

GSSM is bringing its one-of-a-kind engineering and design-based thinking experience to the rising 8th and 9th graders of the Upstate.

Students will engage in team-based, problem-based challenges like designing blades for a wind turbine, constructing a parachute, building a solar-powered s'mores cooker and more!

WHO
Teachers with experience in engineering or engineering design process instruction preferred.

WHEN
July 13-16, 2015 8:30^{AM}–4:00^{PM} daily

LOCATION
Greenville High Academy

TRAINING
Saturday, May 9, 2015 or Saturday, June 6, 2015
ALL INSTRUCTORS MUST ATTEND ONE OF THESE TRAINING SESSIONS

CREATEng Upstate
We're looking for dynamic teachers to help deliver this experience!

- As a CREATEng instructor, you can expect:
- To implement a world-class curriculum
 - A competitive stipend, plus a paid day of training
 - To be inspired by innovative and motivated students
