

# iTEAMS XTREME

## Teachers Needed for iTEAMS Xtreme!

GSSM is bringing its computer science, technology and entrepreneurship day camp for rising 7th & 8th graders to Greenville County.

Students will tackle Xtreme challenges, such as designing mobile apps, creating interactive objects, or coding 3D models.

*WE'RE LOOKING FOR DYNAMIC GREENVILLE COUNTY TEACHERS TO HELP DELIVER THIS EXPERIENCE!*

As an iTEAMS teacher, you can expect:

- To implement world-class curriculum
- A competitive stipend, plus a paid day of training
- To be inspired by innovative, motivated students

### XTREME DETAILS

#### WHO

Teachers with a computer science or engineering background. Experience with Scratch, Open SCAD, App Inventor and/or 3D printing preferred.

#### CAMP DATES

June 15-18, 2015 8:30-3:30 daily

#### WHERE

**Hughes Academy**

#### TRAINING

Saturday, May 9, 2015 or Saturday, June 6, 2015  
*All instructors must attend one of these training sessions.*
