
coaches and teams!**
